

QUINNS ROCKS CRICKET CLUB

YEAR BOOK

2010/2011

President's Report

I hope you all have had an enjoyable season. Congratulations to all the trophy winners. A special congratulations to those players who beat their personal best either with runs, or wickets in a game or for the season. It is important we all try to improve our performance and try to do our best. This makes for a stronger team and stronger club.

I would like to thank all the parents and family members who given their time to assist theirs and other families children to enjoy the great game of cricket. In particular a special thanks must go to the Junior Committee; Ross Fletcher, Ross Alexandre, Nigel Barnes, Andy Gorton and Brad and Leanne Goldsworthy. They have put a lot of time and effort to keeping the juniors running it does not just happen. Thank you to the coaches who give up their week nights and weekends to coach the children. It can be a very rewarding experience and I hope it has been for our coaches this year. It is very important that we all thank these volunteers or we will not have a Junior Cricket Club.

I managed to watch a few games this year and was extremely pleased at the spirit the games were played in. As President of the Seniors also I can not make it to games regularly. It is important that a Junior President is elected for next year. I would like to congratulate all those who were involved this year you have done yourself and your club proud. The club at the start of the year was not in a very good position financial and player numbers. As a Committee we took some hard decisions and we are now in a much better position but we can not go back to old habits of spending.

To finish off I would like to remind everyone the AGM will be held on Thursday 28th May at Anthony Waring at 7.30pm. This year we will elect a Junior and Senior committee on the night. It is very important that the junior club has greater autonomy. If you have an opinion on how the club should be run this is the forum to have your say and join the committee.

I look forward to seeing you there.

Congratulations on a great 2010/11 season.

Brian O'Connor Award

This award is presented in memory of Brian O'Connor, who was tragically killed at the age of 12. Brian loved playing cricket and representing Quinns Rocks. Brian was a real trier who put everything into his cricket and simply loved playing. Brian also showed great citizenship, forever honest, polite and was always striving to improve his cricket skills.

The Brian O'Connor Award is given to a player who was 12 years old at some point in the season and best displays the attributes of Brian and sets the example for others to follow.

Congratulations to Toby Upsall, the 2010/2011 recipient of the Brian O'Connor Award.

Gordon Watson Award

The junior club champion award was re-named the Gordon Watson during the 2008/09 season and is in recognition of Gordon's achievements and his wonderful service to cricket. It is awarded to the player who receives the most points over the season. This is worked out with every run awarded one point, every wicket awarded 12.5 points, every catch awarded 10 points, every "direct hit" run-out awarded 10 points, assisted run outs awarded 5 points and every stumping awarded 10 points. This is calculated at the end of the season and awarded to the player with the highest points over the season (teams are under 13's to under 16's included).

Here is a brief summary on Gordon Watson and what he has achieved throughout his wonderful service to cricket.

Gordon's interest to cricket began as a scorer in 1950/1 as there wasn't a junior's team. However, he started playing in 1951/2 with the Wickepin Cricket Club. He played 8 seasons there (3 as Captain) until 1960. He was also club delegate for 2 seasons.

In 1952 he captained the Junior Country week side - Wickepin/Narrogin.

He was with the Wickepin Association from 1954 to 1960, played 7 country weeks (3 as captain, 1957, 58, 59) and was Association delegate for 3 years.

He was with the Kondinin Club from 1960 - 1966 - 5 seasons (1 as captain).
He was Club President for 3 seasons (1962/3, 1963/64 and 1964/5)

In 1961/2 was selected in the Eastern Districts Combined side against the Western Australian State side.

Kalgarin-Hyden Association;

1. 6 Country Week (1 as Captain)
2. Helped form a new club (Albany Country in 1968)
3. Was Albany Country Club President, Delegate and Captain for 10 seasons.
4. Won a Premiership in 1970/1

Albany Association;

1. Played 12 Country Weeks (10 in A Grade)
2. Won 5 - 1967, 71, 73, 75 & 77
3. Runners up - 1968 & 1972 (2 in seconds as Captain - 1974 & 78)
4. B grade captain of winning Carnival team in 1976
5. Won batting average of 84 in the above carnival
6. Association selector for 3 seasons, 1969/70 - 70/71 & 75/76

Gordon Watson Award

1979 & 80 Umpire both Junior and Senior Country Week

Played for West Perth in the M.C.A for 5 seasons (3 in A grade 1980/1, 81/2 & 82/3) (2 in B grade 1978/9 & 79/80). Won MCA batting aggregate & average 1979/80 - 523 runs at 47.5. Represented MCA for 1 game in 1979/80

Played for City Beach in the M.C.A. for 4 seasons (2 as Captain) 1983/84 to 86/87
Best batting average in the 1984/85 season. Became Life Member in 1985/86

Played for W.A.C.A. Vets Subiaco-Floreat for 9 seasons, 1978 to 1985/86. Received batting award 1977/78 - 99no (highest score)

Gordon was on the Protest and Disputes Board for Perth Mercantile Association for 1 year in 1986/87

Coached the Joondalup Districts Inverarity Shield team for 1 year in 2003/4

Gordan has also coached the Quinns Rocks Junior cricketers from 2001/02 to 2006/07 (inclusive).

He has run the nets for the Quinns Rocks Seniors from 2007/08 to the current date.

Emerging Warriors Program

The Emerging Warriors programs select players from throughout WA to participate in a training schedule and ultimately in zone carnivals that are held around Christmas each year. Congratulations to **Nathan Alexandre** and **Joe Inglis** on representing the Emerging Warriors North West Zone this season.

Under 10s Quinns Coach's Report

What a fantastic season our under 10's have had & at the time of writing this, still have 2 games to go. We began the season with 6 players from last year's side and 6 players who had come through the ranks from in2 cricket.

In my five years of coaching cricket, it has been one of the best combinations I have ever had the pleasure of coaching. The combination of "the old, with the new" worked so well. The "old" players from last year's side smashed their performances from last year, making more runs, taking more wickets & holding more catches. For the "new" players they have seen the standard that the "old" players have set & rose to that level within minimal time.

Our lowest score for the season was 6 for 91 of 22 overs. Only twice did the boys score below 100 runs. Our highest score was 4 for 142 of 18 overs (around 8 runs an over) & also 4 for 148 of 24 overs. The boys have never lost 10 wickets whilst batting, they valued their wicket even though they were there to face their 12 balls each, regardless of what happens.

Individual efforts this season have been outstanding. 6 players have scored over 100 runs for the season, they are Nathan Clayton, Dylan Rasheed, Blake Fletcher, Reegan Wilson, Ryan Waldron & Seth Adams. Dylan Rasheed scored 52 runs in 2 innings (24 & 28 respectively), Nathan Clayton scored the first six (in round 1) & leads the way with 5 sixes for the season. Jack Dullard has gone the entire season without getting out. Connor Muir is our leading wicket taker with 12 wickets, but there are a few players just behind him.

I would like to take this opportunity to firstly thank the parents for their help with the scoring & square leg duties, Craig Wilson for all of his help at training & game days, & of course our players from Quinns Under 10's, you have made coaching very enjoyable. We have had a lot of laughs & a lot of fun throughout the season & to see the individual & team efforts that each & every one of you have produced & achieved is outstanding. To have gone the entire season without losing a game is a credit to you all & shows how much effort you have all put in to your cricket & how much you have all enjoyed it. Well done boys.

Under 11s Quinns White Coach's Report

The u11 White team came together as a team with some boys having played before, some new to the game and some youngsters. Over the season the boys developed a team spirit, developing their knowledge, skills, on-field etiquette and ability to read the game. The boys embraced the McGrath foundation kit, and I think it gave them an opportunity to really feel like a close knit team...."Pretty Pinks".

My memories from this year would include some marvellous boundaries hit by Mohamed, Callum, Mark and Jared, Travis pulling and hooking the short balls, the steady performances from Michael, Gregor and Keir and the close game against Wanneroo where the boys really got behind each other and worked as a team. Ben, Charlie, Mohamed and Josh showed some marked improvements through putting in effort, which is great from a coach's perspective, and this really showed as the team made more runs, lost less wickets and made more chances in the field as the season went on. Then there's also the unexpected..."Coach, my tooth just fell out".

Special mentions for Mohamed and Mark who were our leading run scorers, Callum and Keir who lead our bowling averages, Jared and Charlie who were our most economical bowlers. Then there were some wonderful catches by Travis, Mohamed, Jared and Josh.

A special thanks to the parents who assisted at practices and matches, especially Rick for scoring, Cambo and Toby for the sausage sizzles and Sammy for providing cold drinks for the boys every match.

Unfortunately it was not a year of results, but I do know the boys learned heaps, and should be able to make an easy transition to the U12 format with a better understanding of the game.

Under 11s Quinns Blue Coach's Report

I must start by saying the year has been an immensely enjoyable and rewarding experience, coaching 11 fantastic boys in the skills and etiquette of this wonderful game, watching them learn and develop into brilliant little cricketers playing as a team.

From the very first training session the boys were willing participants listening intently which quickly transposed into the game environment ensuring they maintained a good line and length in their bowling, playing each ball on its merits and maintaining their wicket in preparation for next year.

Their sportsmanship was flawless even on those unbearable days when the mercury was well over 35 and having to field, the boys always stayed positive encouraging their team mates and the opposition.

There were some memorable achievements both individual and more importantly as a team which require mention;

Team

- ⇒ Over 10 wickets taken in an innings on 4 occasions
- ⇒ Team scored over 100 on 3 occasions

Individual

- ⇒ 3 players have scored over 100 runs for the season so far
- ⇒ 9 players with 3 wicket innings including a brilliant hat trick.

Obviously a season cannot be successful without the support of the parents both at training and on game day, you have all been great in your support and encouragement of the boys, we really appreciated your help.

The future of Quinns Cricket Club is promising with the talent progressing through I look forward to watching them all develop their skills further with the club.

Under 12s Quinns White Coach's Report

This year the u12 white team fielded a good looking, keen side that really enjoyed the team spirit. They have had a successful season both as a team and as individuals winning a good percentage of games and putting in some really good personal performances.

The coaches and players proud of the three team members who are now sporting blue caps, and have some memorable games of chasing and catching scores in excess of 160 and 180 and coming out triumphant. As well as some excellent run rates and some crazy catches in the field.

The team has put in some very good batting days and some very good bowling and fielding days and with the team spirit that has grown with the boys this season I am confident that they can galvanise for next year and give our opposition a run for their money. Its not all about winning it's important at this age to develop team spirit, good skills and work ethic and develop the boys, and if we do those things well the winning follows and our children enjoy sport and continue to play in years to come.

All of the team have put in tremendous event in both training sessions and the games to improve and develop old and new skills, and all have improved. Those who have played a number of years and those that are new to the game developing equally well.

As one of the coaches I would just like to add how proud I am of the team and to thank the parents who have helped and motivated the boys and got them to games on time. So here's to next season thanks for your efforts boys.

Under 12s Quinns Blue Coach's Report

This year has been a very easy one to coach as the boys showed enthusiasm from the start. Most of the boys had played previously for Quinns Rock, however we did have 3x new players that had only played school and backyard cricket. Their development has been outstanding and has become valued members of our team. During the course of the season we were able to win all but one of the games. We came across very good competition and had to play under some uncomfortable weather conditions but the boys continued to play at their very best on each and every occasion.

Most noticeably, on many occasions opposition coaches commented to me that they had been impressed with the boy's skills and sportsmanship. So Well Done Boy's!

I'd like to take this opportunity to thank all the parents particularly John Hargreaves and Ray Mackie for their on field assistance. Thank you to Luke Flannery for being our scorer and to Bev Flannery for entering the scores into the MyCricket website and to my wife for the organisation of batting/bowling and wicketkeeping rosters.

Twice during the year our team scored over 200 runs and made 150 runs on most other occasions. The boy's were also able to bowl sides out in the allotted overs in most games. Some of the boy's statistics for the year show that they have had good success when it comes to runs made, wickets taken and catches held. What statistics do not tell you are the improvement made from beginning of the season to the end and the roles played in individual games. Eg batting in the middle just to face as many balls as possible while trying to hold their wicket and not worrying about the runs or bowling to a field that was set for them, which brings me to another point for the last 4x games while umpiring I had no input to the field settings, the boy's between themselves organised themselves and for an under 12 cricket team I thought this showed great maturity and an understanding of the game.

So in closing, congratulations boy's on another great cricket season, you've done yourselves, Quinns Rock Cricket Club and your parents proud!!

Under 14s Quinns White Coach's Report

A few new faces in the team from last year but there was no change with the traditional drama of the first game. Another nail biter to get the season under way and victory by 2 runs.

We continued strongly with yet another healthy start to the season but as Christmas loomed we let things slip and before the Christmas break honours were even, won 3 lost 3. However, too much festive food weighed heavily as we lacked mobility in the field after Christmas and we were slow out of the traps.

It took us another 4 games to notch up a win and then in the best traditions of Quinn's under 14's white we saved our best until last with a fantastic 147 run win against Wanneroo (who made the finals).

Regardless of the results, every player played their part, enjoyed their cricket and made some good friends. There were many fantastic personal achievements that contributed to an all-round great team effort. Such contributions are not always the big scores or the most wickets, it's more the spirit of community cricket and such spirit shone through within every player in the team.

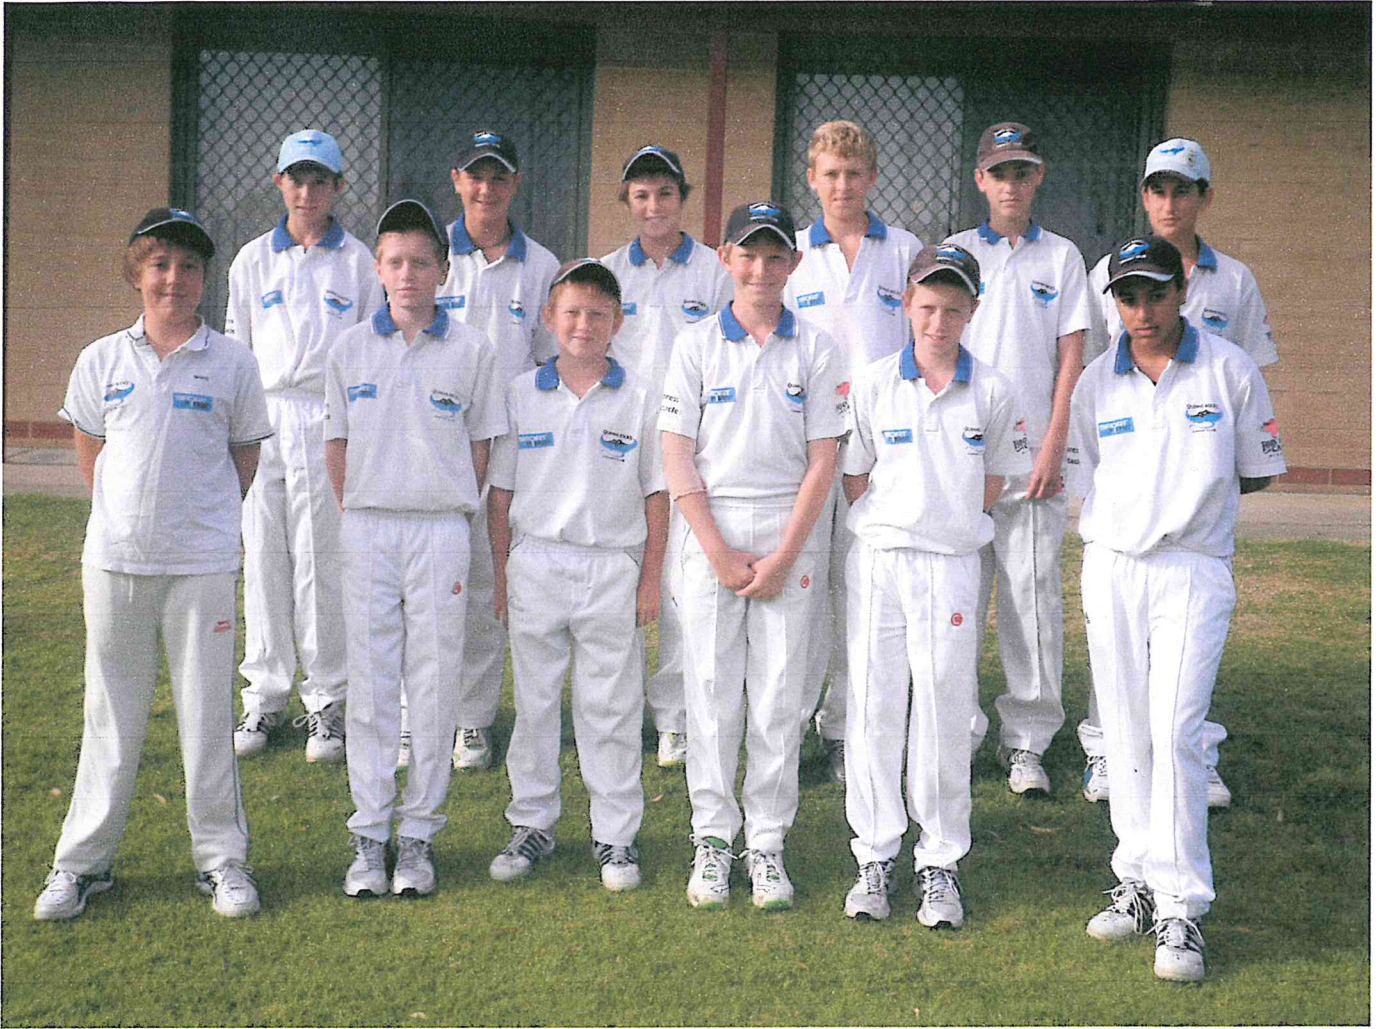

As always I had to split my time with other commitments and I was only ever going to be a part time coach. Without parents community cricket doesn't happen and I thank those who umpired and scored each week and Simone for securing the sponsorship for and cooking the BBQ. In particular, thanks to Sarah Thompson for filling numerous scoring chores and for Brendan Johnson and Steve Thompson for sharing the coaching with me.

I have thoroughly enjoyed coaching the team this season and seeing the guys enjoying their crickets makes it all very worthwhile. It is normal for U14's teams going into U15's to split, mainly due to District commitments and people playing above their age group. I know that this team will have to fragment a little, but I sincerely hope that most of you keep with as many of the original team players as possible and go on to build friendships and enjoy your community cricket.

Well done guys and all the best for your future cricketing careers.

Under 14s Quinns Blue Coach's Report

Our 2010/2011 season was one of some excellent performances, some personal bests being achieved, but overall probably best described as 'up and down'.

While we had a slow start to the season in our game against Yanchep, we soon hit our straps in the next game against Joondalup Kinross Gold, belting our season-high score of 5/199 and running out easy 52 run winners. In the run up to Christmas, our highlight in between a few of the 'downs' was a good win in the Quinns derby.

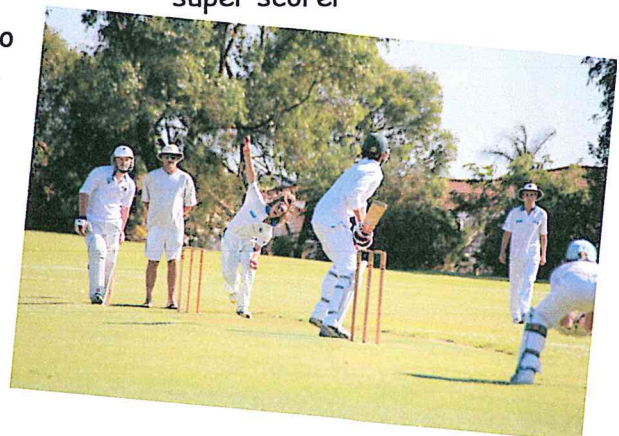

Resuming after the break, a fantastic team effort resulted in a big win over Joondalup Kinross Black. In our next few games, we found the opposition too strong, but then defeated Edgewater and in our best performance of the season, easily accounted for the previously unbeaten Whitfords to finish the year.

It was terrific to note the blue cap and badge performances by Ruan (three times), Zach (twice), Mason, Jake, Brandon and Callum. Well done Corey on making your highest score ever, achieved against Whitfords (fantastic batting!), and Elliot's six against Wanneroo was probably the most memorable shot of the season! In the same game, Elliot and Scott's partnership was one of the best this year, as was Nathaniel's fielding display with two good catches and a sensational run-out. While injuries unfortunately kept Ryan out of a few games, he was a very consistent bowler and one of our highest wicket takers. Likewise, Matt's consistency was a feature of his rock solid batting throughout the season. Congratulations also Elliot on your selection for the March districts trials.

In all we had a fantastic time during 2010/2011, a highlight certainly being our participation in the club's McGrath Foundation fundraiser- we looked awesome in our pink caps! A big thanks goes to all families for your support of the team, especially our coach Kev, helpers Bob and Nick, our Todd, and fantastic photographer Malan. Thanks too Beccy for producing all team's photos for the wind-up.

A great season boys- well done!!
