Club Reports

President's Report

It has been another fantastic year for Quinns Rocks Junior Cricket Club. We won the CJCC Community Award for the second time, we won the Sports for All Awards in Melbourne and the RAC Western Australian Sports Award. It is a terrific recognition for all the hard working volunteers in our club. Toby has had a wonderful year receiving awards on the state and national stage. He was also asked by the WACA to coach the state blind team.

We continue to have more of our players move into the Premier club set up. At this time, many are trialing for the Premier clubs for next season. We wish them all the best in their endeavours. We also had players moved into the indoor cricket arena and representing Western Australia.

We continue to work hard to get an area at Anthony Waring to show our successes. At the time, I write this it has been very frustrating with little support from the Wanneroo Shire. We have tried to organise another meeting to find out the cost of the extensions we require. We followed the direction of the shire but we need a meeting to see what to do next. I thank the shire for recognition of our successes but we need the extensions. I will continue to work hard for our club and the local community.

We had some terrific events this year but our Pink Stumps Evening was an outstanding event showcasing the importance of families in our club. The quiz night

was a lovely evening with the seniors and juniors working together.

I would like to thank our fantastic families for the support of the club. Our managers and coaches have done a super job ensuring our players are prepared for each game and the next level of cricket.

What an absolutely wonderful committee we have. They are always looking at ways to make our club stronger and support our local community. We have a great relationship with the Senior side of the club and I thank Chris and the seniors for their support of the juniors both on and off the ground. I would like to thank the WACA and Inclusions Solutions in particular for the support.

A special thank you to Serena and Toby for all the work they do and for their support of me in my role as President this year.

I look forward to seeing you around the grounds and at events in 2020/21. We are all lucky to belong to a wonderful club made up of fantastic families. Thank you to you all.

Daniel Shortill

Director of Coaching's Report

What a year we have had, with 22 teams playing u10s to u15s this season a massive task was undertaken to not only find coaches and managers but to fit all of the teams onto training and playing grounds.

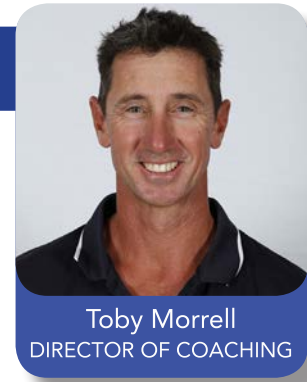

A huge thanks must go to all the coaches for some great training sessions run during the season, we were fortunate enough to have Joondalup District cricket come and run a fielding session earlier this season which was beneficial to all coaches who attended.

Team managers have worked well with our manager liaison officers in Lisa and Linelle, making everyone's cricketing season a good one.

Another great initiative by the club was the extension program run after Christmas, many thanks to the coaches who were apart of this. Peter Byrne, Paul Tulloch, Adrian Reberia, Callum Morrell and also to past Western Australia player Brett Mulder who gave some great advice to everyone there.

The club has had a great year
Bring on next year

Entry Level Programs

This program is arguably the most important program in the club as this is where it all starts and from which our up and coming cricketers emerge. This program is all about children and Parents/Guardians alike all getting involved to make the program the success that it is. The memories each child takes away each week from having their Parents/Guardians involved are memories they will never forget and are what forges their love for the game.

It is important to remember that without dedicated children, Parents/Guardians and our volunteers we have no program, Quinns Rock Junior Cricket Club alongside Woolworths facilitates this program however, it is YOU that makes it a success.

We have again this year grown in numbers which is great to see and a positive sign for the club in its continued growth as this year we had 105 children in the programs. As a club we are very focused on the growth in both Boys and Girls participation in cricket and are very pleased to report a growth in both with our first all-Girls Master Blast team this year. With the continued growth of the club we decided it would be best to provide each Blast program with its very own Coordinator to focus on the running of each program.

For Junior Blast this year, Jayden Perez took on the role as Junior Coordinator and put everything into the running of the program. Jayden you have shown great

enthusiasm with the kids and provided them with a positive experience with the introduction to cricket. Thank you, Jayden.

For Master Blast this year we had Sarah Haggas take on the role with the first 6 weeks being very challenging due to an incident which left Sarah in a "moon boot" for the first 6 weeks of the program. This didn't stop Sarah as her passion for cricket is amazing and each week travels about 30km each way to run the program. Thank you, Sarah.

Both Sarah and Jayden have provided a great program for the children to develop their love for cricket and to play this great game in the spirit it should be played.

I would also like to say a huge THANK YOU to Jon at Woolworths Butler Central for supporting us again this year and providing our Master Blaster shirts and the sausage sizzle at the season launch.

Finally, I would like to thank Debbie and Chelsie in the Coffee Van each week providing many of us with that all-important coffee first thing in the morning.

Nigel Edwards

Girls Cricket

It has been another fantastic season of Girls cricket at Quinns that was made even more enjoyable by the impressive growth of Girls cricket across our North West Metropolitan Association.

At Quinns we were welcoming new players even after the season has commenced and had our largest group of players to date – 6 teams in total. Two U11 teams were fielded who were thrilled by the fact that their division had almost doubled to seven teams. We had to create more colour names for our U13 teams, so we now have Purple, White, Blue and Indigo, and there were a whopping 12 teams in their division!

I am very proud of all our players who greatly contribute to the positive ethos of our club by offering support, encouragement, advice and laughter to each other, and to the opposition. They continue to display the friendly, welcoming, positive and inclusive attitude Quinns girls have become known for and is reflected in the many opportunities offered to our players by the WACA. I am also very proud of the way our U13 teams have supported and nurtured our newest and least experienced players, the Indigo team. Love it!

Our Indigo team are the school-based team from Butler College who came to our club via Team Connect. TEAM CONNECT is a not-for-profit organisation lead by Margie Oldfield from Wembley Cricket club, that liaises with selected schools to provide another avenue for girls to experience this fabulous sport. Team Connect players may not have considered joining a club or even playing cricket prior to the opportunity to play with school friends. It has been a pleasure to be involved with this initiative and getting to know the girls and their families. These enthusiastic, very new to cricket but loving it already girls are an asset to our club. They do us proud each week with their positive attitude and all are keen to keep playing next season. Yay! A huge THANK YOU to JOEL LEDSHAM from Butler College for taking on the role of coach and making this possible.

To our AMAZING COACHES Pete, Eddie, David and Joel for U13, plus Stew and Nigel for U11. THANK YOU for

sharing your knowledge, passion, time and humour with our players. (Stew has promised to do a cartwheel when one of his players hits a six. It hasn't happened yet but there has been plenty of flossing for fours!) With so many parents eager to help our players develop their cricket skills, we also welcomed INSPIRING ASSISTANT COACHES to the mix.

THANK YOU, Tim, Troy, Walt and Suzie. Your dedication to building their self-esteem as well as their cricket skills is a credit to you all. The smaller team numbers coupled with the increased coaching support has resulted in rapid skill development in all aspects of the sport and across all teams. How impressive is that?! Way to go Stingers!

A huge THANK YOU to our awesome PARENTS. Your support and assistance make girls cricket an absolute joy and the success that it is. You help in so many ways, from coaching, assistant coaching and managing, sharing your knowledge and skills at training, scoring, sorting equipment, providing amazing post-match morning teas, and of course chauffeuring players to training and matches.

Season 19/20 also saw the formation of the Girls Coordinators group for our Association. More and more clubs have dedicated Girls coordinators, who are an amazing group of people and we have been meeting every couple of months to discuss all things pertaining to Girls cricket, and to share our knowledge and experience. I have thoroughly enjoyed doing the rounds of the grounds on Saturdays and Sundays, watching our players in action doing what they love and chatting to parents and players too. Playing a game of cricket with and against some of the mums at Sunset Scorcher's has been awesome fun too.

Enjoy the break.

Sophie Gerrick

Sophie Gerrick
GIRLS COORDINATOR

Boys Cricket

Boys cricket has had some great results this season, with a couple of teams just missing finals, the future looks bright with some amazing efforts across all age groups.

Batting has been a race to the last game to see who has hit the highest amount of runs for the year for the boys. This goes to Lewis Morrell who despite playing 2/3 games less than most of the top 10 scored 466 runs for the season in 10 games. Lewis managed to finish the year hitting 5 consecutive scores of 50 or more, fitting in a debut 100 for QRCC senior team, which is a pretty good year. Closely followed by Joshua Redman (u12) hitting 426 runs in 13 games with a top score of 54. Beau Rebera (u10) finished 3rd with 410 runs and also finished second in the bowling with 25 wickets. The top spot was taken by his team mate Josh O'Hare with 29 wickets. Cameron Houghton also U10 took 24 wickets which included the only two 5 wicket hauls for the boys this season.

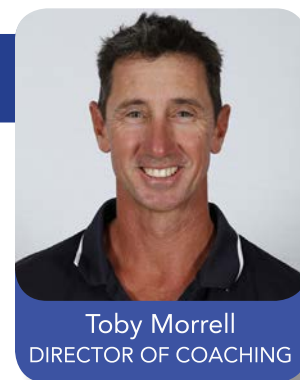

Fielding one of the most important facets of the game Lachlan Johnson was the man, I would suggest to opposition teams to not hit the ball near Lachlan as you will be disappointed, a great performance of 12 catches and 6 runouts in 11 games is a pretty good effort.

With no fewer than 12 players scoring 50 or more and 19 players taking 4 wickets or more the future looks bright for Quinns boys cricket.

A solid season by all the boys with every team having some really good wins and a lot of improvement across the year.

Looking forward to what the group can bring next season

Toby Morrell

Integrated Cricket League

The Quinns Rocks Junior Cricket Club is an inclusive club that caters for all levels of ability. We offer the Integrated Cricket League program for high school aged children with a disability.

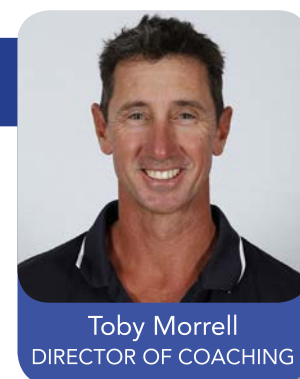

Our Integrated Cricket League players train for one hour on a weekday afternoon. They also participate in matches against other Integrated Cricket League teams. Games last approximately two hours and are played every three weeks, usually on a Sunday afternoon.

As a Club, we are dedicated to running a fun and safe program where everyone feels welcome. Our Club provides all the equipment that players need, both

for training and games. Parents only need to purchase uniform, inclusive of a match shirt, club hat and white cricket trousers.

Our Integrated Cricket League Coordinator is willing to meet with your family, to answer questions and discuss any concerns that you may have. That way, we can help to ensure that we provide the best possible experience for your family.

Toby Morrell

StarBlast Program

The Quinns Rocks Junior Cricket Club is an inclusive club that caters for all levels of ability. We run the StarBlast program for primary school aged children who have a disability.

The StarBlast program is run in conjunction with our Cricket Blast and Master Blaster programs.

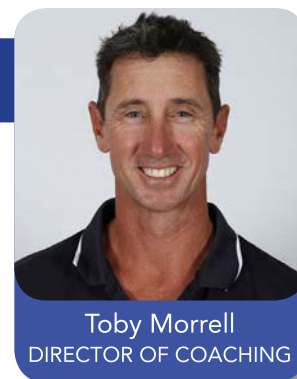

As a Club, we are dedicated to running a fun and safe program where everyone feels welcome. We provide specialised equipment and focus on skill development. We have a designated area for the StarBlast program so that we can cater for everyone's needs and each session always ends with a game.

Our award-winning program has been recognised

nationally by Cricket Australia. It runs for 1 hour each week on a Saturday morning and we would love for your child to join in the fun and to become a StarBlaster!

Our StarBlast Coordinator is willing to meet with your family, to answer questions and discuss any concerns that you may have. That way, we can help to ensure that we provide the best possible experience for your family.

Toby Morrell

Player Leadership Group

This season the Club introduced the idea of a Player Leadership Group (PLG) to give the players a voice and an opportunity to share ideas to help improve the Club. Each team from Under 13's up nominated a player representative to be a part of this group. It is my pleasure to congratulate Mitch Anderson, George Salisbury, Polly Phillips, Sasha Gerrick, Olivia Russell, Bailey Holding and Percy Kelly on being nominated by their Team Coaches.

During the season, the PLG have met to discuss ideas with their teams and then met as a group, working together to make their ideas a reality. One of the group's ideas was to introduce a Club Fun Day or perhaps a Day Night match where different teams could come together. As a result of these discussions, the Club has altered the format of its Pink Stumps Day so that involved the whole club, not only boys and girls, but their families as well, making it a very successful family event.

Moving forward, some other ideas of the PLG have been an upgrade to the boys playing tops and bringing players from different teams together during pre-season training.

*Back Row: Sasha Gerrick, Olivia Russell, Bailey Holding, Percy Kelly
Front Row: Mitch Anderson, George Salisbury, Polly Phillips*

I have been so impressed with the maturity and inventiveness of these young players and it has been a privilege to work with them this season. We believe that this approach to player leadership is the first of its kind in Western Australia, and the Club looks forward to seeing how the PLG continues to evolve in coming seasons.

Alison Byrne

Player Leadership Group - Coordinator.

Pink Stumps Carnival Weekend

At Quinns supporting the McGrath Foundation is an important part of our culture. The Foundation provides invaluable support and care for those experiencing breast cancer. The money raised is used to fund breast care nurses who are available to help individuals and their families for free.

Our Pink Stumps Carnival Weekend began as an idea from our Player Leadership Group (PLG). They identified the need to have a whole club event, something where boys and girls could play cricket together for fun. So, it was put to the committee that perhaps our annual Pink Stumps event, previously focused on girls' cricket could become such an event. The committee loved the idea! It was decided to link in with the Sunset Scorchers league as their format of cricket is perfect for cricketers of all ages and abilities, and to create a family fun night. The Morrell Cup, the annual U13 Girls derby and a celebration of Girls Cricket would continue to be part of our Pink Stumps celebrations. It is named in honour of our club's Director of Coaching, Toby Morrell in recognition of the key role he played in the establishment of Girls Cricket at Quinns. We also wished to create a totally inclusive event and invited all junior teams and our Blasters to Pink it up on their gamedays and make a gold coin donation. So, the resulting carnival has been an amazing collaboration of the PLG, the Sunset Scorchers and our Junior club.

The Family fun night

There was a sea of pink on the night, much fun and laughter, awesome cricket moments, great music, a night off cooking dinner and much generosity. The many photos on Facebook speak volumes. A huge thanks to Alison Byrne (PLG - leader) and Debbie Goldberg (Sunset Scorchers coordinator) for their assistance in the planning and coordinating of this night. A huge thanks too to all the amazing committee and club members for their help on the night - buying stuff, delivering stuff to the venue, setting up the fields, pinking the grounds, running the kiosk, dressing in a tutu, umpiring, DJing, cooking sausages, donating raffle prizes, selling raffle tickets, getting the lights working, returning keys, baking sweet treats, making live videos, and cleaning up at the end of the night. The Spirit of Cricket and the Spirit of Giving was alive and well.

Thank you also to our Club sponsors - Jodiy Bondini

from Bouncers for donating sets of pink stumps. To Allyson Pedley from Price Advertising for donating the gift basket raffle prize.

Thanks to Kristee and team from Inclusion Solutions for joining in the fun. Our club's partnership with your organisation has turned into a friendship. Thank you also to our special guests. Mayor Tracey Roberts who addressed the crowd and presented the club with a certificate of appreciation for the great work our club is doing. Our friends and supporters from the WACA, Niki and Tayla who brought along guest player Matilda Carmichael. Matilda mingled with the families and joined in a game or two.

The Morrell Cup

This year's match was Purple Vs Indigo. The girls all loved getting pinked up - pink hair, tutus and fairy wings added to the fun. The match was played in great spirit with much two-way encouragement and was celebrated with a post-match pink morning tea.

Junior games go Pink

It was fantastic to see so many teams take up the request to Pink up their games. However, the outstanding team award must be presented to U10 Navy and coach Haydn. Not only did the players look smart with Pink Stumps caps and bandanas, not only did coach Haydn rock his pink tutu and wig, they have also raised a whopping \$600 plus for the McGrath Foundation.

THANK YOU so much Quinns families for your support and generosity. The feedback we received about the Family Fun Night was that it was A HUGE SUCCESS!!!

Total funds raised are just over \$1900. The drizzly weather on the Saturday morning resulted in Blasters being cancelled so we could have raised a little more. It would be great to set a target for next year, perhaps \$2500, and start collecting donations earlier.

We are very much looking forward to next year's celebration.

Cheers

Sophie Gerrick

Coach : Toby Morrell

StarBlast went into year 2 of the program and while we didn't get any bigger as a program we had a lot of fun.

Skills have improved immensely this year, so much so that at our end of session cricket games, myself and parents were chasing far and wide after a lot of cricket balls.

To round off our season, our last session was a great morning had at the WACA. Where we got to see all the other great starblast kids having a lot of fun.

This season has been extremely enjoyable on my part and I feel privileged to be a part of such a great group of people.

Roll on next year.

Toby Morrell

2019/2020 Season

Junior Teams

Coach : Toby Morrell
 Manager : Sharyn Sallermann

Wow what a year we have had, the boys came back raring for cricket season to start and were greeted with the news that we would actually be playing games against other clubs.

A great effort by 4 clubs to get the program and competition up and running. Skill improvement and fun were the objectives this year and boy did we do both of those.

As the team learnt about winning games they became

very competitive challenging each other to score more runs and take more wickets. There were regular sixes and fours hit, plenty of wickets and even some great catches. The enjoyment the boys got from each others cricket was great to watch.

A thank you to Sharyn for managing the team and also to Callum who was as much a part of the team as everyone else and a great assistant coach.

A team easy to coach and enjoyable to coach, I can't wait for next year.

For all of the kids, this was our first year of playing this form of cricket.

Our first game of the year left us a bit shell shocked as to the level of cricket that we would be up against. But the improvement in the team from that first game to now has been huge.

We won our second game and have come close to winning in a few others. With a bit of luck, I believe that these could have gone our own way as well.

The improvement has been there for all to see, not only in batting and bowling, but with all the skills involved with cricket. Our fielding and running between wickets have improved out of sight.

I believe that the improvement has come from the great attitude the boys show at training and the great camaraderie they have with each other.

Finally, a big thanks to Dave our team manager for his work behind the scenes, to all the mums and dads that have helped throughout the year with setting up, scoring and cheering on our team.

Last but not least, a special thanks to all of the boys. You guys have made this a terrific season to be a part of. You are all great and I hope to see you all again next year.

Cheers,

Glenn Willis (Willie)

2019/20 QUINNS ROCKS JUNIOR CRICKET CLUB **UNDER 10'S WHITE TEAM**

BACK ROW: Adrian Rebeira (Coach), Rudraksha Brahmabhatt, Liam Barnes, Zen Van Winden, Max Middelbosch, Kevan O'Hare (Team Manager)
FRONT ROW: Josh O'Hare, Beau Rebeira, Timothy Edwards, Steven Spadaro, Caden Sangwin

Coach : Adrian Rebeira
Manager : Kevan O'Hare

What a fantastic year the Under 10's White team has had.

This was my first year as coach and I could not have enjoyed it anymore. The boys were amazing all year, each bringing their own style and energy. It's been great to see each and every one of them improve and develop their games in their own way with the support of each other. I'm proud of the way they all helped create a very positive team environment in all aspects, but especially when fielding. The support and encouragement they gave each other was great to experience out in the middle with them. This was matched by celebrating each other successes too.

There were so many highlights throughout the year from Max's great catch and wicket keeping to Steven's wicket taking ability and dancing worm. Liam was always the man to turn to when I needed to know what over it was or how many balls left in the over. His batting and bowling improved greatly throughout the year which was matched by his fantastic team attitude. Rudi was by far the coolest in the team always sporting the latest styled haircut and Indian shirt to training. His game took great strides this year and his power hitting become a feature each week. He just needs to remember to run through the crease so not to get run out! Caden's game improved all year which was fantastic to see. While we waited for Tim's broken arm to heal for the first half of the year the way the team welcomed him back was awesome. He put in some great performances with both bat and ball too. Josh's bowling was amazing all year leaving batsman from every team

wondering how to keep him out. His batting improved all year and his style and flare with the bat will hold him in great stand for the next few years. Beau was always keen to get the win and often top scoring hitting 6 six's for the year and countless 4's too. Being the only left hander in the team helped, often picking up wickets when the team needed them. Last but certainly not least was Zen, the level head and calm one in the team who's batting was beyond his years. He valued his wicket and played straight all year. He is very well set up to become a hard man to get out in years come. His bowling was great and often very unlucky not to pick up more wickets. A massive thankyou to Will for always being at training and playing some games too when we were short. Was great to see you get your first wicket in under 10's caught by your brother Josh.

Thank you guys, you did myself, Kevan and all your parents very proud.

A massive thank you must be said to our manager Kevan who went above and beyond all year. He had our team running like a well-oiled machine very week, and while I might be biased believe his Facebook match reports where the best in the club.

We were also very fortunate to have a great bunch of parents always willing to help out at training and game day. The support all the parents gave not only their child but the whole team certainly helped foster our positive team culture. You all made my job easy and I thank you for that.

I hope to see you and all the boys back next year.

Adrian Rebeira

Coach : Gary Donnelly
 Manager : Dee Weller

Congratulations to all of the Under 10's Black on what has been another fantastic year. I was lucky enough to coach again with most of the team in their second year, plus a couple of new members added to our squad. It has been very pleasing to watch all players grow this season and really start to understand the challenging nature of the game cricket!! Every Sunday, the boys put into practice the skills they have been learning during the week and watching them experience the highs of achievement and success, truly puts a smile on my face.

It was great to have Dee as manager again and, as always, the parents have been more than willing to help out at training and on game day. Thanks for keeping us on the straight and narrow Dee and always having plenty of cold water, much appreciated. Thanks to Neil for scoring and always letting me know how many balls in an over (it can be tricky at times). As a team we strived hard to improve our skills on the field focussing on

- Throwing hard, straight and accurate,
- Running between the wickets with purpose
- Hitting balls for 4 when they are in the "honeypot"
- Bowling accurately at the stumps to give us the best chance for success!!

We have had some fantastic individual performances this year with Joe hitting his first ball of his innings for 6 over cover (first 6 for the team) as well as Cameron taking 6 wickets in 3 overs, all bowled.

Cameron has developed into a real quick left arm bowler, always challenging the batsman, and has got over 25 wickets for the season. He has a great eye with the bat scoring over 150 runs, although not yet reaching his goal of hitting a 6, which I'm sure is just around the corner.

Blake is never short of some advice for me and is always putting up his hand to put the keeper's gloves on. He shows great positivity with the bat and is not afraid of trying the ramp or going reverse. He has a great set of fielding hands and a strong arm in the field.

Jax has come a long way since the start of the season. Working

with him and helping him discover that when he applies himself, he can really enjoy the game and find great success, has been a pleasure. He's had a few nice wickets while bowling as well as hitting some great 4s with the bat.

Joe has always amazed the crowd with his attack on the ball while batting, scoring over 175 runs, and his unique left arm fast spin has kept the batsman guessing. He has continued to challenge himself every week and his humble and well-mannered approach makes him a pleasure to coach.

We have had many direct hit runouts from **Connor**, 2 in one over was a great reward for being on the ball. Connor has also worked hard on his stance batting with some great connection on the ball. His bowling has improved with him focussing well on accuracy.

Joel is learning the elegance of the late cut amongst many other shots all around the ground. He has scored over 150 runs and has very strong fielding skills. His running between the wickets has improved out of sight, with him often running so fast he nearly overtakes the non-striker!

Zac has worked very hard on improving his bowling this season by keeping his elbow locked straight and never backs away from bowlers bowling at speed. Zac has learnt to get into the power position while batting and has quickly become a team favourite.

Rylee is starting to develop a great free swing with the bat and when he connects, he has the power to hit long and straight, resulting in several boundaries for the season. Rylee really enjoys the comradery of the team environment and is always the first person to come and check on a teammate should they take a heavy knock.

Tate has been superb with the bat and shows great leadership skills with much encouragement for his teammates. He is developing some challenging spin bowling, landing some great deliveries. He always announces his arrival with a big "NICE Gary!!!!" And really enjoys his game day.

Well done to all the team, looking forward to achieving more goals with you all next year!

Coach Gary

Coach : Haydn Williams
 Manager : Wayne Hinton

As my first year as a volunteer coach, it was a great privilege to have been associated with such a great group of boys with superb support from parents throughout the season. Having such fantastic support made the whole experience such an enjoyable one. Without the unbelievable efforts and organisation from our team manager, Wayne Hinton, my experience and certainly the boys would have been far less smooth and a lot more complicated.

To be part of such a well organised club, completely run by volunteers, is mind blowing and our appreciation as a team to them to create such a smooth and enjoyable game week after week is unprecedented.

As for the boys performances throughout the season, it has been nothing far from remarkable with every player improving dramatically week after week through commitment and hard work at home, training and games. From us bowling numerous extras per over in our first few games to restricting that to less than that per game.

There were so many highlights to remember throughout the year but for me to see the team come together as friends, enjoying the game for what it is, playing in the correct spirit and walking off with big smiles after giving a 100% performance is enough for me.

 Manager : Peter Ainley

It was great to see all of the same faces returning for another season of cricket. Throughout the season they have been able to build on the friendships developed in previous years.

The team have worked hard throughout the season, pushing each other at training to improve their skills. This has transferred to the weekends, where the boys have all experienced success, both individually and as a team. They are always enthusiastic, constantly providing words of encouragement and keen to celebrate when taking a wicket.

When bowling, the boys have managed to become much more consistent, reducing the number of wides and no balls as the year progressed. They have also worked on their tactics, not only looking for ways to

take wickets, but also to reduce the batsman's ability to score. With the bat, the plan has always been to defend the good ball and look to score off the others. A good shot doesn't always have to score runs. Saying that, the team did manage to play some exciting and creative shots, posting some good scores. Everyone is confident and eager to test their skills next season when they move up to U/12.

At big thank you must go out to Pete Ainley for his fantastic efforts as Team Manager. He was always quick to suggest a beach training session on hot evenings or a visit to Optus Stadium or the WACA to watch the professionals play.

Also, thanks to all of the parents for their help each week setting up the tent, scoring, providing fruit and cheering on the team.

Russel Cowap

BACK ROW: Kane Rhodes (Asst Coach), Tyson Rhodes, Jonre Van der Schyff, Will Parkinson, Phillippe Sjoland (Coach)
FRONT ROW: William Vokes, Ryley Sjoland, Archie Calverley, Christopher Vaz, Lachie Dymock
 Absent: Billy Cahill-Amy

Coach : Phillippe Sjoland

Assistant Coach : Kane Rhodes

This year has been my first year as a coach and honestly coming into our first training session I was just a little nervous, but after meeting the boys and their parents I knew I had no need to be. I was glad I took on the challenge.

Right from the word go, the boys seemed to gel like they have been together for years, not like they had just met for the first time. Their enthusiasm for friendship was just as strong as their enthusiasm for cricket.

My main goal for this season was to ensure that a lot of fun was had on and off the field and playing with the spirit of cricket in mind all whilst honing their skills. And I think it made all the difference, transferring in great successes on game day. Some games were tough going but to the boys' credit they continued to try their best and never let up till the final ball was bowled.

The skills of all the boys have continuously improved

all season with the batting and bowling stats showing exactly that, with a few of the boys hitting their highest scores into the high 20's and early 30's!! The bowling has been a highlight too. They continuously troubled the batsmen, with one hat trick and even a 3 wicket maiden over !!

Our training sessions have run very smoothly with the help of Kane our Assistant Coach, his help and knowledge has been invaluable, and I thank him for all his help. Even doing it tough standing out in the middle umpiring when he needed to.

Game day would not have been so easy if it wasn't for the help from the parent group.

Thank you all for your help, it made my job so much easier.

I have been very lucky to have been able to coach a great bunch of boys this year and am very proud to see how far they have come this year.

 Manager : Heather Bird

The Under 11 Black Team were a pleasure to coach in my first year as a coach at QRJCC. It was our first season playing together as a team, although a couple of our players had played last season with the club.

It has been great to see the development throughout the season and the improvement shown with time, in the early days we lost 17 wickets in an early game to only lose 5 wickets in one of our final games. For this I would like to commend all the players in their constant improvement of skills and dedication, which they would bring to the games and would see in catches, run outs and brilliant pieces of fielding.

I must highlight a few points on the team's players:

- Caden - a great bowler and fielder and would hold his own with the bat.
- Tallan - one of the teams fast bowlers who took some smart wickets this season.
- Eli - a pace bowler who has also improved his spin, he also helped stump and run out the opposing team on numerous occasions.
- Malik - scores runs, takes wickets and in the field had a creditable amount of catches.
- Danilo - had a great run rate hitting numerous '4s' and also took wickets.
- Johan - a general all rounder who's bowling has vastly improved, always chasing runs when batting and a great fielder who had catches, run outs and played well as a wicketkeeper.
- Luke - slow bowler but was always on target which would

either lead to a wicket or catch in nearly every game. Vincent - his fast bowling got faster as the season went along creating wickets and catches; when he was batting he was chasing runs; when fielding he would take run outs and stump opposing players.

James - when he went into bat you knew he was going to get '4s' & '6s', when bowling he took wickets from his fast paced bowling and was good on the oval in all aspects of fielding.

Hanjo - his confidence grew in stature as the season progressed, he got runs, wickets and played well as wicket keeper, he would chase ball to prevent it reaching the boundary when fielding; a great all rounder who listened to instructions.

We were lucky to have a great bunch of parents who were a great support for the team and had no issues with scoring, bringing the refreshments, setting up the gazebo and of course cheering on the team. Also a big thanks to those who helped on training days and game days setting up the oval and helping boys with warming up.

A big thank you must go to Heather Bird, her effort as a Team Manager made everyone's life so much easier.

Simon Maloney who was a joint coach and made every training when he wasn't away as a FIFO - thanks for your part, kids loved beach training.

The boys made me very proud, the season is always a success regardless of results on the field and I look forward to the next part of the journey and of course next season will not come quick enough for some.

Antony King

Coach : Stewart O'Connor
 Manager : Sarah Haggas

It's been a fantastic season of cricket for the U11 Purple Girls Team. This year we focused on teamwork and what it means to be a part of a team. This included trips together outside of training and games. We went to WBBL & BBL games, we had a trip to Bradbury bat makers in O'Connor and to Southern Cricket to face the bowling machines. At the end of each training session the girls walked around the oval together as a team. It's been great watching them come together and I'll be keen on seeing how this develops over the coming years.

We had 2 girls make their debut for QRJCC, Tish and Mairead. I've been so impressed with their dedication and how they've become such a big part of the Purple team. Tish has taken 3 catches for the year and has been fantastic with her energy at both training and in the games. Mairead has come a long way from where she started. So much so that she has been one of the teams most economic bowlers in the second part of the season. Mairead's best bowling was 1/3. I hope both girls have enjoyed their first season.

Each girl has worked hard on their personal and team goals. Some of their highlights of the year, Lilly bowled 3/12 in game 6 and has been one of the most consistent players in the team. She has trained hard and has been an integral part of the team. Zoe again has shown off her bowling skills with one game she bowled 1/0 in

game 4. Her awareness with running between wickets has been awesome. Eliza set her sights on achieving her highest score, which she did in game 7 with a 15. She also wanted to hit her 1st four. Once she did it was a regular occurrence. Eliza has been scoring runs on all parts of the ground.

Delilah's bowling was a highlight for the team with one of our best wicket takers. In game 13 DJ bowled 4/11. Hannah has worked extremely hard on all aspects of her game which has shown in her overall improvement throughout the season. Hannah's high score of 11 in round 11. Both Hannah and Ella have excelled in their wicket keeping. Ella has also hit her high score of 15 in round 5 and has worked extremely hard on her bowling. I am proud of all of the girls and what they have achieved throughout the year.

We would like to thank the Girls U11 QRJCC White team for having us join them at a couple of their training sessions. It was always great fun playing against them throughout the summer and it was awesome to see them have such a fantastic season.

Thanks to Sarah (Manager), you have done a fantastic job organising everything throughout the summer. To all the parents that helped with scoring, set ups, training and all the other things throughout the season. Not only did the kids have fun I believe all the families had a great time hanging out together as well.

Stewart O'Connor

2019/20 QUINNS ROCKS JUNIOR CRICKET CLUB
UNDER 11'S GIRLS WHITE TEAM

BACK ROW: Nigel Edwards (Coach), Georgia Edwards, Adilene Phillips, Grace Zanoli, Lucia Griessel (Team Manager), Jay Zanoli (Asst Coach)
FRONT ROW: Rachael Edwards, Poppy Leitch, Olivia Embry, Benita Griessel, Indy-Mae Bartlett
 Absent: Lucia Griessel

Coach : Nigel Edwards
 Assistant Coach : Jay Zanoli
 Manager : Lucia Griessel

Well first I would like to say to Benita, Georgia, Adilene, Rachael, Grace, Oliva, Poppy and Indy-Mae that I am so proud of what you have all achieved this year as a team along with your individual achievements.

My role this year as coach was made so enjoyable with the continued dedication to training displayed by these girls. Their progress has been astounding throughout the season and this has been largely attributed to the girls effective listening to directions during training and then implementing their knowledge while working on skill development. I have centred a lot of my training sessions on the fundamentals of cricket and the importance of protecting their wickets when batting and developing their shot selection along with positive and confident calling when batting. This has allowed us as a team to average more than 100 runs per game and scoring more than 1200 runs for the year which is the second highest in the competition.

Our bowling has been a strong part of our game this year with the side taking 70 plus wickets for the season. We have managed over the year to reduce our no ball count to single digits which has been an amazing effort and again the second highest number of wickets taken by any team in the under 11's competition.

We can look at different measures to review the season as we reflect on our team efforts for 2019/2020. The percentage of games won is high as we have achieved around about 90% of games won for the season. Statistically speaking, we can also look at the skill level improvements of each of the girls as individuals and as a team which indicates consistent growth and development. From the start of the year to the end they have continually

shown progress with their personal ability, self-confidence, teamwork and sportsmanship. The way they approach each game and playing it to the highest possible standard along with playing in the spirit of the game is something that as a coach I am proud of and as a team, they should be very proud of.

To all the parents who have helped over the year scoring, assisting at training, assisting with warmups and throw downs on game day, ensuring we have batters ready and padded up, a sincere thank you. The positive encouragement you have provided each week to all players from either side has been outstanding, even down to learning the names of the players on the opposition and offering encouragement all round on game days. These jobs and positive actions are critical with the running of the team so THANK YOU all with helping and supporting the team over the year.

Special mentions to Lucia for being the Team Manager this year as you have been outstanding in doing all the background organising to allow me to concentrate on coaching. To Jay for being Assistant Coach and helping over the season. To you both a big thank you.

In closing I would like to again thank the Girls for their efforts over the year and wish them all the best next year and every year after that.

Hope to see you all back next year. Well first I would like to say to Benita, Georgia, Adilene, Rachael, Grace, Oliva, Poppy and Indy-Mae that I am so proud of what you have all achieved this year as a team along with your individual achievements.

Hope to see you all back next year.

Nigel Edwards

Coach : Jozef du Preez
 Manager : Marika du Preez

The season of 2020 was full of highs and lows for me as a Coach. Being my first coaching job I have learnt so much along the way. Our boys love their cricket and it is encouraging to see how far they came this season.

Our boys showed resilience and perseverance throughout the season not withstanding the fact that we were impacted by injury and unavailability to key players and I have no doubt that our team will be very strong in years to come. A great example of this is that more than 50% of the team did not know much about the game and had a very solid year.

Speaking of achievements, our playing group this season has produced its fair share of accomplishments:

New players who continued to grow and have an impact on the game.
 A memorable away win against Joondalup.
 Great attendances from parents, grandparents and friends at all games.
 Team spirit commended by opposition coaches on several occasions.

It was a memorable season for us all but all in all we developed a lot and it gave the opportunities for new players to love and enjoy the game of cricket.

All in all it was a year of learning a new game, developing on existing skills for myself and players and that is what local and successful team are built on. We are very proud of what our boys achieved during the 2020 season.

Hope to see you back next season.

What a fantastic year for U12 White

Stepping up to “real” cricket this year meant the boys had to adjust their game, from confidence building reckless abandon to valuing their wicket.

It was a rocky start for some, but all the boys worked on their technique and concentration and I’m very pleased to report that each of the boys at one point during the season retired not out after facing 30 balls.

Our mantra through the year was “Never give up” and this was exemplified by my highlight of the year, our game against Joondalup Kinross.

Batting first we were down 6/58 (including a double hat trick!). But we didn’t give in and finished our innings 7/206. Some excellent bowling saw us win the game by 80 runs.

The fortitude of the boys batting, and the encouragement shown by their teammates was really heartening.

Thanks to Phil for managing and filling in coaching when I was away, and to the entire parent group for making it so easy throughout the year. A real team effort!

All the boys have grown throughout the year and I’m sure will come back bigger and better next year

David Glynn

Coach : Dave Bathurst
 Assistant Coach : Steve Hill
 Manager : Shevonne Hill

It was my pleasure to coach the Under 12 Black team for season 2019/20. We had a fantastic year with the focus on everyone having a go and having fun! We had some great wins, a few losses and some close games that just got away.

There were many highlights throughout the year with some fantastic batting, bowling and fielding. Coming up from under 11's we started the year focusing on not getting out which developed into not only not getting out but also scoring runs. With the ball the focus was on line and length and taking wickets. In the field the emphasis was on supporting the bowler by walking in, backing up and stopping the ball even if you can't catch it. It was great to see the continual improvement in not only individual players games but the improvement of the team as a whole over the season.

The core group of boys have known each other and played together for the past few years. We also welcomed into the team two new players who fit right in. I can honestly say they are a wonderful group of boys to coach, well-

mannered and respectful. After games I often talked about the spirit of the game and I am very proud of how the boys conducted themselves on the field, as representatives of QRJCC.

A highlight of the season off the field was before the Christmas break the team traveled to Optus Stadium together to watch the Scorchers beat the Melbourne Renegades. All the boys and the dads that attended had a great time.

A special thank you to Steve Hill and Dave Dunseath for attending every training session and helping them run smoothly and be enjoyable for the boys. Furthermore, thank you both for doing square leg umpiring each week. Thank you to Shevonne Hill for doing a great job as manager and a big thank you to our scorers and all the parents who attended and supported their boys. Thanks also to my son Matthew for helping me every week to set up and carry all the gear around for training and game day.

I hope all the boys enjoyed being part of the Quinn's U12's Black team, had fun and can't wait for season 2020/21 to start!

Dave Bathurst

Coach : Luke Salisbury
 Assistant Coach / Scorer : Dean Sherlock
 Manager : Phillippe Sjoland

I have had the pleasure of coaching this group for a few years now, and they are a great bunch of young men.

The focus this year was learning the intricacies of the game and developing a team game plan. Batting and bowling in partnerships, field placements and working out plans to get the opposition out.

Our bowling attack proved to be our strength again this year with all the boys bowling good areas with a plan. Spin or swing, we have taken consistent wickets in every game.

Our batting has been steady, improving technique, playing both sides of the wicket, and building an innings

the focus, trying to bat our 30 overs.

Fielding has improved heaps this year, with lots of catches taken at slip and gully, some 'screamers' taken and run outs a common theme this year.

Special thanks to Phillippe (manager) and Dean (scorer/assistant) for all their help and hard work.

The Blues are great fun to coach and there is never a dull moment when they are together!

Great season lads!

Luke Salisbury

Coach : Dan Pickering
 Manager : Sonia Moyle

This year the Under 13 white team was made up of mostly returning players with a few new additions to the squad.

We started the season off with a fair bit of promise, with a narrow loss and a good win. From there, unfortunately, we hit a big rough patch and lost most of our games, with quite a few we really should have won. The next step for the boys is to really learn to play as a team and not be pre-occupied with their personal performances and where they want to field. We are learning though, with a couple of great performances when we did play this way, knocking off the third placed Whitfords Blue with our best overall game of the year, and then being prepared to take chances to really elevate our run rate and score at a run a ball off the last 7 overs on a very slow outfield to chase down Whitfords Green in a tight finish.

There was a number of great individual efforts this year, with half of the boys getting their blue caps and

a couple of others coming painstakingly close. We were also fortunate to have three players who made it through to the Joondalup Under 13 District side in Will, Josh and Mitch, with a few others trialling for the Under 14s next year.

Special thanks to Sonia Moyle for putting her hand up to be manager this year and lighten my load.

Thanks to each and every one of the parents for dutifully scoring/providing oranges when it was their turn on the roster. Also a big thanks to Jeff Bailey for lugging the Gazebo around every Saturday and helping out with warming the boys up.

Boys, every one of you has the talent to play and contribute well at this level. When we play together as a unit, there is no reason why we can't be a top 4 team. Keep working at your games and the consistency and improvement will come. Hopefully we'll see everyone back next year for Under 14s.

FRONT ROW: Summer Warren, Ava Harvey, Sophie Byrne, Sasha Gerrick, Stephanie Spadaro

©SPORTS IN FOCUS

Coach : Peter Byrne
 Assistant Coach : Tim Parker
 Manager : Serena Spadaro

Three years into our journey and we've seen our girls continue to go from strength to strength. This year, in particular, we have seen a rapid improvement in our batting, bowling and fielding statistics. Thank you to the girls for the way they approach training – I love the fact that you want to learn, but more importantly, that you want to challenge yourselves to be the best that you can be.

And while stats aren't everything, they do paint a great picture of a team that is learning to play more consistent cricket. Our average score is up, we've improved our highest team score, we've raised the mark for the number of wickets taken in an innings and we've had girls take more catches, smoke more run outs, hit more runs and collect more wickets than ever before - all while having a great time on and off the field. Sure, there's ups and downs in form and wins and losses, but at the end of the day, we're big on the idea

that there's always next week, always another chance to practice and improve and that cricket is a game that rewards effort.

I've really enjoyed seeing the girls watch the game more closely, to study their opponents and to begin to strategize. Their on-field leadership and their encouragement is also the best in the league – by a long way. Keep up that great team spirit girls – it will take you a long way, not just in the game, but as individuals and as mates.

I would like to thank our incredibly dedicated parent group who provide the structure around this team and constant support for my work as Coach. In particular, I would like to thank Serena for her excellent team management skills, Craig for regularly scoring and Graham for taking on umpiring stints whenever possible. I am also incredibly lucky (as are the girls) to have three amazing Assistant Coaches in Sophie, Tim and Troy who are an integral part of moving this team forward.

Peter Byrne

Coach : Eddie Woolhead, Suzie Phillips, Walter Ramage
 Manager : Mandy Butterworth

This season has been a real year of growth for the girls. With most of the girls having several seasons under their belt, we have been able to hone in on developing the players strengths both on the field and at training.

The on field behaviour was the biggest growth area with more concentration and almost no flossing, handstands or cartwheels.

Towards the end of the season we reviewed our rotation system by asking players to nominate the on-field roles they enjoyed the most. The team showed a great level of maturity as they were able to talk about what they did and didn't enjoy about the game - wicket-keeping is not for everyone! Next season we hope to transition to a more specialised batting and bowling team but never forgetting to still have fun and play with integrity. We have also incorporated the girl's ideas into training sessions with some of them leading their own activities from what they have seen on TV, at Scorchers matches

or watching the Australian team train. We have also enjoyed training alongside the Blue team - and made up the numbers to have some scratch matches.

The coaching has been shared this season due to various personal commitments. The club also has their first female coach. The way parents have stepped up to and supported each other has been nothing short of impressive. The old proverb 'it takes a village to raise a child' has been true for us this season. So a big shout out to our parents this year - you have made our team's season one of our best and it has been a pleasure to coach your daughters. And on the subject of shout outs - Mandy our marvellous manager - you always round us up and point us in the right direction with great humour. Thank you for your patience.

We wish all the girls and families a fabulous winter break, keep practicing and look after each other.

All the best,
Walt Suzie and Eddie

Coach : David Russell
 Manager : Ryan Ingram

This year I had the opportunity to coach an amazing group of young ladies. Having never coached before I had much to learn in a short period.

We started the season with a fresh team. From our very first game the girls quickly got to know each other and became good friends and teammates. Karien joined us in round four to complete our side.

Having played many different sports she quickly adapted to cricket and became a valuable team member. Throughout the season we won some games and we lost some. But no matter the outcome they always remained positive. What I loved the most was the encouragement

the girls gave to one another on the field and to the opposing team showing true sportsmanship and keeping the spirit of the game.

This season we had two girls receive blue caps. The first was Talia Cavanagh for an incredible 6/8 from 4 overs and Scarlett Bayes for an awesome 3/10 from 3 overs.

I would like to thank the team manager Ryan Ingram for helping through my first season of coaching and Louise Freeman for taking all of those amazing photos. I'd also like to thank the other parents for their help and support in setting up and packing up.

Lastly the biggest thanks to the girls for making us a fantastic team.

David Russell

The 2019/2020 season as coach of Quinns Rocks Junior Cricket Club U13's girls Indigo team was a significantly rewarding one. Under the guidance of Team Connect WA, Butler College was able to identify 10 girls to participate in an engagement program through representing Quinns Rocks Junior Cricket Club. This link supports adolescent girls to participate in organized sport, with the aim of developing a sense of belonging and commitment to their community. Playing in club uniform and being members of the local club is a crucial part of this program. In relation to Team Connect, cricket is simply a vector for building stronger communities.

From the 10 girls identified, we managed to finish the season with 7 committed and motivated girls. We trained once a week at Butler College with a check in at the beginning of the session where we would discuss events within school that have challenged or upset the girls. The girls would then collaboratively seek strategies as to support the self-regulation amongst the girls. These discussions would be accompanied with afternoon tea and then we would set about the commencement of training with full hearts and bellies. Most of our training sessions revolved around a game training approach, playing various games to assist in skill development and improving cohesiveness amongst the girls, whilst most importantly still having fun! None of our girls had played Cricket until this season, some of which had not even played organized sport other than PE at school, so the hardest task I had with coaching these girls was to do with improving fundamental skills such as hand and eye coordination. Once these skills could be developed, then we were able to move onto batting, fielding and bowling with bowling being our biggest progressive skill. Our first few games were standing starts for the bowling actions, then after a couple of games the girls began running into their bowling, which was pleasing to see. Other teams within the league were also very accommodating in allowing modifications for our girls to ensure games ran smoothly whilst still environmentally challenging.

This observation was reinforced by many of the coaches we had played against in the reverse fixtures who commented that the improvement in the girls had been remarkable.

My most enjoyed moment as a coach of QRJCC Indigo was observing the girls perseverance in the face of adversity. Without a win for the whole season, it didn't stop the girls attending training and game days nor did it dampen the spirits of the girls, who continued to stick together and smile throughout those tough moments and not give up. Morning tea was kindly provided by Cheryl McMillan for all of our match days, which included muffins, cakes and oranges. This, alongside some keen parental support, in arranging transport to various games and cheering the girls on, led to an enjoyable season that the girls did not want to end.

Since the beginning of the program, I have noticed social connections grow between these girls to an extent where they are now grouped together chatting and eating during break times in the College. Physical skill improvement through the exposure of this game has been significant with the games girls are involved in becoming more competitive as the season has progressed. With discussions before and after training, the girls are learning to co-regulate and problem solve with the help of their peers whilst in a safe and supportive environment. All girls will be encouraged and supported to join the club again next season as independent club members. Team Connect will continue to support these girls next season as required.

I would like to take this opportunity to personally thank Margie at Team Connect and Sophie at QRJCC for their continued support and assistance in ensuring my needs as a coach were met throughout the season, from answering texts regarding venue changes at 9.30pm on a Friday night, to providing us with sun shelter on game days to protect the girls and their families. You are both instrumental figures in your organisations and your continued work in strengthening community ties to Cricket should be commended.

Coach : Paul Tulloch

Assistant Coach : Dean Solly, Dan Peacock

Manager : Linelle Peacock

This year we started the year with 14 players, we picked up Arnev,Charl,James and Lucas who added some good depth and personality to the squad.

We appointed a new captain and vice captain this year with Trent taking the top job and with Tommy as his vice. Trent was chosen for his outgoing personality and his 100% commitment to encouraging the team on field and Tommy was a natural choice for his increasing knowledge of the game and his respect from his peers.

We started the year well winning 3 of our 4 one dayers, this moved us up divisions for the 2 dayers facing much tougher opposition for the second half of the season.

We competed well in most games winning 2 of the 5 games and finishing on 32 points just missing out on finals by 2 points.

We had multiple boys play there 50th game this year which is a great achievement for their age.

One of the notable additions to our team this year was `Power`! As the boys are getting older (and taller!) their ability to hit a ball is evident, with the likes of JJ, Trent, Bailey and Tommy clearing the boundary on a regular basis.

Thanks as always to our team of parents and coaches, with Dean and Dan sharing the coaching with me and Linelle making things look easy as usual as our manager (which it clearly isn't).

Well done team,as always its been a pleasure and thanks for the consistant support and encouragement from the team and club.

Paul Tulloch

Coach : Waed Searson
 Assistant Coach : Callum Morrell
 Manager : Lisa Stewart

U15 Blues year started off with some familiar faces, some new faces and some returning to the team after a few years absence.

With the T20's starting our season off, we were shell-shocked and were rolled for 70 in our first outing. Round 2 was a much better showing with a standout performance from Lewis with a quick-fire 53 off just 22 balls. Unfortunately our T20 season didn't get much better, with the boys struggling to go big whilst defending their wicket.

In the 2 day format where batting out your allotted 54 overs is a must if you are to come close to winning, the boys struggled to achieve this leading into the Christmas break and were unable to string a win together, I think they were taking the "go out there and have fun" a little too literal.

The break was just what the boys needed as first game back they piled on 263 runs batting out our 54 overs with the loss of 9 wickets. Another standout from Lewis with 72 off 49 balls in what would become his standout season with the bat. Some great contributions from the team with most reaching double figures with notable scores of 27* from Lachie and 25* from Ivaan, 21 from Zac. We managed to bowl the opposition out for 176 with some great bowling from Percy, Daniel and Michael all taking 2 wickets a piece, this was a great reminder that catches win matches with 9 of our wickets being caught. the following week proved it wasn't a flash in the pan, after rolling the opposition for 108, with some great bowling by all, Mitch 1/3 off of 3, Michael with 1/2 off of 3, Reece with 2/9 off of 3, Jordan with 1/2 off of 3, Daniel with 1/10 off of 3 and Sab with 1/2 off of 1. We went into bat with another decent score of 229 off 52 overs and again Lewis top scoring with a 72 off 52 balls and Lachie with 31. the innings was held up in the tail with Mitch 16* and Riley 19 defending like they were playing test cricket and getting under the oppositions skin with their at times comical banter. After losing

our final wicket, there was 30 minutes time still available to play, we sent them back into bat and kept the momentum going in a standout 30 minutes of cricket that saw us take 5 wickets for just 27 runs with Mitch throwing up some looping pies and taking 3/5 off just 3 overs, with help from Riley behind the stumps taking his first light blue cap with 2 stumping and a caught behind, Lewis and Sab taking the final 2 wickets.

With one more game still being played as I write this, the boys again proved they are heading in the right direction, with 231 off of 50 overs with another half century from Lewis and Lachie finally making his debut 50 for the club with an enthusiastic fist pump from the middle. He promptly retired 50 not out the next ball and walked off with bat under arm. Again this big score was a team effort with contributions from Andrew 8, Reece 13, Matty 15, Daniel 17, Sab 11 and Jordan 14 and Riley again retiring not out in the tail with 7.

Although we did not receive as many wins as we had liked this year, we definitely achieved our goal of always have fun and be better every game. I think all the boys have improved greatly this year and all have set some form of personal best whether it be bowling, Michael's 4/2 off of 3 a special mention or batting Lachie's first 50 and Lewis doing the same with the bat week in week out. Hopefully they all return for their final years of junior cricket.

Special thanks again to Lisa for being Team Manager and ensuring our match days run smoothly and everyone is aware of what they need to be doing.

Again massive thanks to Callum for help with coaching the boys both at training and sharing the umpiring duties on game day.

Also special mention to Brendan for sticking his hand up to help train the boys for the second half of the year, clear indication that we have a great parent group that never had an issue with their jobs whether it be scoring or simply getting the boys to and from training and games. There was always someone volunteering to help.

Brian O'Connor Award

This award is presented in memory of a young man who was tragically killed at the age of 12. Brian was a real trier who put everything into cricket and simply loved to play the game. Brian always showed great citizenship and was honest, polite and constantly trying to improve his skills.

This award recognises the efforts of a 12 year old player who displays these same attributes and sets examples for others.

The Coach of the U12 team nominates a player who he or she considers best exemplifies the values that were displayed by Brian when he played.

Buckingham Award

This award is presented to honour Jim and Leila Buckingham who were the founding members of the club.

Players are eligible to win this award from U13's onwards. Each run counts as 1 point, every wicket 12.5 points and every direct hit run-out, stumping and/or catch 10 points.

At the end of the home and away season the player with the most points will become the Girls Club Champion and will receive the Buckingham Award.

SEASON	RECEPIENT	POINTS
2018 - 2019	Sophie Byrne	366.50
2019 - 2020	Sasha Gerrick	562

Spirit of Cricket Award

Spirit of Cricket Award is awarded to a player based on the following criteria:

- Respect is central to the Spirit of Cricket.
- Respect your captain, team-mates, opponents and the authority of the umpires.
- Play hard and play fair.
- Accept the umpire's decision.
- Create a positive atmosphere by your own conduct, and encourage others to do likewise.
- Show self-discipline, even when things go against you.
- Congratulate the opposition on their successes, and enjoy those of your own team.
- Thank the officials and your opposition at the end of the match, whatever the result.

SEASON	RECEIPT
2019 - 2020	James Parsons

This award is kindly sponsored by Ainley Air Systems.

James' nomination letter:

This kid is so bloody passionate about his cricket, he's dedicated, always polite but most of all, the way he encourages his teammates and offers advice from the boundary each week is beyond anything I've ever seen of kids his age, across many sports!

It's clear his knowledge of the game far exceeds mine (not hard, let's face it!) with shouts like "pick the gap", "more to leg side" or "fielders, move back for this bowler" (I can't even remember the technical stuff so I'm not going to pretend)! He's always right there at the edge of the oval, watching and supporting, when other kids are distracted and mucking about on the sidelines.

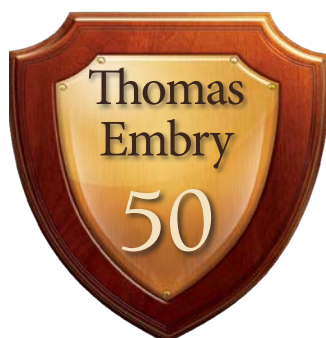

But the most heart-warming moment for me happened one day at training. My boy Luke, by his own admission, is not a good bowler. He's hypermobile, which means his arms are super bendy, they get sore easily and his run up was pretty slow and cumbersome at the beginning of the season. Week by week, James offered words of encouragement and tips to help Luke improve. In the end Luke worked out 8 and half steps was the perfect run up for him and one day found himself bowling to James batting in the nets. Guess what? His bowl snuck past the bat (and James is a great little player) straight onto the stumps! Luke was so frigging excited but then spotted James walking determinedly toward him down the pitch. (Luke told me later he thought he was going to punch him - he plays soccer during winter and has faced some pretty rough and ready opponents at times!) As James neared, and Luke stiffened, James simply stretched out his hand to congratulate Luke on his first ever wicket - with a handshake! Luke was so thrilled, he talked about it all the way home in the car, telling me "I know I'm not the best bowler, but my team don't care, they just give me tips and help me get better".

*If that's not spirit, I don't know what is!
So proud of this team and the club I've somehow fallen into!*

2019/2020 Season

*District and State
Cricket*

JOONDALUP DISTRICT CRICKET *2019/2020 Season*

District cricket was once again well represented by Quinns players with Warrick Pedley captaining the u13s, being a highlight.

The following players all represented Quinns exceptionally well at district level.

Lance Griessel JDCC

Joshua Hendry JDCC

William Pickering JDCC

Lucas Mansfield JDCC

Bailey Holding JDCC

Lewis Morrell JDCC

WANNEROO DISTRICT CRICKET *2019/2020 Season*

Joshua Redman WDCC

Sophie Byrne, Tayla Tasmar, Sasha Gerrick & Stephanie Potgieter have all been selected into the Wanneroo Districts U14 Talent Squad which will compete in the upcoming U14 Carnival this April 4&5.

STATE CRICKET

On a State Cricket level, the club has been well represented with 4 of our players making State teams in either outdoor or indoor cricket.

Joshua Hendry made the U12 WA State Schoolboys team that played in Adelaide
Darren Coyle represented WA Blind cricket team At the NCIC in Geelong.

Tayla Tasmer and Sophie Byrne have successfully trialed for positions in the State U14 Girls Indoor Cricket Team, and have been training with the squad since January. Both girls are eagerly looking forward to the Nationals, which will be held in Victoria from July 4-12 2020.

Congratulations

Joshua Hendry

Darren Coyle

Sophie Byrne

Tayla Tasmar
