2018/2019 Season
Club Reports

Presidents Report

It has been another fantastic year for the club internally and externally. Our Committee grew to comprise of 18 members who all made a valuable contribution and made a positive difference to our Club. Some took on extra responsibilities for which we are grateful. Thank you to our Committee of 2018/19; Toby, Serena, Linelle, Lisa, Matt, Rene, Nigel, Stewart, Phillipe, Roeland, Chris, Peter, Sophie, Geoff, Michelle, Jade and Allyson. It is a large committee but everyone participates, has fun and makes a difference. To our wonderful Coaches and Team Managers, thank you for your terrific efforts to ensure we had teams on the park. It was fantastic to see the development of skills and all the fun had by players. Thank you also to our Coaches who took on a mentoring role this year, we will further develop and formalise a mentoring program to benefit our Club for future seasons. To ALL our volunteers - you are wonderful! We have so many good people stepping up to help.

We have enjoyed several Club events this year including 2 boys derbys on a Friday evening, our girls U13 derby and Pink Stumps Fundraiser and our Cricket Blast events. We have also enjoyed the attendance of many BBL/WBBL players this year which has been very exciting for all the children (and parents!). The total number of junior teams this year increased to 16 which was made up of 12 boys teams and the girls teams increased to 4, which ensured we had a local U11 and U13 competition, it took a bit of work but it was definitely worth it. Across the board the number of all Club members increased by 13% which is a sign of success and that we are becoming a Club of choice.

This year we embarked on a mentoring partnership with Inclusion Solutions and started our inclusive programs - Star Blast (ages 5-12) and Teenage Integrated program (ages 13-17). Participation has steadily grown during the season and we thank Toby Morrell for his dedication to the children and their families. During the off season we will work to further develop these programs and try to organise a season with matches for the teenage program in 2019/20 whilst we continue to develop the Star Blasters and Blasters program.

To Nigel and Lara Edwards, thank you for your massive efforts in running and further enhancing our Cricket Blast program this season. It has been wonderful to watch all our little Blasters have fun and enjoy the activities/games each week. The comments from outside agencies are always very positive and you should be very proud of what you have achieved, I know I am.

Under the guidance of Serena, the Club launched our first ever ladies program called, Sunset Scorchers which ran for 6 weeks on a Friday evening, and what

a success it has been. Next year we look forward to more ladies joining from the wider community. Well done Serena.

Again our club has been recognised for efforts and the individuals who make our club. In January at WACA, Toby, Serena, Steve Hill, Paul Tulloch and Dee Weller were recognised as finalists for WACA Volunteers of the Year. Serena was a semi finalist and Toby was awarded the WA Male Volunteer of the Year. Congratulations to them all, we are lucky to have so many quality people volunteering for our club.

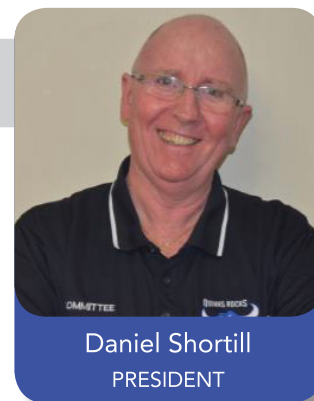

Peter Byrne is currently developing the "40 SUMMERS" which will be the history of our club. He has started interviewing past Club members which has been very interesting so far and I can't wait to see the finished product. We must not forget our past and this endeavour will ensure we don't. Thank you Peter.

As Club we are always looking at ways to improve, both on and off the field. We will be launching our new 5 year Strategic Plan as well as reviewing our current policies to make sure we're aligned with current legislation and guidelines, with focus on two in particular, Safeguarding Children and Young People and Use of Social Media and Communication. We are always open to suggestions for any improvements to make our Club better.

When looking back on the year, it has been a very full year but very satisfying. I would like to especially thank the following people / organisations for their support this year; Tony Ougan and the North West Metropolitan Association for their support to make cricket successful in the Northern region; Kristee and Denver from Inclusion Solutions; our Cricket Manager - Niki Andonovski and everyone at the WACA for all their support both on and off the field; Chris MacKinnon (Stoffa) from our Seniors club for their support, congratulations all on a successful season and we look forward to continuing our junior-senior club relationship next season. Lastly I would like thank all sponsors for their support this and past seasons. We look forward to working with you in 2019/2020 and beyond.

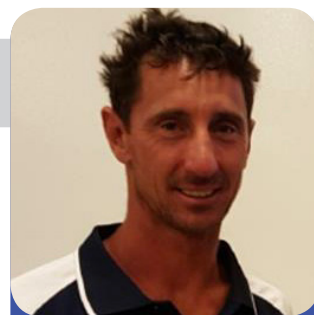

Next year is going to be another exciting year! Thank you to everyone in our community for your support and encouragement. Success comes when all aim for the same, success of cricket in our zone.

GO STINGGRAYS!

Daniel Shortill
PRESIDENT

Director of Coaching's Report

Toby Morrell
DIRECTOR OF COACHING

Well another year comes to an end. What a great season the club has had. The coaches have all done an outstanding job throughout the year and a lot of improvement has been made by all players. With an increasing number of teams this year we have had to work hard to find the space for all to train and play, I thank all the coaches for working with the club to make this happen.

Also where would we be without our Team Managers, they organised the teams and parents so the coaches can concentrate on coaching the kids.

Some great things have happened on the field this year from Nicholas Hendry and Lewis Morrell both scoring 61 runs not out. Great work boys! Also to Joshua Redman for taking a club record of 6 wickets for 2 runs. Awesome effort!

Luke Salisbury's U12's Blue Team also set a club record by dismissing a team for 14 runs in the first game of the season, they would have also broken the record a couple of rounds later when they bowled a team out for 18. A top effort team.

Eva Salisbury set a new high score for the girls teams in hitting a very entertaining 29*, so close to a blue hat.

The Player of the Round/Month have been well received this season with some great efforts by all winners.

We have had some impressive performances by Quinn's players at higher levels this season with Kai Orr hitting 3 scores of 150 or more and setting a competition record of 181* for Joondalup.

We have had some great representation from the girls in district cricket this season with Eva Salisbury and Emma Wilson representing Wanneroo.

The club has had a great year and I am sure everyone is looking forward to next season. I hope everyone has a great off season and I will see you next year.

Entry Level Programs

The aim throughout the season in the Blast Program has been to encourage and nurture a love and respect for the team sport that is cricket. This is integral amongst the younger age groups as this is a crucial time where they either chase the sport because of the joy and accomplishment that they experience or they move away and pursue other interests.

We believe the program has been a great success and over this season has maintained almost 95% attendance on a weekly basis with the entire program throughout the Junior and Master Blast programs. It is important that this achievement is recognised as a community triumph; the season can't run without the continual support and assistance from parent and family member helpers, therefore I would like to give a huge thank you to all the parents, grandparents, aunties, uncles and guardians who have repeatedly shown up, stood up and stepped up and made the Blast Program what it is.

Special mentions go to the coaches that put up their hands at the start of the season.

Junior Blasters Captains: Mirek Carter, Richard Brazao, Jayden Perez, Shane O'Hare, Brad Smith, Daniel Haubner.

Master Blasters Coaches: Chris Lehman, Bede Anderson,

Luke Hyde, Kavan O'Hare, David Garmson, Craig Chilcott, Grant Flanagan and Glenn Willis.

Special thank you: To Lara Edwards for support and assistance every week with the program and to Glenn Willis for helping set up the Master Blast ground.

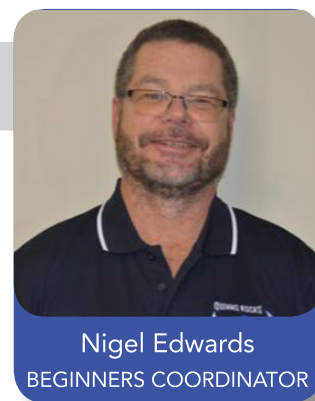

The children have learnt and grown so much since the start of the season and it is evident that they have made some great friendships along the way.

I would like to say a massive thank you to all the children for their hard work, sportsmanship and overall commitment to the program. Their desire and dedication to play cricket and listen to the coaches who provide guidance and cricketing skills to help all the children succeed.

I wish every child good luck with their cricketing ambitions and remember to have fun playing this great game.

Sincerely

Nigel Edwards

Girls Cricket

What a fantastic season of Girls cricket!

The number of girls who LOVE their cricket, and more importantly LOVE cricket at Quinns continues to grow. Season 2018/2019 commenced with 4 teams – two Under 11's and two Under 13's. Our four teams were at capacity, yet we also had girls eager to play attending training ready to join teams in 2019/2020! Next season should also see our first Under 15 team fielded.

I am very proud of all our players who greatly contribute to the positive ethos of our club by offering support, encouragement, advice and laughter to each other. I am also proud that our girls cricket has a reputation for being friendly, welcoming, positive and inclusive. This positive vibe is immediately noticeable as the parents of the new girls who only train have commented. It has been an absolute pleasure training, chatting and snacking with the girls, to watch the lifelong friendships that have developed and to witness their growth in the sport they love. 'The Spirit of the Game' at its best. Go Stingers!

To our amazing coaches Pete, Eddie, Stew and Andrew, thank you for sharing your knowledge, passion and time

with our players. Your dedication to building their self-esteem as well as their cricket skills is a credit to you all and is reflected in the girls' enthusiasm and continued development at both training and gameday.

A huge thankyou to our awesome parents. Your support and assistance make girls cricket a joy and a breeze. You help in so many ways, from coaching and managing, sharing your knowledge and skills at training, scoring, sorting equipment and of course chauffeuring players to training and matches. Teamwork makes the dream work.

It has been an honour to be part of a club that values cricket for everyone. Enjoy the break. I am looking forward to seeing you all next season (although I will see many of you at Indoor cricket) and I'm excited to see what it brings.

Sophie Gerrick

Sophie Gerrick
GIRLS COORDINATOR

Sunset Scorchers

Taking a step into the unknown, this year the club launched Sunset Scorchers, a program designed for females aged 15 and over to have fun playing cricket in a fun, friendly and social environment.

Kicking off at 6.00pm on Friday afternoons and running through February and March, the club was overwhelmed and thrilled by the response, with more than 30 local ladies joining in!

With team names like 'Hit and Sip' and 'Cozy Cookies', everyone involved thoroughly enjoyed themselves and the hospitality provided at the end of each session. The

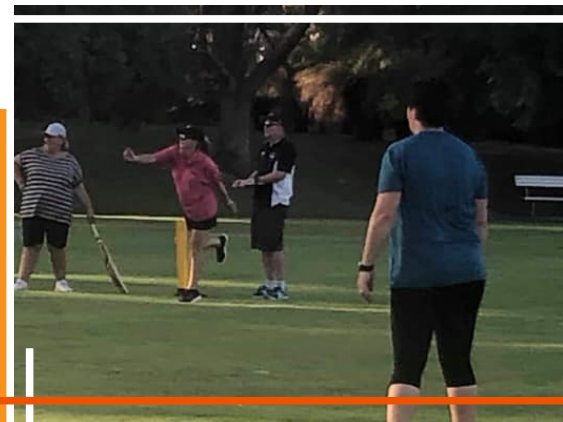

confidence of the players grew week by week and some fantastic cricket was played. So much interest was generated that three teams were entered into the Ladies Winter Cricket competition at Bouncer Indoor Centre.

As one of only three clubs in Perth who offer this programme, and the only centre north of the river, the club would like to express a huge thank you to all those who joined in and we look forward to seeing you all again next year!

Serena Spadaro
VICE PRESIDENT

Derby Matches and Fundraising Games

In 2018/19 the club continued to offer its junior players the opportunity to participate in showcase Derby matches, where fixtures allowed.

Held on Friday afternoons at Anthony Waring, these intraclub contests were well supported by big crowds which was a great thrill for the players. And of course, everyone was supporting Quinns!

The season was launched in style with the Under 11's boys derby, where the teams competed for the newly minted Life Member's Cup. The club provided a free sausage sizzle and everyone enjoyed the carnival-like atmosphere. Former President Fred Sharp was on hand, along with a host of other Life Members, to present the cup to the winning team.

The club also staged a Friday afternoon derby for two of the Under 10's boys teams. A huge crowd of parents, grandparents, friends and supporters was on hand to watch this pre-Christmas match, with the club again providing free hospitality as the action-packed game unfolded!

The Under 13's girls derby for the Morrell Cup was a tightly contested T-10 match that was played as a curtain raiser to the Club's first ever Sunset Scorchers session. As a Pink Stumps event, the girls dressed up and a tidy sum was raised for the McGrath Foundation.

40 Summers – QRJCC History Project

Quinns Rocks Junior Cricket Club has a long and proud history, but how well do we know it? As the second oldest sporting club in the district, organised junior cricket matches were being played in ‘Old Quinns’ back when it was still regarded as a country town.

The ‘40 Summers Project’ aims to share stories from the club’s earliest years right up to the present day, as well as unearthing some less well known gems. With a 24 month timetable, our intention is to produce a book that captures and showcases the history of our great club.

Players, parents, coaches, administrators and supporters from all the club’s eras are invited to share their memories. Simply get in touch with Peter Byrne via qrjcc.spc@gmail.com - all contributions are welcome, however large or small. If you have memorabilia to share we can also arrange for it to be photographed for inclusion as well. We look forward to hearing from as many people as possible.

Peter Byrne

Foundation President Jim Buckingham with a QRJCC team from the late 1980s.

Well after a slow start to our new program where we had young Diesel as our only participant, we made some progress with some hard work and plenty of promotion we started to increase our numbers. We ended up with 8 players running along side the Woolworths Junior and Master Blasters programs. Some great fun was had every Saturday morning with loads of activities for everyone to enjoy.

while the focus was on fun every single one of our players abilities and skills improved throughout the year. With us

finishing with a game at the end of every session, which I know everyone enjoyed, we saw some great skills and plenty of laughter.

I have had the best fun with the starblasters this year and if I ever turned up a little lethargic I sure didn't walk away with it, it has been my pleasure to coach the group this year and a big thank you not only to the kids but to the parents, I for one have walked away from every session with a huge smile on my face.

See you next year

Toby Morrell

©SPORTS IN FOCUS

Coach : Toby Morrell

With the club introducing a high school aged program for children with disabilities I for one was unsure of how many we would get and if they would even enjoy the program.

How wrong I was. From the very first session we laughed our way through the season with plenty of challenging drills and exercises and with even better games at the end of training. We ended up with 7 players, which is a great start to a great program. With the constant question of “when is our first proper cricket game”, I finally managed to organise one with our u13’s team on a Tuesday afternoon.

Wow not even I was prepared for how well the boys did taking wickets hitting boundaries and with a little creative

scoring the boys may have just won their first game of cricket.

I must thank Waed and the U14’s for letting us play a few fun games of cricket throughout the year with them, I am sure the boys enjoyed it.

It has been my pleasure and I am privileged to have coached the boys this year. I thank the parents for bringing the boys down and I hope the boys have enjoyed the year as much as I have.

See you all next year.

Toby Morrell

Coach : Russell Cowap
 Manager : Sally Norbury

It has been a great pleasure to coach this team throughout the season. Their enthusiasm and enjoyment of the game doesn't fade from the first ball to the last, each and every week, win, lose or draw.

There have been huge improvements in all areas of the game. As the has season progressed, they have been scoring more runs, not getting out as often, taking more wickets and bowling less wides and no balls compared to the start of the season. They are holding more catches, including one handed and backward diving efforts. An opposition coach even commented that they are the best bowling attack in the league. Even though it is not about winning or losing, for the boys who played last season without winning a game, to win most of their games this season has been a huge bonus.

There have been many highlights throughout the season. Here are just a few.

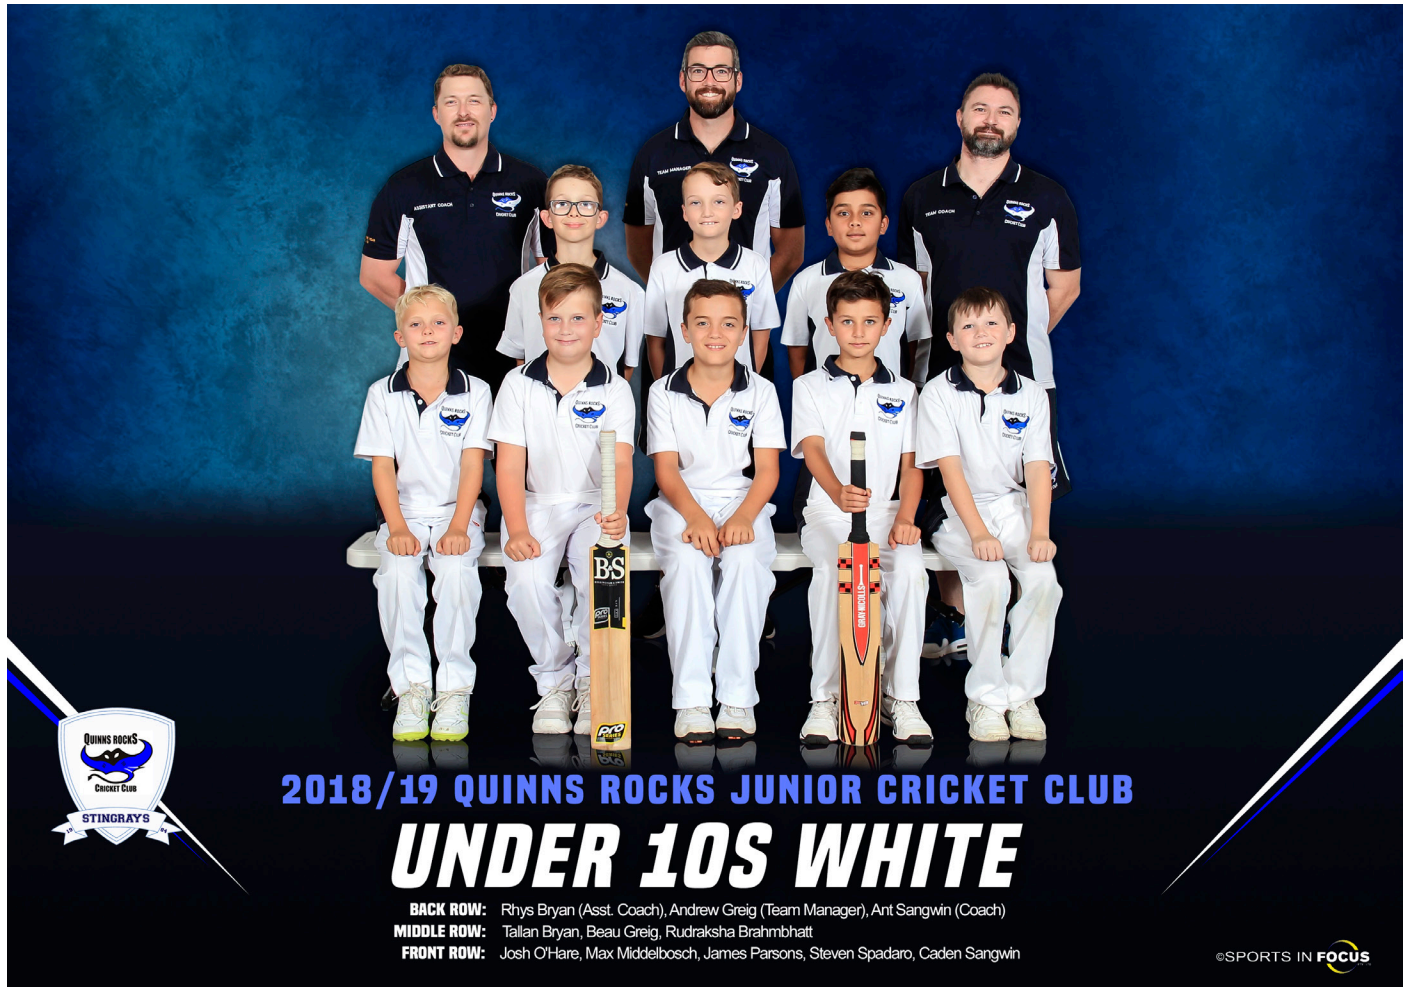

- Bailey - Confident behind the stumps, consistently scoring runs and developing a smooth bowling action. A great first year.
- Emmett - From never playing cricket before to being the

highest scorer in a match (not out) against quality bowling.

- Harry - Scores runs, takes wickets and and any batsman who risks scoring a run when Harry is fielding is almost guaranteed to be run out.
- Hendrix - When Hendrix walks in to bat, I always wonder how many fours he's going to hit. It's usually more than one!
- Jack - Dancing down the wicket to hit a superb cover drive. As good as any shot I saw all season by any batsman.
- Jacob - Consistently scores a lot of runs, usually not out and terrorises batsmen with his fast bowling.
- Liam - Batting last and hitting the winning runs (with three 4's) in the last few remaining deliveries.
- Lewis - That one handed caught and bowled was a freak catch!
- Rico - Seeing the confusion on every opposition player's face as they try to figure out how to hit Rico's leg spin bowling.

A big thank you must go to Sally Norbury. Her efforts as Team Manager made everyone's life so much easier. Thanks to Sally, we all knew where we needed to be on Sunday morning, who was scoring and who was bringing the fruit. Thanks too to all of the parents and families who came and cheered the team on each week, not to mention set up the tent and look after the scoring. There is a nice little community around this team.

Congratulations to all the boys. You've done yourself, your family and the Club proud!

The Under 10 White team are an awesome group of boys, who have been a pleasure to coach, in my first year as a coach at QRJCC.

I look forward coaching you all next season!

Anthony Sangwin

Within the team, we have boys who have been playing for at least 2 to 4 years.

It has been great to see the development throughout the season from all boys. Teamwork really showed in training sessions, and on each day of play. They are a really energetic group of boys.

We had some awesome scores, with the boys often surprising themselves on just what they can do.

Coach : Gary Donnelly
 Manager : Dee Weller

This year was a great year for the Under 10's team. It was everyone's first season and our team quickly gelled with a fantastic bunch of young cricketers.

It has been an absolute pleasure to coach them and I appreciate everyone's enthusiasm and energy for each training session and game day .

My coaching style was always to try teach good habits while keeping it simple and as fun as possible, with a general aim of improving on everyone's natural talent(which there was plenty of to work with).

We've come along way since our first game and the boys have developed their skills in backing up on field, running between wickets and bowling techniques.

I am so proud of the consistent improvements from all them. Our team has a great sense of humour and there are always plenty of laughs both on and off field.

Our season would not have ran as smoothly as it did without our team manager Dee. A massive thank you for keeping me and the team on track and organising everything so it was easy for me to focus on coaching.

We were also lucky to have the best bunch of team parents as well.. there was never a need for a roster as the attitude towards any task that needed done was "No problem". Big thank you to Andrew for scoring every week and thanks to the training and game day helpers, Andrew, Adrian, Mick, Neil, Shane and Anthony.

Looking forward to seeing you all back next year.

Gary Donnelly

BACK ROW: Mark Clayton (Coach), Krish Darji, Ryley Gardner, Koby Devitt, Ruben du Preez, Bailey Osman, Karalee Scaddan (Team Manager)
FRONT ROW: Harrison Clayton, Rowan George, Tyson Pansini, Ashton Stern, Shaan Darji

©SPORTS IN FOCUS

Coach : Mark Clayton
Manager : Karalee Scaddan

After coaching teams in T20 Blast over the last couple years I decided to step up and coach a junior team. I was fortunate enough to coach my own sons team. We had 10 players in our team with 7 first year players who had never played club cricket before. On our first training night we were very raw in cricket skills from fielding, batting and bowling. We had to go back to basics. The boys were keen to learn and have some fun along the way and they were soon able to grasp cricket basics

Our first game was a derby against a highly skilled Quinn's White team. With the lights on and a great club atmosphere at Anthony Waring Oval we tried our best but were well beaten by over 100 runs. A great learning experience for our team.

We slowly improved each week and began to set small personal targets throughout the season. One of those targets was for every player to take one wicket during the season, this was achieved before the season break. Before we knew it we reaching other targets like everyone scoring runs and some reaching double figures.

After the Christmas break is where the skills we had been practising at training were finally coming together in our games. Our catching and throwing at stumps, our straight bowling, our moving our feet and attacking the ball when batting improved greatly.

We were now just losing games by only 20 to 30 runs.. All of our players by the last game were playing as a well drilled team, confident with their skills and keen to have a go.

Players like Shaan and Krish Darji became the backbone of our team while players like Ashton Stern, Ryley Gardiner, Harry Clayton, Tyson Pansini and Rowan George became regular run scorers and wicket takers. Bailey Osman, Ruben DuPreez and Koby Devitt improved a lot during the year and became essential playmakers in many games.

Rowan George developed into a confident batter and a handy bowler rapidly. His skills were almost non existent at the start of the season but his determination to listen learn and develop made him a more than average handy cricketer in our side.

I could not be any more prouder to coach these boys. Their willingness to listen, have a go and have some fun earns them my respect. They have all improved a lot over the season.

We may not have won any games but we developed into great cricketers, a great team and better individuals.

We had fun, made new friends and enjoyed being the Quinn's U11 Blue team

Special thanks to the club, our manager and our parents for all your help and support during the season, at trainings and on match days.

Mark Clayton

Coach : Dave Glynn
 Manager : Pete Redman

My second year coaching was even more fun than my first.

The fun, enthusiasm and excitement all the boys show in their cricket makes the experience a thoroughly enjoyable one.

We had a lot of success on the field this year dropping only two games, and knocking off some very good sides in the process. We were behind in quite a few games, but the belief in the team and the determination of the boys to never give up got us over the line on most occasions, and when we went down we went down swinging!!!

Our bowling has hit new heights this year with everyone showing vast improvement on last year, and everyone taking multiple wickets at some point throughout the year. The back end of the season has seen us focus on our batting, especially as next year there's no second chances.

Off the field, a big thanks to Pete and the entire parent group for getting the boys to training and making game

day flow seamlessly.

Thanks also to U12 coaches Dan and Luke for giving the boys an opportunity to play up throughout the year. The experience was fantastic.

I'm very proud of the boys and am looking forward to next year already!!

Congratulations to the team of Under 11 Black for the season, you have all shown a great commitment to your cricket this year and I have been very proud to be your Coach and a part of it. We have worked hard on several areas of our game, with focus on our batting technique, shot selection and learning to play the ball to all parts of the ground . Our training sessions have been a lot of fun with the introduction of new drills and we have finished each session with a fun, competitive game. We added in a beach session in February too which was a big hit with the players.

I would like to commend all the players of this team in their constant improvement of skills and dedication to their cricket, it's great to see the skills we have worked on at training come to fruition in a game situation, which has resulted in us seeing some great catches, or fantastic pieces of fielding and run outs.

Each and every player has contributed positively to this

season, with game days being a real team effort, with every player at some stage having a man of the match performance.

On behalf of the players and myself I would like to thanks the club and the committee for all the support they give their junior teams. Thanks to all the parents that have got behind this team this season including the volunteers who have offered to score, umpire, help out at training and assist with ground set up.

Assistant Coach Dave Dunseath was at every training session this year and training was a joint effort so thank you mate.

 Manager : Sarah Clancy

It's been a great year for our U11 Purple Girls team with a lot of the Girls benefiting from playing Indoor Cricket in the off season.

I have been very proud of how all the girls have played and continually improved all year. We had a few players make their debut for Quinns Rocks Junior Cricket Club, Toryn, Jasmine and later in the season Mia. These girls have come a long way from when they started and I hope they enjoyed their season. We started the season looking to have FUN - F (Friendship) U (Understanding) N (New Experiences).

We've enjoyed training with the QRJCC U11 White team each week and have learnt a lot from each other and have had lots of fun along the way. This year the Purple team has had 5 wins and 1 tied game. Apart from our 1st ever win the tied game against Kingsley/Woodvale was a highlight for me with both teams celebrating how good the game was. Each week it was awesome having both teams sitting down after the game sharing morning tea with each other. Kingsley/Woodvale and Doubleview/Carine have also adopted this and it's showed in the sportsmanship between each team when we play.

Each girl has improved so much this year and that has been mentioned by our opposition. A couple of highlights were, Caylee with not only having a fantastic season with the bat (over 100 runs), ball (over 11+ wickets) and in the field. Also, her sportsmanship got her recognized as the Club 'Player of the week' early in the season. Zoe with her game awareness in the field and whilst batting, she is also one of the most economical

bowlers in the team. Grace's top score of 19 with 3 x 4's and again a great year wicket keeping. Eliza was the only player to play every game and it showed with the improvement in her bowling with 8 wickets for the season and hitting her highest score ever. Ella has worked very hard with her bowling and has showed some great skill with the bat (over 100 runs) and in the field. Toryn has been a fantastic addition to the team and has shown some great improvement with her bowling and batting. Her energy in the field is awesome (she doesn't mind a song or 2 between balls). Jasmine started her cricketing journey this year and has improved so much throughout the year especially with her batting. Jasmine has had the team and coaches in fits of laughter with some things that she says. Mia started with us in the 2nd part of the season and you can tell that she just loves her cricket. She is very encouraging to her team mates and is a natural with the bat and has a very keen cricketing mind in the field and puts herself in the right position all the time.

A special thanks must go to the girls who helped our team this year with Georgia & Rachel from Master Blasters and showed some awesome skills. Keep an eye on these 2 there going to be ones to watch in the coming years. Matilda, Ava, Holly and Steph from the U13's, you pushed our girls to achieve their best. Also Delilah from QRJCC U11 Girls White team who scored her top score for the season with us. Thanks Girls.

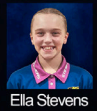

Thanks to Sarah (Manager), Jay (Assistant Coach) and all the parents that have helped out throughout the season. Also this year we have had Paul Tulloch come down and help out at training. Thanks to all for your help and advice.

Stewart O'Connor

What a fun and exciting season we've had with the Under 11's Girls Scorchers League White Team, with all the girls making their debut for QRJCC. Starting with such a young side (four girls under 9), season 2018/19 was destined to be filled with enthusiasm and learning.

Following the notion of F.U.N (Friendship, Understanding and New Experiences) meant that our focus was on the enjoyment of the game, good sportsmanship and embracing the community spirit.

All the girls have taken massive strides forward in terms of match awareness and basic skill execution, like running between wickets and backing up throws. The girls have also brought a unique set of individual skills to the game each week, led by Hannah with 61 runs from only 9 games! Benita and Ella show great all around ability with bat, ball and behind the stumps. Adeline, Olivia and Delilah bring a fantastic spin element to our team. Poppy brings the right attitude every week, raising her bat even if she has made 0. Mene and Hayley continue to improve in all aspects, and show a great willingness to learn. A big thanks to Steph,

Matilda, Rachel and Georgia for filling spots early in the season.

The thing I enjoyed most each and every week as Coach, was seeing the girls spirit and personalities shine out on the field and the all-round encouragement for their team mates and opposition.

Everyone worked together and put in a lot of effort to make this a wonderful, successful and supportive competition. Special mention also to Stew, Lucia, Bjorn and all the volunteers who helped throughout the season, on game day and training.

Andrew Leitch

Coach : Luke Salisbury
 Assistant Coach / Scorer : Dean Sherlock
 Manager : Phillippe Sjoland

I had the pleasure of coaching the U12 blues this year. We had some new members to the team which added to our strength straight away!

With the introduction of new rules this season, the focus for the boys was on technique, taking wickets and scoring runs.

From the very first game the team really worked well together, and have continued to do so all season. Their focus on bowling at off stump and not giving anything away in the field has proven very affective for the team, winning most games this season by bowling other sides out cheaply!

Our batting has steadily improved all year with the guys making the transition to `when you're out you're out` cricket which takes some getting used to!! Having to value your wicket and score runs freely is a hard thing to balance. The team have worked really hard all year and its paid off in

the second half, with some awesome batting scores. The `Blues` are a great bunch of boys to coach, and I'm really proud of all of them.

Special thanks to Phillippe (manager) and Dean (assistant coach/scorer) for all their hard work this year.

Lastly, thanks to the parent group for all the support and early Saturday morning coffee runs and throw downs!!

Luke Salisbury

(Team Manager)

©SPORTS IN FOCUS

Coach : Dan Pickering
 Manager : Anita Anderson

I was fortunate enough to coach the U12 whites for 2018/19. The majority of the team were carry-overs from our U11 team last season, but we also had a few newcomers, each of whom fitted in nicely. The improvement in each of the boys as the season went on was visible to all and it was great to see some of last season's players really take a step-up in their cricket. The boys always made sure they had a good time at the cricket, even if it was occasionally at the expense of their concentration in the field! We had a great team spirit and this was personified when twice this season we somehow managed to have a player break a bone mid-game, but refuse to let the team down and play the game out, much to their pain and discomfort!

After only winning one game last year and then losing our first four games, it was looking like being another long season. However the overall improvement in our cricket meant we managed to get 4 wins (with one game to go), including our best performance of the year when we managed to knock off a team that had only lost one game all year. When the boys were switched on, they could mix it with anyone. With the change in rules from U11's, we had a few firsts as a team, including our first stumping, our first slips catch and our first 50.

An enormous thanks to Anita Anderson for her help as Manager this season. Her dedicated work in managing scoring/fruit rosters and checking the grounds each week meant I could focus on the task at hand, greatly appreciated! Another big thanks to Jeff Bailey and Barry Jamie for lugging the team gazebo around each week, saving my back a load of work. Also a big thanks to all our parents for their support all season and their willingness to score when called upon.

Finally, due to an initial lack of numbers and then numerous injuries, we were forced to call upon the U11's to help our team out throughout the season. So a huge thanks to all who came up and filled in (especially to Josh Redman who ended up playing half our games). We had eight different players fill-in this year, all of which were super keen to get more cricket in, weren't afraid of taking on an older age group and made a significant contribution in the games they played in. Thanks boys!

As I mentioned, there was significant improvement from all the boys this season so hopefully I'll see you all back next season to keep it going!

Dan Pickering

2018/19 QUINNS ROCKS JUNIOR CRICKET CLUB **UNDER 13S BLUE**

BACK ROW: Dan Peacock (Asst. Coach), Tim Okunev, Jay-Jay Labuschagne, Bailey Holding, Trent Solly, Thomas Embry, Paul Tulloch (Coach), Linelle Peacock (Team Manager)

FRONT ROW: Haydn Peacock, Lance Griessel, Callun de Clerck, Kye Whent, Brendon Van Vuuren, Samuel Momenet, Wil Tulloch

©SPORTS IN FOCUS

Coach : Paul Tulloch
Assistant Coach : Dan Peacock
Manager : Linelle Peacock

Because of most of our boys were playing up in age we decided to play in the U13s again, unfortunately losing 3 popular team mates, but gaining 4 great inclusions in Sam, Tim, Lance and Kye, Luca also decided his heart wasn't in it and pulled out early in the year.

All the boys put in there votes and Brendon was elected our captain for the year, a fantastic choice.

We started the season with the one dayers, winning 1 and losing 3 , we were competitive in every game, losing by no more than 8 runs. The main contributors with the bat were Tim, Bailey, Lance and Brendon with JJ and Tommy leading the wicket takers.

We eased into the 2 dayers slowly eventually finishing with 2 wins and 3 losses, once again we were competitive in most games but were outplayed in a couple.

Lance, Brendon and Tim continued on their good form with the bat, but were far from alone with Haydn, Tommy, Trent and Wil knocking up some good numbers and Sam really starting to gain some confidence with good solid time in the middle.

Wicket keeping became a real factor this year with catches and stumpings becoming regular additions to the

scorebook mostly thanks to Haydn and Tim who did 95% of the keeping.

Our bowling attack is really starting to gain some variety this year especially since the arrival of length bowlers Sam, Kye and Lance to help out our pace bowlers Bailey, Brendon and JJ and spinners Haydn, Trent and Tommy.

But for mine Callun has been the success of the bowling attack, playing in just his second season. He has improved his line and length to the point where he is now our 1st choice opening bowler and will be continuing with that honour in this weeks semi final.

As per usual a special thanks to Linelle Peacock (Manager) and Dan Peacock (Assistant coach) for always supporting and guiding me through-out the year and having my back in any situation, I may have the coaches badge on my shirt but we are definitely all equal in our team.

Also a special thank you to all the families of the Blue team, it really makes what we are trying to do a lot easier when we have your encouragement and support, I know I can speak for Linelle and Dan in saying how much we appreciate it.

A season is always a success regardless of on field results but the boys hard work has paid off enough to make their first finals series , well done team.

Paul Tulloch

Coach : Paul Faithful
 Manager : Sally Cole

I have had the pleasure of coaching the Under 13 White team this season. This is my first year coaching cricket, however through the club and outside opportunities through cricket Australia I have learnt so much about the game. I think the boys will agree that sometimes my methods were different to what they had been used to, but I hope they have taken some ideas with them for future use.

We started the season with four one day matches. With confidence high and encouragement to be brave with both bat and ball we finished the matches unbeaten. The boys took on the message to “Believe in themselves, and always look for opportunities to score”.

We found the two day matches a bit more challenging, however the boys stuck to their bowling lines to produce some highlight moments! Unfortunately, this year we have struggled to create partnerships at the crease meaning we have had to defend some low scores, but defend these the boys have, winning two matches by just one run each!

There have been personal milestones reached along the way, with 7 blue caps presented to the boys throughout the year. Every boy should be proud of their contribution on the field and their personal achievements, without any of them they would not be a team.

I would like to thank Sally for managing the team so efficiently, and the emails, texts and messages have kept everyone fully informed of all the match needs.

I would also like to thank Geoff Hendry for stepping in on match days when I wasn't available.

And lastly thank you parents for your assistance on match days, scoring and gazebo duties.

Paul Faithful

Coach : Peter Byrne
 Manager : Sophie Gerrick

If last year was all about getting girls' cricket up and running, this year was about consolidating our efforts and taking our cricket to the next level.

I'm really pleased to say that all 10 girls who were involved in the team last year returned this season. They are to be congratulated for the way they have carried themselves - breaking new ground is not easy and because of their welcoming, happy and fun-loving approach to the game, we now have four girls' teams at the Club and more people coming down each week.

We haven't spent much time talking about winning and losing, but we've spent lots of time learning how to be more consistent. As a result, we've made significant increases in runs scored and wickets taken. Every player has posted a new top score or a new best bowling performance this season - many girls have done both. Eva and Sophie have led from the front and are the best captains in the competition. All girls have become more involved in team

decision making - it has been a joy to watch this level of ownership develop within the team.

Special thanks to the parents of the girls in this team. The support you offer to your daughters and their teammates is second to none. The girls are also very lucky to have so many parents on hand to help out at training and on game day. Extra special thanks to Sophie for her exceptional work as Team Manager (and Girls' Cricket Coordinator).

Girls you have made me very proud. It's been fantastic fun and I look forward to the next part of the cricket journey.

Go Stingers!

 Assistant Coach : Kevin Froud
 Manager : Mandy Butterworth

This is my first season coaching at Quins rocks Junior cricket club. Thanks to the club for giving me the opportunity. What a pleasure and honour it has been to coach an amazing group of young ladies'

We have had a mixed year with wins and losses and even when we lost there has never been any sad faces there was maturity and even more encouragement to try to do better. Always smiles all round, which showed great sportsmanship. I'm extremely impressed how the girls gelled together as a team, with the more experience girls helping the less experienced it was so good to see and continually making new friendships. This showed through at training and on match day as the skill levels have gone through the roof, so now they have a better understanding of the game, which makes their eagerness to learn more each week is phenomenal, and it makes me so proud to be called their coach.

A very big thanks to Mandy Butterworth team manager and Kevin Froud assistant coach. The pair of them took care of everything off the field with rosters, batting, bowling line ups and communications with the parents they have made my job easier, so I could concentrate on coaching. Thanks Mandy and Kevin.

Also, I would like to thank the parents for building a great support group for our girl's cricket team and helping in many ways from drops offs and pick up's, scoring, coffee runs, phototherapy, standing in when needed much appreciated.

Thanks again ladies for letting me be a part of you cricket careers, I look forward to next season.

Eddie Woolhead

 Absent: Waed Searson (Coach)

©SPORTS IN FOCUS

Coach : Waed Searson
 Assistant Coach : Callum Morrell
 Manager : Lisa Stewart

We started this year with some new faces and lost some familiar ones who went on to bigger and better things with their cricket and lost some who had been playing up an age group. 6 From last year gone.

With the new faces around the team we elected **Lewis Morrell** as our captain for the year, what an exceptional year he had. Lewis was also made responsible for all batting/bowling lineups throughout the year. He had a great year with the bat scoring his first fifty for the club early and always leading from the front when it came to fielding. **Jordan** also had a great year with the bat with his shot selection really maturing this year, he also got off to a flier with the ball being our leading wicket taker early in the season. **Zac** again showed us why he can be relied upon to make quick singles and deliver ball after ball on the stumps, taking many a wicket. **Evan** was a great addition to the team this year with some great bowling and exceptional running in the field with many a direct hit thrown at the stumps. **Dom** took a little while to show us his batting skills but was exceptional with his bowling from the start bowling many a maiden over. **Matthew** I think had to be one of the unlucky batsmen in our group I think 2 or 3 occasions coming ever so close to retiring only to lose his wicket with a ball or two to spare. His bowling although wild at times when he was on fire they were careering onto the stumps. **Percy** was our chatterbox of the group and many a laugh had at training sessions. When his pads went on it was all business. We also learnt Percy was not born to be a wicket keeper with the boys never letting him forget a bad day behind the stumps. It was great to see Percy's spin bowling develop over the year to a point opposition coaches approached me commending his bowling and the turn he was getting. **Tom** was again on fire with his spin bowling this year with the boys nicknaming him "Tommy the Turner" with many a ball spearing across the pitch from leg side all the way to off. **Daniel** was a good find this year with many a bouncer

sending opposition batsmen scurrying. A quick net session working on his line and length and hitting targets, saw Daniel take the match winning wickets the following game. It is always hard to coach your own son and be subjective, I was greatly impressed with **Riley's** improvement in batting this year although with more work needed it was great to see him hit his highest score of 21. His keeping has also come along in leaps and bounds. **Andrew** again saw some huge improvement in both his bowling and batting, one of our last training highlights was watching Andrew cart all the boys out of the net with his bat, ball after ball and see himself quite proud of the fact as he strolled out of the nets. **Reece** was another new welcome to the side, although not able to make many training sessions due to Rugby commitment's he always showed up to games and put on a great display of both batting and bowling. **CJ** and **Zenith** were our newest faces to the team in what was both their first year of playing cricket, **CJ's** determination to stick with cricket was something amazing to watch as his season went on and begun to come out of his shell, hopefully he returns to launch a few more grenades down to batsmen. **Zenith** came to the team after the start of the season and with his first ball faced sent to the boundary for four he was off to a great start, this effort was to be repeated the next game and I was happy to see him also take his first wickets for the club with a 2/32 off 4.

Success was not on our side this year in the win/loss ratio but it was a great learning curve for all the boys and myself. Although we bowled and fielded quite well, our batting really let us down this year and our running between wickets is an area of improvement required.

Thanks again must go to Callum Morrell for helping out with training and umpiring on game day and also to Lisa for managing the side whilst having a newborn in the middle of the season. Thanks also to the Integrated Cricket boys and Toby for letting us join in on your fun sessions at training.

Waed Searson

BACK ROW: Evan Coombs, Mitch Burke, Jason-Dean Potgieter
MIDDLE ROW: Anthony Agostino (Coach), Jude Moyle, Jarvis Archer, Liam Murray, Mark Campbell (Team Manager)
FRONT ROW: Michael Agostino, Luca Anderson, James Anderson, Christian Steyn, Lewis Morrell, Emma Wilson

Coach : Anthony Agostino
 Assistant Coach : Mark Campbell

The U/15s this year started the season with a few changes from last year. We were fortunate to add Christian Steyn at the start of the year and as the season wore on, we also added Emma Wilson and Lewis Morrell filled in for us on a number of occasions.

Christian's bowling really improved over the course of the season as did his batting making useful scores. **Emma** fitted in really well to the team and showed her team mates how to bat for long periods of time. She also bowled a very handy off spin taking crucial wickets or limiting the scoring rate. **Lewis** played consistently for us and he batted with great maturity retiring on more than one occasion over the course of the season.

Our batting this year was led by **Mitch Burke** who added shots to his batting repertoire making scores most games and culminating in him gaining his blue cap. **Jason-Dean Poltgeiter** improved his bowling immensely this season, so much so, that he was given the opportunity to play for the Senior Club. He was awarded with taking wickets at Senior Level as well as at Junior Level.

Once again, our side was captained by **James Anderson**. He really matured in this role this season. Not only did he maintain his high bowling standards but his batting improved, although not showing in scores this year I'm sure it will bear fruit next season.

Our spin department was once again well served by **Luca Anderson** who consistently took wickets on nearly every occasion. As a leg spinner he really gives the ball "a rip" and opposition batters were left floundering at times. He also received another badge for his cap.

Michael Agostino, with regular District Cricket took his bowling to a new level this season. He bowled consistent line and length and should have been rewarded with more wickets. He will no doubt continue to improve with his exposure to District Cricket. His fielding was once again outstanding adding wicket keeping to his skill set.

Liam Murray, as one of the older boys, maintained his batting from last

season. He has more shots than any of the other boys but struggled at times with his shot selection. He was always at training and the first to put up his hand to play for the Seniors.

Evan Coombs showed his abundant skill not only with the bat but also with the ball and wicket keeping. He was the teams' best keeper this season although he was reluctant to do it. He showed a real aptitude for the keeping role when he did it and could develop this skill further. **Jude Moyle** matured as a young man and a cricketer this year. Whilst battling a chronic injury all year he always gave 110% in the field and bowling in the games. Unfortunately due to his injury he could not train as much or to the level he wanted to which was a major frustration to him. He still contributed to the team and was the Vice-Captain this year.

Jarvis Archer led our bowling all year. He has raw talent to bowl at above medium pace and constantly strives to get better at training. His fielding for a tall boy is outstanding not only catching but at ground level.

Overall, we had two players (Michael and Lewis) at Joondalup Districts; one player at Wanneroo Districts (Emma) and 4 players play Senior Cricket for Quinns (Christian; Jason-Dean; Liam and Jude). Whilst we also had 3 players (James; Luca; Emma) play Senior Cricket for Yanchep. Christian; James; Luca and Emma also had the pleasure of playing with their Dads' in Senior Cricket. This is one of the great things about playing Senior Community Cricket. The boys are maturing into not only fine young men but also fine young cricketers.

I would like to thank the club and the parents of the boys for their support this season and the opportunity to coach the team.

I would also like to thank my Assistant Coach Mark Campbell (Combo) who once again juggled his commitments with the Senior Club to help me coach the team this season.

Thank you also to our Special Projects Manager Anita Steyn for her assistance throughout the year.

I look forward to seeing you all next season.

Anthony Agostino

Under 13 White	Jordan Dickerson
Under 13 Girls Purple	Summer Warren
Under 13 Girls White	Polly Phillips
Under 14	Jordan Kalejs
Under 15	Jude Moyle

Brian O'Connor Award

This award is presented in memory of a young man who was tragically killed at the age of 12. Brian was a real trier who put everything into cricket and simply loved to play the game. Brian always showed great citizenship and was honest, polite and constantly trying to improve his skills.

This award recognises the efforts of a 12 year old player who displays these same attributes and sets examples for others.

The Coach of the U12 team nominates a player who he or she considers best exemplifies the values that were displayed by Brian when he played.

SEASON	RECEIPT	SEASON	RECEIPT
1998 - 1999	David Fox	2009 - 2010	Liam Perkins
1999 - 2000	Nathan Allaway	2010 - 2011	Toby Upsall
2000 - 2001	Corey Purser	2011 - 2012	Jake Moore
2001 - 2002	Tony De Kwant	2012 - 2013	Tyrone Hindmarsh
2002 - 2003	Callum Smith	2013 - 2014	Jamie Grist

2008 - 2009	Corey Thatcher		

Gordon Watson Award

This award is presented to honour Gordon Watson a Life Member and long serving member of the club.

Players are eligible to win this award from U13's onwards. Each run counts as 1 point, every wicket 12.5 points and every direct hit run-out, stumping and/or catch 10 points.

At the end of the home and away season the player with the most points will become the Boys Club Champion and will receive the Gordon Watson Award.

SEASON	RECEIPT	POINTS
2008 - 2009	Alex Barnes	451
2009 - 2010	Alex Barnes	606
2010 - 2011	Joe Inglis	545.50
2011 - 2012	Nathan Alexandre	651
2012 - 2013	Callum Morrell	653.50
2013 - 2014	Callum Morrell	366.50
2014 - 2015	Callum Morrell	357.50
2015 - 2016	Jack Burke	594.50
2016 - 2017	Sam King	491.50
2017 - 2018	Kai Orr	590
2018 - 2019	Lewis Morrell	540.50

Buckingham Award

This award is presented to honour Jim and Leila Buckingham who were the founding members of the club.

Players are eligible to win this award from U13's onwards. Each run counts as 1 point, every wicket 12.5 points and every direct hit run-out, stumping and/or catch 10 points.

At the end of the home and away season the player with the most points will become the Girls Club Champion and will receive the Buckingham Award.

SEASON	RECEIPT	POINTS
2018 - 2019	Sphie Byrne	366.50

Milestones - 50 Games

The following have achieved 50 games this year

Milestones - 80 Games

Playing life member with over 80 games this year.

Milestones - Hatricks

Kai Orr	21	1181	10
Lewis Morrell	10	172	0

WANNEROO DISTRICT CRICKET

Names	Matches	Runs	Wickets
Eva Salisbury	2	6	0
Emma Wilson	4	22	0

STATE INDOOR CRICKET

This season we have had two very talented cricketers selected to play in State Representative Indoor Cricket Teams.

Neither have played their National Competitions yet but everyone at QRJCC is extremely proud of you and we wish you all the best for a fun and successful indoor season.

Congratulations

to Joshua Redman for being selected in the U13s State Indoor Cricket Team and Eva Salisbury for being selected in the Girls U14s State Indoor Cricket Team.
