CLUB REPORTS

Season 2017/2018

PRESIDENT'S MESSAGE

President: Daniel Shortill

What a fantastic year the Club has had!

To start off, I would like to thank all our dedicated volunteers. The Committee is the best I have ever been involved with and it is a pleasure to work with such terrific people. So thank you to Peter, Toby, Serena, Geoff, Matt, Andy, Stewart, Steve and Chris - you have made this a better Club. To all our Coaches and Team Managers, it has been a pleasure getting around the grounds and thank you for making me feel so welcome. It has been great to see your development and in turn the development of the players. I know Toby has managed to get over 200 games this season - what a mighty effort - and I have been to around 100. I come home every Saturday or Sunday with a smile as I am so very proud what everyone is doing.

To our players you are to be congratulated on the way you play the game. It is totally in the 'Spirit of the Game'. As I said, the development of your skills and understanding of the game puts this Club in a very good space. It was fantastic to see the Girls Cricket start in such positive way. It was long term goal of the Club and we have succeeded. Special thanks to Toby, Peter and Serena. The Girls' Derby was one of the highlights of the season. Stewart and now the new crew, Nigel, Helen and all the volunteers at T20 and In2Cricket - it gets better every year; thank you! I would like to recognise our families - you are the 'heart and soul' of this Club.

The Club was acknowledged as one of the Top 5 Junior Clubs in Western Australia. Peter was acknowledged by Cricket Australia for his magnificent work with a trip to the Sydney One-Dayer and a sharing session with one coach from each state. As a Club, we now look for a permanent home. We are in talks with the City of Wanneroo and we thank them for their support. We hope to have access to the new double ground in Butler North. This should be by the 2020 season. It will a terrific step forward for the Club.

We have had fantastic year. We remember the past, live in the now and look to the future. The future is very bright for our Club. Enjoy the off season. We have already started planning for the 2018/19 Season. It is all about 'Skill and Fun'.

Daniel Shortill (President)

COACHING REPORT

Director of Coaching: Toby Morrell

Another season done!

A big well done and thanks to all the Coaches who have volunteered their time to coach all of our boys and girls this year. They have done an outstanding job, with improvement seen across all ages and abilities.

Having seen a lot of games of cricket this year, it's great to see parents supporting their children and their teammates, as well as helping and supporting the Coaches throughout the year. To our first year Coaches, I hope you have enjoyed the experience and the rewards of seeing the kids have a smile when they achieve something that they have been striving towards.

To our seasoned Coaches, a big thanks for the continuing support you show our players. The continued improvement of our players, year after year, is a credit to you.

This year has been a big year for the Club with the addition of not only one but two girl's teams. A big thanks to Pete Byrne and Stewart O'Connor for taking on the role of coach for these teams.

Team Managers have also played a big part in our teams this year and, as always, if they weren't there the Coaches lives would be a lot more stressful, so a massive thanks to them!

The Club has also added the Player of the Week/Player of the Month which has been great for the kids. The Club also has decided to do a Team of the Year for the first time, which should add an exciting touch to this year's Wind Up.

Last of all, a big thank you to the Committee who do an outstanding job and we, of course, wouldn't be here without them.

I hope to see you all next year.

ENTRY LEVEL PROGRAMS

Season 2017/2018

ENTRY LEVEL PROGRAMS

Coordinator: Stewart O'Connor

This year has seen another great season of In2Cricket and T20Blast at Kingsbridge Park in Butler. We changed the day from Friday night to Saturday morning. This change came with some great results with parents, grandparents, step parents and family members volunteering to help out and just having fun with the kids. With so many people helping out came lots of ideas about how to improve the experience for our kids and ourselves.

We have had nearly 40 kids start their cricketing pathway playing In2Cricket with us this year. Again the skills they have developed are fantastic and they are well on the way to being future Scorchers, Warriors and Aussie players! A big thanks goes out to Danielle, Mireck, Jayden, Grant, Ash, Kelly, Maya and many more for making the mornings at In2Cricket run so smoothly.

With so many kids moving up this year from In2Cricket to T20Blast, we saw plenty of great games and fantastic cricketing skills on display. The kids from Eglinton Junior Cricket Club came down and joined in the fun. With so many kids playing, our Coaches did a great job develop the kids' cricketing skills. A special mention to Nigel coming up with the idea of having a goal behind the bowler for the batters to aim at. A huge thanks goes out to Nigel, Helen, Shayne, Rene, Glenn, Mark, Andrew, Rhys and everyone else who helped out at the T20Blast sessions.

This was my last season co-ordinating the In2Cricket and T20Blast. I've had a great time doing it and it's been great seeing the kids having so much fun. A big thank you to Nigel, Helen, Shayne and Rene who have taken over the second part of the T20Blast season (after Christmas) and who have done a fantastic job. Also thanks to Danielle, Mireck & Jayden for running the In2Cricket for the second half of the season. These programs are in great hands.

Thanks

Stewart O'Connor (Entry Level Program Coordinator)

UNDER 10 BLACK

Team Manager: Shevonne Hill

Assistant Coach: Mark Candlett

Under 10 Black had a really fun and successful season this year. I am so proud of all the players in this team for their desire to improve their cricket, to learn as much as possible and their enthusiasm towards both training and match day.

Our big focus this year was on skill development and we really mixed the drills up at training whilst having a lot of fun at the same time. The boys' fielding skills in particular have dramatically improved this season, meaning that catches and run outs were regularly part of each game and resulting in a lot of success on the field. Also, the boys' growing confidence to run between the wickets has resulted in great scores on the board.

The players have a really great team bond and it's been fantastic to watch the support they give each other, and as their Coach, it's been really enjoyable to be part of. Each week we've consistently had the biggest cheer squad on game day, with great support from parents, grandparents, aunties and uncles and other friends and family. A big thank you for all of the parent help on game day – Linda and Luke for scoring and Dave D. and Mark for umpiring, and a massive big thank you to Dave Bathurst and Dave Dunseath who have assisted me at training throughout the season.

To everybody who has supported myself and the team throughout the season – thank you!

UNDER 10 BLUE

Having grown up watching cricket, every summer listening to Richie, Bill, Ian and Tony, and being at the WACA to witness Australia reclaim the Ashes on several occasions, I never would have expected my fondest cricketing memories to now come from watching eight Under 10 cricketers every Sunday morning. Being able to share in each of their individual successes, as well as their team spirit, has been a privilege. For me, there have been many highlights:

- Ella – Clean bowling the opposition team’s best batsman.
- Jacob – Taking two wickets in the first two balls of your spell. You were close to a hat trick on your next ball too.
- Krish – Hitting a massive six! One of many glorious shots this year.
- Lewis – A four-wicket spell of bowling. Good pace, line and length.
- Liam – Any time you took a wicket – your down on your knees celebrations were always a joy to watch.
- Luke – Your superb straight drive back over the bowler’s head for 4!
- Rico – A great display of leg spin bowling to claim four wickets!
- Shaan – Hitting two 4’s in a row. The new Little Master!

A big thank you to the parents and families. The atmosphere you created in supporting the team, as well as the setting up and packing away each week made everything all the more enjoyable. To the players, I feel the best advice I can give you, at this stage of your cricketing career, is to get out there with your friends and family, any chance you can and have some fun batting, bowling and fielding. Remember, it’s all about having fun. See you all next season.

The Under 10 White team are a great bunch of boys who have been a pleasure to coach.

Within the team we have boys who have been playing 2, 3, 4 years and also a few first year players. It has been great to see the development in all the boys.

Most pleasing was to see the more experienced players helping out those who were newer to cricket. This teamwork really showed on both the training track and on the field.

My message for the season was as follows;

"Discipline when bowling and confidence when batting."

We had some fantastic results with the lads often surprising themselves on just what they can do when they put their mind to it.

Congratulations to all the boys. You've done yourself, your family and the Club proud!

Hopefully see you all next season

Cheers!

I had the pleasure of coaching the Under 11 Blue team this year. We had three new team members this year and the boys gelled well straight away.

We have had a really successful year only dropping 2 or 3 games all year. Our focus was on skill development. We aimed to bowl off stump and outside. Our batting technique was to score runs off as many balls as possible and choosing the right ball to hit hard.

Another main focus has been fielding. This has really paid off with countless catches and run outs this season contributing to a lot of our wins!

Next year we will switch focus to protecting our wicket as 'when you're out, you're out' comes into play in Under 12's.

The 'Blues' are a great bunch of kids to coach and I'm really proud of how they have all turned into great cricketers and a great cricket team.

Thanks to Phillippe for keeping me and the team organised all season and to Dean for scoring every week and helping at training. Thanks also To all the parents for having the boys to the games early every Sunday for warm ups and for your support.

Team Manager: Rachel Williams

I had the great pleasure of coaching the Under 11 White team this season, made up of a good mix of experienced players and first timers. Though we lost the majority of our games, the kids should be proud of the fact that they never gave up on the field and were always out there having a go and encouraging their team mates.

We had a rough start to the season, regularly losing 15+ wickets in our innings, but, over the course of the season, the improvement in our batting and bowling saw us win one game, tie one game and fall just short on a few other occasions. No matter the result, it was great to see the kids always come off the field with a smile on their face having enjoyed the game.

A special thanks to Rachel Williams for volunteering to manage the team and score nearly every week, which meant I could focus on the task at hand on Sundays. It was greatly appreciated!! Thanks also to all the parents, especially Dave Moyle, for helping to set up the marquee each week and for lugging the gear back to car.

With the improvement over the course of the season, it will great to hopefully see everyone back at the Club next season, whether they move up to Under 12's or stay in Under 11's.

Cheers

The 2017/18 Season was my first season of coaching cricket. I would like to thank the Committee for their ongoing support and the opportunity to attain my Level 1 coaching. From our first training session, I instilled into the boys some team rules; respect, discipline and being positive.

Whilst we only won two games all season, I am extremely impressed by the boys' attitude to turn up to training each week being positive, happy and eager to learn. All boys progressed at their own pace throughout the season and I am sure that they would all agree that they have developed new skills during the season. I was also very pleased with the high level of sportsmanship displayed by the team throughout the season. From time to time, other Coaches gave positive feedback about the team and certain individuals. Well done boys. The highlight of the season was chasing 175 for victory in a 2 day match, finishing with 7-187.

A very big thank you to our Team Manager, Pete Redman. Pete took care of everything off the field and let me get on with the coaching. Your commitment to communication, rosters, insurance, checking the field, setting up and packing away was first rate. *Thanks Pete.* Also, a BIG thanks to all of the parents who helped through the season. Whether it be on roster for scoring, oranges, pre-game drills, setting up/packing away etc. or simply picking up the cones after the match, it didn't go unnoticed and I truly appreciate it. It really made my life easy. Thanks boys for making me proud to be your Coach and I am looking forward to the next season !!

We were lucky enough to retain most of our squad this year with three great inclusions in Trent, Daniel and Callun; all fantastic young men and very keen to learn.

The season started off well for us with a win in our first game. From there on we won 2 other games and lost 2 others by a kick.

I was lucky enough to have two full-time Assistant Coaches in Dan and Dean this year which made all the difference, not just to me but mostly to the boys. Both Dan and Dean did a lot of one-on-one training to help the boys with their batting technique and bowling run-ups. I think you're always doing your job as a Coach if your players are improving and understanding the game more. Both my Assistant Coaches and I were happy with how all the players progressed this year.

To the boys credit, over half the team gained their Light Blue Caps this year. Moving forward, next year I would like the team to continue to bond and keep working for each other. I would also like them to start reducing the extras when bowling. We had two Districts players this year in Bailey and Wil and 5 more nominated for this year's District Trials which was a great effort by the boys.

Thanks also to Linelle for being our super organised Team Manager again, and always having my back. Also thanks from the Coaching Staff to all of our fantastic, supportive parents who have been with us every step of the way.

Well with a few new faces to the team this year, our challenge was to gel as a team. With skill levels varying from State Level, District Cricketers to boys who had never played cricket before, we were always going to have a challenge ahead of us to compete in the top division which was where we were graded after our first One Day Games, and, after last year's undefeated season probably, where we needed to be. Although our results didn't show it in the win/loss scheme of things, I think this was one of the boys' better seasons for development of their game sense and also skill levels. The boys I believe were probably the best fielding/ bowling side in the competition albeit with a few hiccups early on. They were always alive in the field and maintained some great bowling. Fielding was always exciting to watch as they kept batsmen on their toes. Our batting definitely let us down with far too many times not batting out our 50 overs, which is critical to have a chance of securing a win.

There were definitely huge improvements by all players or special moments for each that shine through. Kai was again voted in as Captain and Lewis as his Deputy. They were in charge of all field placements and decisions out on the field. Towards the end of year Kai was challenged with creating the batting lineups and the order of our bowling spells. His success showed in our batting line up for the last game where we posted our highest score and had several retire not out. Lewis this year excelled out in the field and really led from the front when it came to keeping the chat up and keeping everyone on the job at hand. Aiden and Hayden really showed huge improvement in their batting, with great shot selection and their bowling improvement was drastically better with great line and length by both. My highlight with Jordan was I think him finally realizing that not all balls need to be hit like a golf ball and this saw him play some great offside shots this year. Zac again excelled with consistent bowling and willingness to chase any ball from any part of the oval with a number of return throws, direct hits. Mitchell definitely left his best for the last game, after being caught out a number of times this year skying some balls, I challenged him to hit every ball along the ground and see how he goes – 52 rtno was the result, his first half century for the Club. This year saw Sabtain try some spin bowling at training as opposed to his normal inswing deliveries. With the ball turning beautifully it took me two weeks to convince him to try spin in a match and to his delight took a wicket with his first delivery and never looked back. Riley H again showed his ability to knock the stumps over with beautiful straight deliveries with his consistency the big improver this year. Riley S showed some huge improvement in his bowling this year changing up his run in and putting some pace on it. Special mention has to go to the most unfortunate 1 handed classic catch taken by Riley that left his mates stunned that he took it only for the umpire to call No Ball. Will showed huge improvement with the bat this year after lacking some confidence early on - his shot selections were second-to-none towards the end of year. Tom's highlight (although I think he would like to forget half of it) was his return from breaking his thumb after tripping over running between wickets. He must have definitely put in some net time with the bat during his 6 weeks off with him retiring not out in our last game after hitting his first boundaries. Which leaves us with Andrew, our newest member, and in his first year of playing cricket. I think anyone that watched our games would be hard pressed to argue he wasn't our biggest improver this year. I believe he had more retired not out than any other batsmen, with his sheer determination to defend at all costs and just get bat on ball frustrating many a bowler. Andrew's first wicket with the ball also saw the team rally around him.

This is where I think this team was the most successful TEAM I have coached. Every opposition coach at every game went out of their way to approach me at the end of our match and commended all of our boys on the way they support each other. No matter what skill level or what bad delivery, they always got around each other and cheered each other on to make the next delivery a better one. Huge thanks to our parent group who were always ready when their turn was in the scorebook. And to Jason for volunteering to do ground setups at all our home games. Massive thank you must go to Lisa who in her first year as a Cricket Mum volunteered to manage the team. Also to Callum Morrell who again helped out umpiring and training with the boys.

Assistant Coach: Sophie Gerrick, Luke Salisbury

It has been a great pleasure to be involved in girl's cricket this year. Obviously this was a new venture for our Club, and we were thrilled to see so many girls take up the opportunity to play! Like all of the parents involved with this team, I hadn't seen community based girls cricket before. But I can tell you that it's friendly, fast-paced and heaps of fun! Our aim has been to play consistently competitive cricket and I am pleased to say that our girls have been able to achieve that this season.

Across the team, the improvement in batting, bowling and fielding skills, as well as the understanding of the game, has been nothing short of phenomenal. The girls have shown a great interest in learning how to improve and they are quick to put into practice what they have learned. I have been very fortunate to have great parent help on hand at every training session – so my thanks go to Luke Salisbury and Sophie Gerrick as the Assistant Coaches, as well as to Mark Bugg, Troy Harvey and Tim Parker. My thanks also to Co-Captains Sophie Byrne and Eva Salisbury who have led from the front, determining all the rotations, fielding positions and the much-coveted Player of the Week Awards.

There's no doubt that these girls love their cricket. I want to take this opportunity to congratulate every single player in our team for their excellent attitude and their inclusive approach to training and games. You've created a wonderfully positive team-based environment and in doing so, you've truly demonstrated the Spirit of Cricket to anyone who has been fortunate to see you play. I can't wait to see where your cricket journey takes you, girls!

Team Manager: Sarah Clancy

Our Under 13 Girls White team have come a long way from our first training session in early November!

I'm so proud of all the girls who made their debut for the Quinns Rocks Junior Cricket Club and have started their cricketing journey. It was great seeing our team achieving lots of firsts this year. These included runouts, boundaries, bowled out and lots more.

The girls started the season as individuals and turned into a team and, even better, good friends. The sportsmanship and the Spirit of Cricket has shone through in all their games.

Our team have a lot of fantastic parent helpers with everyone sharing the load. This is vital in making the team work and helps to ensure the girls have lots of fun. I think we have all had fun as well in the process!

Each girl has improved so much this year and it is a testament to their willingness to listen and change certain skills to improve the way they play. They all did this with massive smiles on their faces.

A special thanks goes to Sarah for managing our team, Jay for helping me with coaching and my captains Jodie and Emily. Also, many thanks to Pete, Serena and the girls in the QRJCC Under 13 Girls Purple team for helping us to get ready for our debut season.

UNDER 14

Team Manager: Mark Campbell

Assistant Coach: Mark Campbell

It was with great pleasure that I coached the Under 14's this season following on from last season with the Under 13's. This season we had some new additions to the team namely Jason-Dean Potgieter, Haydn Allsop and, even though he trained with us last year, Warwick Pedley.

This year our Captain was James Anderson who did a great job all season leading from the front with his bowling and field placings. Liam Murray showed great maturity in his batting at times and earned his Light Blue Cap with a 35 and another score in the 30s. Mitch Burke showed great concentration in his batting this season, retiring on a number of occasions. He also showed maturity in his bowling as he worked on his variety as a leg spinner to great effect. Our other spinner, Luca Anderson, also showed great patience with his bowling this year. Playing against older boys, who tried to dominate him, he frequently bamboozled them with his flight. His batting also came on as he was able to pick gaps in the field.

Our recruit from last year, Jude Moyle, showed great consistency this year with the ball. He constantly beat the bat and the opposition batsmen always had trouble scoring off him. Evan Coombs, one of the older boys in the team, worked hard on his bowling and demonstrated great control throughout the season. His batting also came along this season and he showed time and again maturity beyond his years. Reece Pedley got his Light Blue Cap this year by taking 3 wickets in 3 overs. His bowling was very consistent and his batting was very solid throughout the season. He had the added pleasure of playing with his brother Warwick. Warwick played 2 age groups higher and was always enthusiastic at the games and at training. He is a very deep thinking boy when it comes to his cricket and always wants to learn and get better which is a great trait to have.

Riley Lee was another one of our boys that improved their bowling this season. He was constantly bowling great line and length throughout the year. His batting also improved showing great ability to stay in and retire on a number of occasions. Jarvis Archer went from bowling off 3 steps last season to a medium quick bowler this year with great control. He also proved to be one of our most reliable fieldsman taking catch after catch. Haydn and Jason-Dean fitted in really well and both added skills to our team; Haydn with his ability to hit the ball and consistent bowling; Jason-Dean brought variety to the team with his left arm bowling and also his solid batting. Michael Agostino really improved his bowling this season with consistent line and length. With the bat he had one of those seasons where he seemed to invent new ways of getting out. He also proved that he was one of our better fieldsman throughout the season.

One of the great things that happened this year for the boys was the opportunity to play Senior Cricket. To do this you have to be 14 and as some of the boys turned 14 later in the season the Senior Club gave them this opportunity. Liam Murray, Jarvis Archer, Evan Coombs and Jude Moyle all played Seniors this year with promising signs for the future. Hopefully next season other boys will take up this great opportunity.

I would like to thank the Club and the parents of the boys for their support this season and the opportunity to coach the team. A special thank you to my Assistant Coach Mark Campbell (Cambo) for his help once again this season. I look forward to seeing all the boys again next season.

UNDER 15

Team Manager: Matt Henry

Assistant Coach: Matt Henry & Andy Paton

Cricket is a wonderful teacher. For our team this year, we've continued to learn that cricket is full of twists, turns and surprises. It challenges individuals and teams. It often asks you to dig deep and to find something extra. And it rewards consistency.

With most of the players in this team now having played in excess of 50 Games, cricket this year posed new challenges with a T20 Comp to begin the season and some very strong opponents. We made the final of the T20 Comp only to turn in our worst batting performance of the season. We bounced back in the 2 Dayers, qualifying for our third successive Semi-Final appearance, but only after some soul-searching just before the Christmas Break, during which we redefined our benchmarks and goals (sometimes 'resetting' like this is what it takes).

I think it's safe to say that we can stake a claim as the best bowling side in the competition, with accurate bowling at the stumps and less leg side/half track deliveries. That's certainly the feedback from the opposition and our bowling figures back this up. Our fielding has come up a level too, with catches and run outs now a feature of our days in the field. We have more work to do with batting – not in terms of our ability to play shots, but with respect to the mental side of the game which focuses on concentration and consistency. Eventually we will realise that more often than not we get ourselves out. Imagine what we can achieve when that stops happening! I am confident that we can do it.

The team is very fortunate to be led by the best and most innovative Captain in the competition, Ryan Willis. Thank you Skipper – you set an amazing example of leadership. Thanks also to my Assistant Coaches Andy Paton and Matt Henry (who doubles as Team Manager) for their unending support which has now stretched into years! I appreciate your help and guidance more than I can say. And finally to the boys and their parents, thank you for allowing me the honour of working with you. I consider it a privilege to be your Coach and I know we are all going to look back on these years with enormous pride.

BRIAN O'CONNOR AWARD

Winners

This award is presented in memory of a young man who was tragically killed at the age of 12. Brian was a real trier who put everything into cricket and simply loved to play the game. Brian always showed great citizenship and was honest, polite and constantly trying to improve his skills. The award recognises the efforts of a 12 year old player who displays these same attributes and sets an example for others. The Coach of the Under 12 team nominates a player who he or she considers best exemplifies the values that were displayed by Brian when he played.

AROUND THE GROUNDS

Quinns Rocks Scoops Pool At CJCC Awards

Quinns Rocks Junior Cricket Club was last night recognised as a leader amongst its peers, collecting three awards at the Community Junior Cricket Council presentations night at the WACA Ground.

About 200 people, including WACA CEO Ms Christina Matthews, Alcohol.Think Again Western Warriors Jason Behrendorff and David Moody and Western Fury player Bhavi Devchand, were on-hand for the Boundary Room function to acknowledge key volunteers, school ambassadors, players and clubs, with Quinns Rocks hailed for its proactive approach to growing the game.

The Club collected the prestigious Len Pavy Club of the Year Award, along with the Growing Cricket for Girls Award, following a year of strong activity and results in the area. Quinns Rocks had no girls-only teams competing in the 2016-17 season, but fielded two a year later.

The new pathway opportunities provided by the club added to the exceptional support Quinns Rocks showed to other clubs in its area, taking a collaborative approach to help grow the game.

Quinns Rocks' Stewart O'Connor was also named MILO T20 Blast Club Coordinator of the Year, having won the MILO in2CRICKET Coordinator of the Year award last year.

Community Junior Cricket Council Chair Geoff Parkinson said Quinns Rocks had been acknowledged for taking a proactive approach across a wide range of areas.

"Quinns Rocks has been very active in promoting the game within the community," Parkinson said. "The club has also fostered relationships with newly established clubs in their area to support their development, along with clubs in other regions as they look to forge relationships and share resources, which works to the mutual benefit of community cricket. They've also developed links with a number of schools, they're working with the WACA in developing an Aboriginal cricket pathway option and also had involvement in the Coach Development pilot program that has been established by the WACA, Cricket Australia and the Australian Sports Commission."

"Some strong volunteer management and rewards strategies uphold the club's culture and they've been extremely active in adopting the new junior formats and introducing cricket for girls in their area."
