# Junior Vice-President's Report

**Daniel Shortill**

We have had another pleasing year. Each year we are getting stronger and stronger. We managed to put nine junior teams on the park in age groups from Under 10 through to Under 15's.

It was fantastic to see the T/20 and In2Cricket on Friday afternoons at Antony Waring. As recognition for his terrific work, the Western Australian Cricket Association (WACA) honoured Luke Salisbury as the '*Coordinator of the Year*' for the northern district. This was a great honour to Luke and the Club. A special thank you to Luke and Kat for all the work they have done with this program in the past few years.

I would also like to thank all the Coaches and Managers for the terrific job that they have done for our Club. I hope that those who can, will continue in these roles next season. As with every year, we will of course need new volunteers to help out our players and teams in 2015/2016. If you are interested please let me know.

Again, all of our Coaches were given the opportunity to do a Level 1 Coaching Clinic through the WACA. Our Club also now has several coaches qualified at Level 2. With overall player numbers rising, well qualified Coaches are a valuable resource. Our goal is to have a team in every age group within the next few years.

We also have a terrific group of parent/volunteers who give up their time for our children. I would especially like to recognise and thank the members of the Junior

Committee; Peter Byrne, Sharon Kidd, Toby Morrell, Kat Salisbury and Jacqui Hughes. They are some of the hardest working and most dedicated people I have had the pleasure to work with. If at any stage you have concerns please see your Coach or one of the Committee - we will always listen to you and do our best to help solve any concerns. If you are interested in joining the Committee, please let me know.

It was fantastic to see the way the players, families and Coaches went about playing and acting in the *spirit of the game*. We represent QRCC every time we participate in or spectate at a game and it is up to all of us to ensure that we support the Code of Conduct and its implementation. In addition, the progress the Club has made has been very pleasing. The extra coaching the players have received from our Coaches has meant that we are now regularly represented at District level with Joondalup Districts Cricket Club.

As the year has progressed the Junior Committee has become more autonomous in its decision making. I'd like to thank the Senior Committee, and especially the President, Damien Slattery, for their support in this regard.

As of next year, we will function under the banner of the *Quinns Rock Junior Cricket Club*. This is expected to be officially sanctioned at the upcoming AGM and it will allow us to better meet the needs of our players. Both sides of the Club will continue to work together for the betterment of cricket in our region. The Junior Committee intends to organise a web site to ensure everyone receives information about the Club in a timely manner.

Finally, I would like to thank the children who play for QRCC. You have done a fantastic job and I hope you have enjoyed your season and that we will see you back in 2015/2016.

We have a great group of people working hard for the children in this area to be given the opportunity to play cricket. Thanks to you all - you should be very proud of your efforts.

And remember – junior cricket should be all about ‘Fun and Skill’.

# Coaches Coordinator Report

**Toby Morrell**

This has been a challenging year for Coaches with most teams having extra numbers.

All Coaches have done an outstanding job and have rotated the players well through all the batting and bowling positions in each age group.

Throughout the entire Association, Quinns Rocks Cricket Club has had the least number of 'offences' in terms of their player rotations. This is important because errors in this area can cost points in the older age groups.

This year was the first year that we have had Managers to help out the Coaches and I think they have been a success and will continue for next year.

It's not a difficult job but it makes the Coach's job much easier and allows more time for them to help the kids learn the game of cricket.

Some great feedback has been received this year for our Coaches with an email from the Ocean Ridge Under 12's commending the Club and its players on the way they handled the passing of Phillip Hughes.

The Club would like to congratulate and thank all Coaches and Managers for the work they have done this year and hopes to see them again next year.

Well done to all of the Under 10's for a great first season!

Our team consisted of Harry, Eva, Luke, Wil, Evan, Haydn, Bailey, Tahj and JJ! Every player has improved since the start of the season. Well done to one and all.

I hope we see everyone back next year for a red hot go at Under 11's!

## Reflections Season 2014-2015

After a late influx of players for our Under 10's this season, I was a late appointment as Coach of the Under 10 White team. Getting to know the boys and trying to help them enjoy the game has been a pleasure.

I have noticed a consistent improvement in both the ability and confidence of all the boys.

I would like to thank Paul Tulloch for his assistance in training the teams together on Tuesdays. I would also like to give a big thank you to all the parents for their assistance on match days and at training. Without your help the boys' experience would not have been as enjoyable.

Last of all, to the players - Ashton, Jack, Kai, Regan, Riley, Sabtain, Thomas, Tristan, Zac D and Zac S. I have thoroughly enjoyed coaching you boys this season and hope that you all return next season to continue improving your cricket.

For a team that was hastily assembled, you boys performed very well together and enjoyed some really competitive matches this season.

Thank you again.

## Reflections Season 2014-2015

Heading into a season of cricket with 10 out of 11 players coming back from the year before, we had a great base of players on which to build a very competitive side for 2014/2015.

The first game of the season against Wanneroo proved this. We scored an impressive total of 3/122. Blair, Harry, Lewis and Elyjah all made double figure scores. In reply, Wanneroo made 8/68. Austin took his first ever hat-trick in his second over to help set up the win.

We had a lot of ups and downs this season. But we still achieved some great milestones along the way. In some games we lost too many wickets - 11 and 12 in a couple of games.

However, there were only four matches this year in which the other team scored more runs than us. This was a great achievement.

I wish you boys all the best in your cricketing careers. I hope you guys always play your hearts out and enjoy every minute of it. You boys always did this for me and this is all I asked.

Good luck in Under 12s! See you all next year.

## Reflections Season 2014-2015

One word describes how I feel about the boys and how they played - PROUD!!! Such a great group of boys that played well together and carried the spirit that is Quinns Rock Cricket Club.

Although there were not too many wins, the boys showed me that they have the potential to be a great little cricket side. I did drum into them on a number of occasions the importance of patience, line and length bowling, valuing their wicket when batting, walking in with the bowler and (the number one requirement) showing encouragement for their team mates and respect for the other teams.

There were some standout performances with the bat & ball that should be mentioned. Dale Goosen is an outstanding batter with a great technique that will see him go a long way in this game. Liam Benaquista achieved the season high score with a solid 31. Mitch Vaz has the potential to be excellent batsmen with a very good eye and has great timing of the ball.

Everyone batted well this season and on a few occasions we were able to meet our goal of batting out the 48 overs. Discipline is something that they will grow over time.

James Anderson is one of the most passionate players I have seen for his age group. A sensational bowler and always very keen to listen and take on board advice. Charlie Thomas is another bowler who will be very quick in years to come.

And in addition, Charlie P, Liam, Shae, Cody, AJ, Matt, Mitch and Robbie all had great seasons with the ball, steadily improving as the season went on.

I must give special mention to Mathew Potter who throughout the season has displayed exceptional encouragement not only towards his own team mates but also toward the other teams.

It is true in the game of cricket that not everyone is a batter nor is everyone a bowler. At this level the boys first need to learn that discipline and patience is what makes a great cricketer, whatever their area of expertise.

I thoroughly enjoyed coaching the boys this season and I am extremely proud of their achievements at a personal level and as a team.

Thanks also to their parents for their great support. Thanks for the opportunity to coach your boys. Each and every one of them are champions! Thanks to all the parent helpers and in particular Danielle and Stuart for their help as Managers. You guys made my job so much easier and I really appreciate it.

## Reflections Season 2014-2015

The Quinns Rocks Under 12 White team are an enthusiastic bunch of cricketers! Week in and week out they commit 100% to training and playing, always giving their best effort. I am very proud of their never-say-die attitude and I get a kick out of seeing them enjoying playing cricket.

The core of this team has now been together for three seasons, having started in Under 10's. This year, their skills have continued to progress, with a real focus on valuing your wicket when batting and targeting the right areas with the ball.

The transition to 2 Day (48 over) Cricket was a challenging one, but the boys showed improvement in their ability to concentrate for long periods in the field as the season progressed. We have talked lots this year about seizing those 'moments' that appear in every cricket game – those times when the game could go either way. We've started to own some of these moments when fielding with fantastic unassisted run outs and great catches. Now we need to focus on creating these moments when we bat – building competitive totals that we can defend with the ball.

This year, extra leadership opportunities existed. Some boys won selection into District sides as a result of their excellent performance last year and at trials. By season's end, we have had more players who are ready to try out for selection in next year's teams. All of our players have also been given the chance to Captain our team at some stage throughout the season. It's been great to see the boys embrace the challenges that Captaincy presents.

The Phillip Hughes Memorial Match was a special day during the course of this season. We saw wonderful maturity and leadership from our boys as we hosted Ocean Ridge at Aldersea. We talked about the joy of cricket, whilst acknowledging the risks, and spoke about spending time with your mates. This game, and every subsequent match, has been played with great spirit and enthusiasm. Even on the very hot days through February and March, our lads kept smiling and were clearly enjoying their cricket and being together.

I would like to thank our parents (and growing band of friends and family) for their ongoing support and their patience as the boys continue to learn more about the game and its skills. Although the results may not have gone our way this year, there is so much to be proud of about this team. Time is a great teacher and these young players need a little more time to hone their skills. But I am willing to predict that we will see a fine set of cricketers emerge from this group in the next few seasons. Stick at it lads – you're doing great!

I would also like to note a special thanks to Team Manager Matt Henry who took on organisational duties (inclusive of warm-ups) as well as Andrew Daniel who gave me a break from umpiring each and every week. Thanks also to all of the parents who had a turn at scoring throughout the year.

I look forward to seeing our boys continue their cricket journey next year and in seasons to come.

## Reflections Season 2014-2015

Well it was a great season from the Under 13's at Quinns Rocks Cricket Club. We only had the one win but were quite competitive in many games losing by a handful of runs or a couple of wickets. We've had a lot of improvement from all the boys this year with batting, bowling and fielding. It was also pleasing to see so many retirements and personal bests achieved.

It was a pleasure to be the coach of such a great bunch of boys and their families. Thanks to Bob and Bevin for scoring each week.

## Reflections Season 2014-2015

It's been a great season this year and the boys reached the Semi Finals for the second year running.

Unfortunately, we lost a valued team member who moved back to Victoria. Mitch Pope was showing great improvement and the boys have missed him. We wish Mitch and his family well.

There were some outstanding individual performances throughout the year. This included Ewan Brazier, who scored 72 not out in Round 3 and Dylan Rasheed, with great knocks of 45 not out in Round 1 and 47 not out in Round 8.

Other consistent performers with the bat were Nathan Clayton and Braydon Vaz. Braydon also performed well with the ball, claiming 3 for 1 in Round 3. Antony Donovan took 3 for 18 in Round 2, Jeremy Crouch got 3 for 20 in Round 7, Zain Afzal claimed 3 for 15 in Round 8, and Dylan Rasheed took 3 for 24 in Round 9.

In the Semi Final James Hughes got 3 for 32. Well done to Nathan Clayton for being the leading wicket taker this season.

Congratulations also to the three players (Nathan Clayton, Reegan Wilson and Dylan Rasheed) who made the Joondalup Districts team. Also, best of luck to Braydon Vaz and Antony Donovan who are currently trialling for Joondalup Districts.

Overall, we have been very impressed with the calibre of the all the boys and their improvement throughout the season.

We look forward to seeing everyone again next year.

## Reflections

### Season 2014-2015

Firstly let me thank the Club for the privilege of coaching the Under 15's this year. Secondly, a big thank you to my parents for entrusting me with the responsibility of looking after their children and assisting with umpiring and scoring on match days. Sharon Kidd, who is my Team Manager and also the Junior Registrar, did a mountain of work for everyone - a thank you here is just inadequate but thank you Sharon. I would also like to thank Brodie Downen who took the team on match days for the first half of the season - a big thank you for helping out.

The best part of 2014/2015 was to see the improvement in each and every player. Congratulations to Callum Morrell, Ryan Ferguson and Declan Kidd for making the Joondalup Districts Team. Great effort boys! We had 7 boys play Senior cricket for Quinns this year, culminating in Jamie Downen playing in the One Day Grand Final. Their performances at Senior level will ensure the future of the Quinns Rocks Cricket Club is very bright indeed. As well as the boys already mentioned, Brock Midson, Blayn Sweeney and Connor Heywood all acquitted themselves well in Senior cricket too.

Apart from Connor we also had a new player to the team this year in Nikhil Eraman who is developing into a good fast bowler. Travis Campbell and Michael Broughton improved their bowling to a new level this year and with continued improvement will take a lot of wickets in Senior cricket. Our spin twins, Jake Moore and Jack Crossley, took wickets at regular intervals this year and bowled really well in tandem. Byron Reid continued his development in both batting and bowling and is now a genuine all rounder with unlimited potential. Riley Wilford is the "Jack of all trades" in our team whether batting, bowling (medium pace or spin) and culminating with him keeping in our last game - he has untapped potential in all facets of the game.

Our team performance can be summed up in two games this year. We were in trouble in Round 7 at 9/125 when Jamie (21) and Travis (11\* including a six) put on over 30 for the last wicket to get us to 157. The game got tight but due to some great fielding and Blayn taking 3/9, we bowled them out for 133 to win the game. The other game was in Round 9 where we batted first and made 355 with Callum making 71, Blayn 44, Declan 40, Jamie 39 and Ryan 36. These games proved that we could defend low totals but when conditions suited we could still make big totals. Most of this team were together when they set the Club junior record score a couple of years ago, making over 400. Our biggest issue this year was consistency; in far too many games our batting or bowling failed at crucial times but as the above games demonstrated, we were still capable of "turning it on".

Finally as I said at the start of this report, it has been a privilege to observe at close hand the continuing maturity of this group not only in their cricket but also as fine young men who are a credit to their parents. I wish them all the best in their future endeavours in whatever field that may take them. See you all in 2015/2016.

## Reflections

### Season 2014-2015

Well done to all the boys who enjoyed their season playing for our team. It was a season of mixed success, with many individual highlights but unfortunately there were few occasions where we could string these together to achieve positive results. I do know that the boys had fun, developed their skills and improved significantly over the season. After starting the season not thinking we would have enough players to fill two sides, a late influx meant we were able to field a side of 15 players.

In the field we were at times world class. Some of the catches taken, especially by Keegan, Menno and Dylan showed incredible reaction speed and commitment, to the joy of all spectators. However, a lack of consistency in our bowling attack meant we did not sustain pressure and especially early in the season, gave away far too many extras. Over the season this did improve and I hope the boys can carry this forward into next year to really start working in their bowling pairs from game one. Well done to Mark for taking the most wickets with the ball as well as the most dismissals in the field. Well done also Keegan, Sam and Saad for picking up 3 wicket hauls, and to Ryan, Saad and Jared for some great sessions of bowling that deserved more wickets.

The true ability of our batting line up never really blossomed. I'm not sure if it was the pressure of the match situation, but the freedom that batters enjoyed at practice or during a second innings of a match when the pressure was off could seldom be achieved in posting a credible first innings total or chasing down a score. The spectators were treated to some great shots and we definitely do have talent - way more than reflected in our results. Well done to Roedolf for accumulating the most runs for the season, and to Ali, Keegan, Jared, Dylan and Sam for some valuable innings and partnerships. It does have to be said that due to the numbers of players and current junior rules, often batters were retired and unfortunately were unable to return to finish off their not out innings.

Congratulations to the team on your achievements during the season and the fun you had on and off the field. Well done to Keegan and Dylan on your improvement and success during your first season, not only in Under 15's but also the T20 competition and games in Seniors. But my player for the year goes to our team champion Roedolf whose love of the game, individual performances, captaincy and spirit throughout the season needs to be recognised as something for all players to aspire to.

Thanks again to Rick Sherlock for assisting with the coaching and umpiring; Johan, Bev and Mariolize for scoring; Todd and Nigel for helping out at practice and Mark for the MyCricket updates. Also a big thanks to the Senior players who have helped mentor the boys as they are introduced to Seniors cricket, and I hope to see more of the boys making the move to Seniors next year.

# QUINNS ROCKS JUNIOR CRICKET CLUB

## Brian O'Connor Award

This award is presented in memory of a young man who was tragically killed at the age of 12. Brian was a real trier who put everything into cricket and simply loved to play the game. Brian always showed great citizenship, and was honest, polite and constantly trying to improve his skills. The award recognises the efforts of a 12 year old player who displays these same attributes and sets an example for others. This year's winner is always talking positively on the field and constantly shows respect for his opponents. He has helped gel his team together and improve its performance.

## Gordon Watson Award

This award is presented to the Junior Club Champion. It is named in recognition of Gordon Watson – for his achievements and his wonderful service to cricket over many years. Gordon has strongly promoted the development of junior sport and continues to do so. All junior players are eligible to receive this award and it is calculated on a points-based system. Every run scored awarded one point, every wicket taken awarded 12.5 points and every direct hit run-out, stumping and/or catch awarded 10 points. Points are calculated at the end of the season and the award is given to the player with the highest number of accumulated points.

# 50 Junior Games

This season, we are introducing medals to recognise those members who have played 50 Games of cricket for the Quinns Rocks Junior Cricket Club.

A list of those boys who achieved 50 Junior Games is shown opposite.

The Club would like to say well done and congratulations to this group of players. This achievement represents a serious commitment to the Club over a long period of time.

For example, a boy or girl who starts playing competitive matches in Under 10's, may take until Under 14's or even Under 15's to reach this magical milestone.

We have many more players who have played 30 or 40 games for the Club. It will be their turn to be awarded this special medal in the seasons to come.

# Where Are They Now?

## Joe Inglis

### Winner of the Gordon Watson Award 2010-2011

Since playing his junior club cricket at Quinns Rocks, Joe has moved to playing in the WACA District Competition. This season, he has represented Joondalup Districts Cricket Club in the Colts League, as well as playing in the 2<sup>nd</sup> and 3<sup>rd</sup> Grade Competitions. Joe has had an excellent season with the ball and also played in the JDCC Colts team that claimed the 2014-2015 title (pictured below).

## Nathan Alexandre

### Winner of the Gordon Watson Award 2011-2012

Nathan was a highly accomplished junior cricketer at Quinns Rocks. After finishing in the Under 17's last season, Nathan, like Joe, has also progressed through to the Colts League at Joondalup Districts Cricket Club, and was also a member of the Premiership winning team. He too has made regular appearances in Joondalup's 3<sup>rd</sup> Grade WACA side. As an all-rounder, Nathan has had a very solid season in 2014-2015, scoring in excess of 200 runs and taking more than 30 wickets.
