

QUINNS ROCKS CRICKET CLUB

Junior Year Book

2015/2016

President's Report

Daniel Shortill

It has been a fantastic season. We started off the year by formally separating from the Senior part of the Club. We are still one Club but we have the autonomy to deal with issues directly involving our Junior players. We have had many wonderful people step up and help out. The Committee this year has done a wonderful job. They are Peter Byrne, Toby Morrell, Jacqui Hughes, Sharon Kidd, Chris Holding, Kat Salisbury, Steve Willis, Andy Paton, Danielle Barter, Stewart O'Connor and Damien Slattery. The great part of this Committee has been that everyone takes on a particular responsibility but that they are also prepared to help out on all fronts. You have been a fantastic group to work with and have positively added to our club. We are always looking for others to join who want to work for the improvement of our children's sport.

This year we added Team Managers to all teams. I believe this has been very successful. I would like to thank all of them for stepping up with the duties of running the team. Our Coaches are also wonderful people and we were in the great position of having so many returning Coaches which meant a very smooth start to the year. We always ensure that we offer training for the Coaches and Team Managers to do their jobs. I do believe we are the only Club that offer all Coaches (free) Level One accreditation. We are in the fortunate position of having two Level Two Coaches in Peter and Toby who work with Coaches and players during the year.

We had over 140 Junior players registered this year – we went from having 9 teams last season to 12 teams this season, so we are steadily growing. We had several teams reach finals and several only just miss out. The improvement across all teams is a treat to see. The players are having fun and continue to develop their skills.

Stewart O'Connor and Serena Spadaro took over from Kat and Luke Salisbury with the In2Cricket and Dylan Sarolea and Brodie Downen stepped up for the T20 Blast. Due to the increase in player numbers, we moved to Kingsbridge, where we could fit the 160 players who registered for these entry-level programmes. It was great to see the continuing family atmosphere on a Friday evening - even though the weather this year was quite challenging at times. We are looking at having a more rapid transition between In2Cricket and T20 Blast as well as between T20 Blast and Under 10's as we believe some players would benefit from moving through the programme a little quicker. Special congratulations to Stewart O'Connor on his award from the WACA for being the In2Cricket Coordinator of the Year for the Northern Region (that's everything north of the Swan River!). A well-deserved recognition.

.../continued

We have been fortunate to have had new Committee members take on new roles. To Chris Holding with Fundraising, Andy Paton with Equipment and Steve Willis with Sponsorship - you have helped put the Club in a very strong position, in terms of both equipment and finances.

The work that Sharon Kidd and Danielle Barter did with Registration and collection of fees was fantastic. We had all fees paid very early in the year which allowed us to have financial direction for the Club. Thank you everyone for getting the fees in so very promptly. I don't believe too many Clubs would have the record we had this year.

This year we had our first McGrath Foundation 'Pink Stumps High Tea'. What a success that was! Congratulations to Kat Salisbury and Sharon Kidd for their amazing organisation which raised over \$1800 for a very worthy cause. Plans are already underway for next year. It is amazing what can happen with champagne and competitive spirits! Thank you to all those who participated.

We have also had many Juniors regularly playing in the Senior cricket teams. I would like to thank our Senior Liaison (and Senior Club President) Damien Slattery, for helping to make this happen, as well as Senior Club Chairman of Selectors, Mark Campbell. I would like to congratulate the Senior Club on their terrific season - to get 5 out of their 6 sides into finals (and the two top grades into the Grand Final) is a fantastic effort.

We are currently working with the Shire and the WACA for the development of cricket in the region. Our Club is growing but we need to ensure that we have the infrastructure that is critical to our success as a community-based Club. We are striving to put effective processes in place that can be easily handed over from one Committee to the next, to make sure the Club continues to move forward each year.

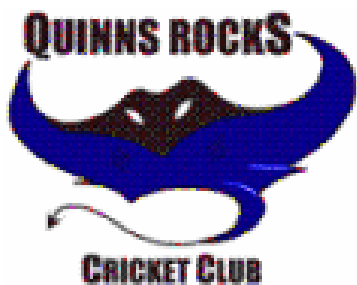

This is the 30th Season for our Club and what changes have occurred in that time! I would like to thank all those involved over those 30 years - it is due to their combined efforts that we originated, survived and flourished. We are now a club the WACA looks to and for assistance with growth in the Northern Region.

Again I would like to thank all those who volunteered this season - without your efforts we would not have a Club. A very special thank you to Peter and Toby - they are terrific people and they are the driving force for the Club and its future. I look forward to seeing you at the AGM on the 7th June and in the 2016/17 season.

Junior Committee

Director of Coaching's Report

Toby Morrell

Well the season is now done and the Club has had a successful year with two teams (Under 13 White and Under 16 Blue) making the finals, with the Under 16's finishing as Minor Premiers and reaching the Grand Final! There were some notable performances across the year - none more so than Luca Anderson in the Under 13 Blue team who took a hatrick! Luca is actually playing up two age levels – so well done! Also, Dylan Rasheed's start to the year in the Under 15's was outstanding, hitting over 50 three times in a blistering start with some big hitting along the way - great stuff Dylan! Jack Burke, new to the Under 16 Blue team this year, also had a very consistent year with the bat, passing 50 four times.

A large number of boys achieved the Light Blue Caps this year for their individual performances. This was really pleasing and was the most Light Blue Caps that we have given for a few years now. It shows us that the boys are improving and concentrating longer - congratulations to all the boys that achieved this! This is something for the players in the younger age groups to look forward to, as these awards become available from Under 13's onwards. This year we have doubled the number of girls we have playing cricket for the Club. While there are only two girls in our Junior teams (Eva Salisbury and Sophie Byrne) there are many more girls in our entry-level programmes and we are hoping that one day soon the Club will have its first all-girls team. All of the girls have really improved this year and we hope they have enjoyed their season.

The thing that has stuck with me this year is seeing the smiles on the kids' faces when they score their first run or get their first wicket or catch. Sometimes it's being there to see the first time that a player reaches retirement and their reaction when they walk off to the applause of teammates and parents. If you didn't know, you would have thought it was a hundred as the kids are waving their bats and saluting the crowd! It is great to watch and it is why we are all here.

To all of the Coaches and Team Managers - you have done an outstanding job and should be congratulated for the time you have put in and what you have achieved this year. Without your efforts, we would not have the boys and girls playing cricket. Roll on next year!

Toby Morrell
DIRECTOR OF COACHING

In2Cricket Overview

Stewart O'Connor In2Cricket COORDINATOR

What a great year for MILO In2Cricket at the Quinns Rocks Junior Cricket Club! With the growth in the number of participants (all aged Under 7) from 45 to 90 a change of venues from Anthony Waring Reserve to Kingsbridge Reserve was needed. We also saw an increased number of girls in the programme, from just 2 in 2014/2015 to 8 in 2015/2016! We were also very lucky to have so many parent helpers each Friday night who were having fun running the games and the skill sessions. I can't thank you all enough for helping out and making the nights so much fun for the kids!

It was great watching the skills of the kids grow over the course of the 10 week programme. By the end of the season there were some huge sixes being hit and at one stage there were discussions of whether or not to extend the boundaries! Also I saw some of the longest bowling run ups I have ever seen in cricket - lots of future Mitchell Johnson's coming through the ranks! I believe that we may have some Scorchers or even Australian players in the very near future!! It was also fantastic to see new friendships being made within the teams. With new friendships and the new skills learnt, the kids' confidence also grew.

It was great to be able to take 16 of the kids out on the WACA on the 1st day of the Australia v New Zealand Test Match this year. It was an extremely hot day and the kids did so well. They loved playing in front of the crowd and I think their parents were thrilled to watch them out there.

A big thanks needs to go out to Serena Spadaro for her help with the teams and uniforms, and to both Serena and Matilda Thomas for running the canteen each week. Also thanks to Serena's husband Sam for his help setting out the fields and equipment each week. It has been a great team effort from the QRJCC Committee, parents and the kids. We are already looking into how to improve for next season and I look forward to seeing you all next year in In2Cricket or T20 Blast.

T20 Blast Overview

Dylan Sarolea

T20 BLAST COORDINATOR

The T20 Blast program at Quinns Rocks Junior Cricket Club has guided the development of junior cricketers and has provided them with experience and skills that they can build upon throughout their cricketing careers. As the T20 Blast Coordinator I have overseen a program that has allowed these junior cricketers to grow and improve their skills over a the 10 sessions. I was amazed how quickly the children were able to pick up the skills being taught by their coaches. This was most evident in the Skills Zone.

The way the children conducted themselves every week shows how much the children enjoy their cricket. At the end of every session I had many children come and thank me for coaching them. However, I can only do so much as a Coach – it is the parents who play a very important role at a community Club. Bringing children down every Friday night can be a hard thing to do and I appreciate the commitment of the parents.

I would like to thank our Parent Helpers for their hard work throughout the season and for their continuous efforts in monitoring and overseeing each game. Without parent support this program would simply not be able to run. I would like to make special mention of Stephen Crewe, Rick Moffitt and Dan Pickering who helped out every week and to all the other parents who volunteered to get involved as the season went on. Thank you very much for all your tremendous efforts.

The Quinns Rocks Cricket Club has grown as a Club this season. Player numbers are up nearly 40% from last season. The Committee of the Junior Club should be thanked for their hard work and all the effort they have put in to the Club this year. Without their hard work and initiatives the Club wouldn't be as successful as it is

I would also personally like to thank all of the children for participating in this program because without them we wouldn't have a T20 Blast program. Finally, my thanks to Brodie Downen for helping me throughout the year with the organisation of teams and the activities within the Skills Zone.

I look forward to working with the children of the In2Cricket program next year, seeing them develop their cricketing skills and watching them become the best cricketers they can be. Personally, being at every session and seeing the improvements in the children gives me great satisfaction as I feel like I am giving back something to the Club which has given me so much.

Reflections

Luke Salisbury UNDER 10 BLUE COACH

First of all I would like to say it was a pleasure for me to coach a great bunch of kids this season. For most, if not all of them, it was their first year out of in2cricket or T20 Blast and into “real” cricket, pads and all.

It was a development year for us and we concentrated on the basic skills to set a good base for the years to come. The improvement shown throughout the year was really pleasing to see!

We worked on bowling 'areas', playing with straight bats when required and running between the wickets, all with interesting results!!!

Thanks to Lori Reid (Team Manager) for keeping everything running smoothly, Pete Byrne for helping out with the technical side of coaching, Dean Sherlock for sorting out the scoring and to all the Mums and Dads for getting our players to training and to games with the right mindset.

Lastly, special thanks to Lori and Mark Reid for doing the BBQ on home games and helping to build a really great team spirit.

I really hope the team enjoyed their first year of cricket as much as I enjoyed coaching them!

I hope to see you all next year.

Under 10 White

Reflections

Steve Kelderman UNDER 10 WHITE COACH

The Under 10's White team this year has been a delight to coach. All of the boys have trained and played really hard. They have all improved all of their cricket skills.

More satisfying as a coach though is the way that they have developed into a team. All of them have supported, encouraged and congratulated each other, every week of the season. Their positivity and encouragement of each other has helped them develop into an even and consistent team.

James	Has really developed since the start of the season and never stops trying.
Luke	Mr Positivity. Always supporting and encouraging his team. Bats well and bowling continues to improve.
Nick	Likes to bowl fast. Good fielder, reads the game well and continues to develop.
Eddie	Consistent all-rounder. Takes wickets, scores runs and fields well.
Matthew	Big hitter of the team (and team larrikin), always having a good time.
Jordan	Bowling and fielding has improved throughout the year and has the best forward defence in the team.
Zac	Another fun loving kid with a big heart. Runs in and gives his all when he bowls and the only player to hit a cut shot for 4.
Jack	Quiet as a mouse but always running around with a smile on his face. Plays some really sound cricket shots and bowls with a good action. Will be a good batsmen and bowler as he gets older and stronger.
Josh	Shane Warne one week and Glenn McGrath the next. Loves to hit the ball in the air.
John Daniel	Gives his all! Plays with a straight bat and bowling has improved.
Brad	Confidence has grown throughout the season. Swing bowler and good left handed batsmen.

Well done to all the players on their efforts this season. Hope to see everyone back next season. Finally, thanks to the parents and other family members for your support, week in, week out in getting the boys to training and the game. Also, your encouragement from the sideline is also welcome when the boys are playing.

Reflections

Toby Morrell UNDER 11 BLACK COACH

The season started with over half of the boys having not played cricket before or not knowing each other very well. So we set about getting us together as a team.

We quickly built a strong team and the boys started to really play for one another. We had some outstanding games as a team and were rarely out-scored by the opposition. We did tend to lose a few wickets though! Our bowling improved as the season went on, with the total number of sundries getting less and less.

All of the boys have improved over the season. And there were some impressive individual performances. For example, Kai was not dismissed all year and finished with over 250 runs, including an innings of 44 not out in the last game. Blake bowled well to take 4/4 in one game.

Some other memorable moments were when Matty let Blake have another over to see if he could get 5 wickets and also his face when he hit his first boundary in the last game of the season. Josiah's excitement when he clean bowls someone is an absolute joy! Lewis and Riley H's consistency with bat and ball has been good for the team. Jordan and Sabtain's big hitting and great bowling has been fantastic! Sabtain always runs to celebrate a wicket (usually from fine leg) - but he always got there to do it. Riley S has constantly wanted to keep wickets and he has improved a lot in this area as well. Aiden hitting his highest score in the last game was another highlight. Ivaan's bowling has improved and it is like watching his older brother bowl (which is a good thing). Liam has worked hard at his bowling and 'when he is on, he is on!' He's also the man to remind me if I've missed anything!

I have loved getting to know the boys this year and we have improved as a team. Many thanks to all the parents that helped out with scoring and also to Wade for helping me out with the boys. Bring on next year!

Reflections

Paul Tulloch

UNDER 11 BLUE COACH

The Quinns Stingrays Under 11 Blue side have had a great season, with almost all of last year's team returning along with some super enthusiastic new players. A testament to the coach and parents is just how many opposing coaches have commented on the team's discipline, sportsmanship and enjoyment of the game.

The improvement of the team over the year has been marked and results have steadily improved as the players' developed their understanding of the game. In fact the second half of the season's result have reflected this improvement and team ethic. It has been awesome to see batsmen learning to value their wicket, play responsibly and shot selection based on the ball bowled. Realising this is a team game where each player can contribute and that the team effort is more important than individual accolades has been a lesson well learnt this year.

A key focus of running between the wickets has seen the scoreboard ticking over as it should - aided by the vastly improved skills of calling and backing up! There is no doubt our concentration in the field and our bowling still needs work. A reduced number of wides and no balls should be a key focus in under twelves, however the improvement over the season has been marked. We now have a couple of really consistent spin bowlers to back up the pace and a number of the new players are learning to swing the ball and bowl a more consistent line and length.

The second half of the season has seen the fielding come on leaps and bounds. Not only catching but the number of run outs from good communication and decision making in the field has been superb.

Our players eagerness to take on instruction, desire to improve and operate as a team with the responsibility that brings has been a delight to see. The guys (and girl) playing for each other and recognising that team comes before self has made this team a pleasure to be part of.

P.S. Our parents / supporters are a pretty great bunch too!

Reflections

Greg Dimery UNDER 11 WHITE COACH

As another cricket season ends it is time to give thanks as Coach of the Under 11 White team.

Assisting the boys and trying to help them enjoy the game has been a pleasure. I have noticed a consistent improvement in both the ability and confidence of all the boys.

I would like to thank Denise Corlett for her assistance as Team Manager this season. Also a big thank you to all the parents for their assistance on match days and at training. Without your help the boys' experience would not have been as enjoyable.

Last of all – to Angus, Ashton, Jack, Kai, Regan, Riley, Taj, Thomas, Tristan, Zac D, Zac S and Will - I have thoroughly enjoyed coaching you boys this season. I hope you all return next season to continue improving your cricket.

You boys performed very well together to enjoy some really competitive matches this season.

Thank you again.

Absent: Lewis Morrell, Connor Donovan

Reflections

Bevin Judson UNDER 12 COACH

This group of boys have come a very long way this year, with massive improvements being shown from week to week. The work they have put in at training and on game days has shown in their performances.

It's been great to see the steady improvements from the individuals enjoying their first season of cricket, who have really applied themselves and enjoyed the time they can bat in the middle. It's great thing seeing the huge smile on the boys' faces when they retire for the first time, knowing they can do it and really trying every time when they step out there with the bat in hand.

The bowling saw great improvements also. When learning to bowl one side of the wicket the boys really concentrated and it showed with a huge decrease in the number of extras being bowled.

Fielding was really good from week to week; the boys caught really well and worked really hard on their ground fielding. We had some great success with a lot of run outs throughout the season!

It's been a pleasure coaching this group of boys. We have had a lot of fun throughout the season. These boys always play with great sportsmanship and fair play. I want to thank all the parents for their support and help over the season – it's been a really great year and I hope everyone had a lot of fun. I hope I see all these young cricketers again next year giving it another crack.

Thanks again to all.

Reflections

Devon Anderson UNDER 13 BLUE COACH

Firstly, a very big thank-you to all those who were involved this year, especially our Team Manager Danielle who kept the team organised all season and also all the parents who helped with umpiring and scoring – without all of you there would be no season! It was amazing to see the boys steadily improve this year, not only physically but also mentally. I know from talking to you all, that parents, players and myself could see this. For me, it was great to see the boys starting to train like they play, and play like they train. My proudest moments were to see them work together as a team, smiling and enjoying their game, encouraging and rewarding each other, sharing great moments, and developing their knowledge of the game.

Highlights of the year were undoubtedly the Blue Caps: Shae (and his red shoes!) for taking wickets, James for his batting (highest game score of the year from a bowler??), Liam for his batting, and Luca (first year playing) for his Hat Trick that involved Dale, Charlie and Mitch! At the end of the season Dale and Charlie were our leading wicket takers (some fantastic bowling guys!), and Liam had our highest total runs. I would also like to mention Cody for his tenacity at all times, Robbie's outstanding fielding (always attacking the ball!), Jayden (first year playing) for significantly improving his batting, Riley (first year playing) for his consistent line/length bowling, Mitch for his run out of the year (wow!!) and Matty for his great improvement in batting and bowling. Well done boys!

Of course, cricket can be a brutal game; sometimes it does not go as planned. But it's not all about MyCricket stats - this doesn't capture attitude and feelings. In the face of a mistakes and fatigue, it takes individuals with strong willpower to bounce back stronger than before and to keep pushing themselves, even in the face of defeat. It is important to be positive and just focus on "the next ball". As parents, this is what we want our boys to be – resilient, persistent, and driven to achieve the best for themselves and their team mates no matter the outcome of the game. I encourage the boys to continue to think like this.

I would like to mention one moment that I found special, and I hope he doesn't mind me saying it here. In one game, Charlie got out for a duck, and walked off the field. As he took his helmet off, I thought he would be mad, but he was smiling?? He had a good laugh at the situation, didn't let it affect him at all - he just talked through in detail what went wrong and what he would do to fix it for next time. This is a lifelong mindset we all need to hold on to! Have a great break and keep up the training for next year boys!

Under 13 White

Neville Joseph, Callum Henry

Peter Byrne UNDER 13 WHITE COACH

This year marks a halfway point for us. Most of the team has been together since Under 10's or Under 11's, and we're now halfway through our Junior Cricket journey – four seasons behind us, and four seasons ahead.

I'm immensely proud of the fine cricketers that are developing in this team. They listen, they learn, they ask questions – all the things that a coach wants their players to do, but most importantly, they believe. They believe in each other and they know that it takes a team effort to be consistently competitive in this great game. Rather than relying on one or two players, our team values the contributions that everyone can make – that dogged innings when wickets are falling, that tight over at a crucial stage, the commitment to push hard on hot days when the going is tough.

This year we saw real reward for effort. We learned to pace our innings and batted out our overs more consistently. We took more catches and pulled off more run outs than ever before. A number of players reached personal bests with bat or ball and achieved their Light Blue Caps. And as a team, we set a new Club record by dismissing Whitfords for just 23. These are really positive indicators of our growing awareness and understanding of the game. It also meant that we qualified for the Semi Finals, which was an experience that everyone enjoyed and will remember.

I know that our players want to keep learning more about the game and that they are keen to continue improving. That's a fantastic attitude to have and I know that cricket will reward you many times over for the hard work that you put into the game and for the time you spend with your teammates.

I would like to thank all of the players and the parents involved with this team for their positive attitude and their ongoing commitment to each other. In particular I would like to recognise the efforts of our Team Captain, Ryan Willis, who led the side with distinction, as well as our Team Manager, Matt Henry, whose support has been invaluable. I would also like to thank everyone who has scored or helped out at training, and a special thanks to those parents who have volunteered their time on the Committee.

There's a great vibe in this team amongst players, parents and supporters. I'm sure that we are going to be treated to many happy hours watching these boys play cricket!

Ross Fletcher UNDER 14 COACH

The 2015/16 season was a challenging yet enjoyable one for the Quinns Rocks Junior Cricket Club Under 14's.

We started the year with 12 players then had only 10 by Christmas! But pleasingly, our batting, bowling and fielding improved throughout.

The boys managed to win one game and that was a game in which we only had 7 players – so a real credit to everyone involved. The boys were very competitive and close to winning in several other games, losing three tight matches by margins of 15 runs, 25 runs and 1 wicket.

I am pleased to say that everyone improved and grew in confidence and that the boys were a pleasure to coach.

Special thanks to Bruce Purcell as Assistant Coach. He was an amazing helping hand. Thanks also to Lee-Anne Guy for being a brilliant Team Manager and to Bob for scoring most weeks.

Thanks also to the Junior Committee for their wonderful support and assistance throughout the season.

Go the Stingrays!

Front (L-R): Jackson Whitehouse, Jasjit Ghataure, Jeremy Crouch, James Hughes,
Anthony Donovan, Zain Afzal, Waris Khan

Reflections

Wayne Clayton UNDER 15 COACH

It was good to see the old faces return for another season of cricket! We lost one or two players but welcomed Jackson Whitehouse & Jack Wasley to our team & also welcomed back Nathan Deeves after he took a couple of season's off. It was a different start to the season for us this year, playing five T20 games before we started playing the 2 Day format. It was a bit of a mixed bag for us and we probably should've finished higher than 4th at the end of the T20 games. Dropped catches cost us dearly in some games but the one that really sticks in my mind was when we dropped 5 or 6 catches in the game against Wanneroo which cost us the match. All that said, I think the boys adapted to the way T20's are played, with the fast flow, and enjoyed playing them. We witnessed some great batting efforts with the ball being dispatched all over the park whilst the boys also held their nerve and bowled tightly. We couldn't have asked for a better start though for the 2 Day format, hitting our highest score for the season in Round 1 of 320 against Joondalup and winning our first 3 games comprehensively. Unfortunately we lost a close one against Kingsley-Woodvale by 5 runs and then backed that up with our worst performance with the bat for the season, making only 84 against Warwick. This was the one that hurt, as it knocked us out of the finals race, missing out by 2 points.

We did have some awesome individual efforts from players throughout the season. Dylan Rasheed was the star with the bat this season hitting 3 half centuries and coming very close to hitting a couple more. Nathan Clayton and Tyron Hindmarsh both also hit a half century. In the bowling department, it was so pleasing to see how much our boys had improved from last season. Waris Khan bowled very well this year and in the last match took 3 very quick wickets in his first spell. Jasjit Ghataure worked very hard on his action and ended up bowling in swingers that moved very late. Zain Afzal bowled legspin, which was turning a lot and was very unlucky not to pick up more wickets. Congratulations to Tyron and Nathan for obtaining your Light Blue Caps and to Dylan for putting 3 more badges on his! Also congratulations to Dylan Rasheed, Anthony Donovan, Tyron Hindmarsh and Jack Wasley for making the Joondalup Districts Cricket Club Under 15's, tasting finals cricket once again, but unfortunately falling short in the semi finals. Great effort though boys, you should all be proud of your achievements this season.

All in all it has still been a successful season for us, finals or no finals. I am still very proud of each of the boys in this side and what they have achieved. Thank you to AI for all of your hard work as our Team Manager - you have done a brilliant job in your first year especially keeping our boys hydrated at those hot training sessions. Thanks to Jason for helping me at training and game day with the umpiring duties and warm ups for the boys. Thanks to Chris for updating My Cricket with our scores. Thank you to the people who have done the scoring duties this year (Chris, Val, Steve & Phil) and thank you to our wonderful parents for their support!

Kate Ferguson
TEAM MANAGER

QRJCC Under 16 Blue 2015-2016

Back (L-R): Blake Budimir, Brock Midson, Callum Morrell (Captain),
Blayne Sweeney, Jack Burke, Connor Heywood, Damien Slattery (Coach),
Byron Reid, Jack Crossley
Front (L-R): Ryan Ferguson, Declan Kidd, Nikhil Eraman, Jamie Downen

Damien Slattery UNDER 16 BLUE COACH

When I was asked to Coach this team, I thought it over for a while; as I am the President of the Senior Club it would be a great opportunity to introduce some young cricketers into the Senior ranks. With the amount of Juniors who played Senior cricket this season, that part was a complete success!

Now to the boys playing Junior cricket in this team. As I have no boys myself and love coaching cricket, the challenge here was to take this group of young men into their first finals. These boys have been together as a team for quite a while but had never played in a final. With a couple of new players this season, I had a great number of talented players to work with.

As I said to the fellas, I can't teach players their age much more about the basics of cricket, but I can teach them how to get wickets and runs, but most importantly, to enjoy the game and play as a team. And that is what happened, with the team only losing only one game in the home and away season. Finishing as Minor Premiers, the boys had succeeded in what we set out to do. We won the Semi-Final against Kingsley-Woodvale with a great batting display from Ryan and Jamie who got us over the line.

On Grand Final day, the boys were excited to be there. Callum won the toss and we put on a very respectable score of 175, with Jack B top scoring with 78 retired. We had Joondalup 1 for at stumps on the first day. While I felt good about our chances of rolling Joondalup on day two, it was not our day. We lost the Grand Final, but if you'd said to us at the start of the season that we would be Minor Premiers and Runners Up, then I would have taken it!

I would like to thank Kate for being the Team Manager and Lee, Steve and John for helping out with training and umpiring. Thanks also to Andrew for scoring and doing MyCricket. Trudy and Brodie also helped out with scoring – thank you, and even Jim did it once and as a scorer, you will make a great spectator! It was great to see so many parents down watching their boys for the season. One last thing - thanks to Pete, Toby and Dan and the whole Junior Committee for their support. You guys have been great.

I hope all the guys enjoyed the season and you all come back next season as I really enjoyed coaching you fellas. One step further next year!

CARN THE STINGRAYS!

Under 16 White

Rick Sherlock
TEAM MANAGER

QRJCC Under 16 White 2015-2016

Back (L-R): Brian de Swardt (Coach), Cameron Howson, Mark de Swardt, Sam King, Roedolf Mare, Jared Sherlock, Ben Jones, Dylan Cooper, Ali Aslam, Rick Sherlock (Manager)

Front (L-R): Keegan McDermid, Liam Prinsloo, Charlie Ward, Menno van Dyk, Sohail Suleman

Brian de Swardt UNDER 16 WHITE COACH

First of all thanks to everyone who contributed, and to the cricketing family that turned up every week to support the lads. Decked out under shade and trees – parents and grandparents, friends, kids, dogs and all – I hope you were entertained! It would have been great to have had a few more wins under our belt, and during the first half of the season we got ourselves into good positions, but battled to regularly push on and claim a victory. Finally, a win against Whitfords in a game that saw Sam score 47* and take 3/10 gave the team some just reward for some fine cricket. I was hoping the taste of victory would drive us to more success, but a big loss ahead of Christmas with our depleted side didn't help the momentum we had built up. If I have to pick our downfall, it is probably in the batting and not rotating the strike, building an innings and then taking the game away from the opposition. But Keegan and Dylan showed real promise with bat and ball. Roedolf continued to be a solid all-rounder with a good temperament, but I believe we are yet to see the best of Roedy (“kyk moo!”). The same would go for Ali who unfortunately battled injury for most of the season. If we are talking injuries - there was seldom a practice or a game that Cam didn't get injured. Even me taking Cam to the nets at one of the Seniors games to give him a bit of batting practice ended with a top edge to the eye socket and a fully closed eyelid. Probably cost Sam a fifty the following day against Whitfords when he ran out of batting partners and we had to call on a one-eyed Cam to try see him across the line.

Jared and Cam bowled with some genuine pace, and consistent wicket taking from Menno, Roedolf, Sam and Mark impressed. We often let ourselves down when critical catches were dropped – but the boys always gave a little extra in the field and were rewarded with some great catches and run outs. Dylan was like a greyhound sweeping across the outfield and along with Jared kept the outfield patrolled, both with strong and accurate throwing arms. Ben played some important supporting roles with bat and ball, and Chazza with his shades had to be the coolest cat on the field, and what an improvement during the year, well done mate! We missed Sohail for a few months with his annual migration back to the Masai Marra, but thanks to Liam for filling in towards the end of the season. The banter on the field was great. Some really funny moments and it definitely helped the team spirit especially when things weren't always going our way. For me there was a big change in the team spirit, and players definitely got behind each other far more than in previous seasons. Well done team. A couple of the boys were able to take advantage of the T20 competition and opportunities to play Seniors cricket which gave them good insight into what lies ahead. We have cricketing talent in our team. Set personal goals, train hard, play hard and continue to have fun.

Under 16 Blue Minor Premiers

Congratulations!

Trophy Winners

50 Junior Games

Medals are awarded to those members who have played 50 Games of cricket for the Quinns Rocks Junior Cricket Club.

A list of those boys who achieved 50 Junior Games during the course of this season is shown opposite.

The Club would like to say well done and congratulations to this group of players. This achievement represents a serious commitment to the Club over a long period of time.

Players who achieved 50 JUNIOR GAMES

Nathan Clayton

Jamie Downen

Blake Fletcher

James Hughes

Dylan Rasheed

Ryan Waldron

QUINNS ROCKS JUNIOR CRICKET CLUB

Brian O'Connor Award

This award is presented in memory of a young man who was tragically killed at the age of 12. Brian was a real trier who put everything into cricket and simply loved to play the game. Brian always showed great citizenship, and was honest, polite and constantly trying to improve his skills. The award recognises the efforts of a 12 year old player who displays these same attributes and sets an example for others.

**The winner of the Brian O'Connor Award
for Season 2015-2016 is**

Mitch Burke

QUINNS ROCKS JUNIOR CRICKET CLUB

Gordon Watson Award

This award is presented to the Junior Club Champion. It is named in recognition of Gordon Watson – for his achievements and his wonderful service to cricket over many years. Gordon has strongly promoted the development of junior sport and continues to do so. All junior players are eligible to receive this award and it is calculated on a points-based system. Every run scored awarded one point, every wicket taken awarded 12.5 points and every direct hit run-out, stumping and/or catch awarded 10 points. Points are calculated at the end of the season and the award is given to the player with the highest number of accumulated points.

**The winner of the Gordon Watson Award
for Season 2015-2016 is**

Jack Burke

QUINNS ROCKS JUNIOR CRICKET CLUB

Junior Life Members

This is a new award that is being introduced from Season 2015/2016 onwards. The very prestigious honour of Junior Life Membership will be bestowed upon players who have played 80 matches for the Quinns Rocks Junior Cricket Club. Junior Life Membership will typically be awarded to players within our Under 16s or Under 17s teams, in recognition of the many years of commitment to the Club that are required in order to reach this impressive milestone.

**The inaugural inductees to
Junior Life Membership are;**

**Mark De Swardt, Ryan Ferguson,
Callum Morrell and Byron Reid**

Team Statistics & Club Records

IMPORTANT NOTE

These statistics have been taken from records available on the MyCricket website.

We would appreciate your help in identifying any errors or omissions.

'Summer T20' Statistics (played in Under 13's, 14's and 16's) are not included.

Team Statistics are only presented for age groups in which batting and bowling trophies are awarded.
