Thank you Daniel Shortill for your service to our club

Daniel first began his journey as President with the QRCC back in 2010/11 when the Seniors and Juniors were one club. He served as president for two years, then spent two years as Vice President, before taking the Junior club out on its own in 2012/13 as President until this season in 2022-23. This makes him the longest serving QRJCC president!

Over the years he has worked tirelessly with the support of many fantastic volunteers to build our club into what it is today...something we can all be proud of!

Danny has always put our club first and has gone to bat for QRJCC on numerous occasions. The clubrooms are proving elusive, however he has been successful in getting his foot in the door and one day we hope to call Halesworth home with clubrooms of our own to show our proud history and the amazing achievements of our players.

Anyone that knows Danny will recognise his smiling face which is usually accompanied by his best friend, Rosie, looking fabulous in her QRJCC scarf. Making the rounds each week is one of the highlights of his role as president. It always made him proud to see the sportsmanship, comradery, laughter, skills and our players simply having fun. Rosie was always by his side enjoying the puppy pals she met along the way and the endless pats, not sure who enjoyed 'around the grounds more ha ha'.

To our strawberry milkshake loving president we can never thank you enough for raising our club to where it is today. Your dedication and commitment is second to none, you only need to look at our Club of the Year status, 2 years running! Of course he liked to remind us all of this every chance he got ha ha.

Rest assured that you have built a strong foundation for us to stand tall on, and we will rise up to continue to make our club one we can all be proud of for years to come.

Thank you for giving us 12 years of your life and we look forward to seeing you and Rosie around the grounds from time to time.

Club Reports

President's Report

What a fantastic season it has been in 2022-23. The most pleasing thing traveling around the grounds is the continued development of players skills and understanding of cricket. Also the positive interactions of our families and the support of all players. I have always believed the way to succeed is through 'skill and fun'. As I write this year's report we have five teams that may make finals, if they make the finals that would be an accomplishment for the club. Congratulations to everyone involved in getting these teams this far, we are so proud of you all as we are of all teams who have participated this season. In particular a huge thank you to our coaches and team managers, we simply could not function without you.

Thank you to Leroy Basson and team for coordinating the Blasters this season, although ground conditions and facilities were a little challenging at times it was great to see the new generation of cricketers begin their journey. Next year we plan to make the program bigger and better back at our old ground at Belhaven Park.

Thank you to our volunteers on the committee who work hard to provide the best club possible for our members. Everyone is busy with their own lives and I thank them

for giving up their personal time to dedicate to their role on the committee. We have a number of committee members moving on after this season has ended and I would like to thank them for their valuable contribution to our club. In particular Jade McMillan who has done a wonderful job as our dedicated Registrar for the last 5 years, we sincerely thank you for your hard work and dedication.

This will also be my last year as President. It has been my pleasure to lead this club since 2013/14 when we separated from the Senior club and watch it grow and develop into one of the leading community clubs in the northern suburbs. Rosie & I will miss our weekly rounds however we look forward to visiting you all from time to time.

To the families who support their children to play, thank you. Enjoy the off season and I hope you'll be back at the club for the 2023-24 season.

Director of Coaching's Report

Hard to believe that another season is already coming to a close.

I would like to start off by thanking all the volunteers at our wonderful club. Without your time, energy and effort we would not be here today.

Due to taking on a coaching role with the yr 7's I was not able to get round to as many games as I would have liked, however, when I have, I enjoyed seeing the enthusiasm and dedication.

We hit a snag early on this season with the coach of our Yr 9 Blue team quitting a couple of games into the season. Graham and Kim took over and did a great job in testing circumstances. With this change it left us short in that team and we relied on players from the Yr7's to play up. A big thank you to Moksh, Dylan and Theo who stepped in and helped out.

The year 9 white were short on occasions, and we relied on boys from the yr8's. Thanks to Jayden, Ashton, Hope, James and Shaan who have all played this year.

Our long running president is stepping down at the end of this season, I would like to say a huge thank you to Danny for

his commitment to the club. Unfortunately, I too will be stepping down from my role, my commitments outside of cricket have gotten too busy and I no longer have the time

to dedicate to cricket. I won't be going away and will still be around in an informal capacity which will hopefully allow me to focus on one on one and group coaching with the kids.

Despite the changes, I believe that the club is in good hands with a strong committee who will continually strive to move us forward.

To all the players, thank you for your efforts this year and to those who are playing their final season with us. I hope that you continue to be involved in the game that we all love in one way or another.

I hope that by the time you read this we have added to our tally of flags. Go Stingrays!!

Pink Stumps Carnival Weekend

Our Pink Stumps fundraising weekend was held in February. Over the weekend teams were invited to Pink It Up and collect donations. So many teams joined the fun, adults and kids alike and together raised \$690.00. Congratulations to the Yr 6/7 Purple and White teams upon being the clubs top fundraisers, who together raised a huge \$317! Thank you to everyone else for your generosity for the McGrath Foundation.

A highlight of the Pink Stumps weekend is our traditional Yr 6/7 (previously known as U13) Purple versus White derby for the Morrell Cup. It was also the Reconciliation round and the day began with a bare foot circle led by the two captains. Now in its 6th year, the very pink affair was played with much enthusiasm and respect, and a highlight was Coach Andrew in a tutu and with a bow in his hair. The White team took home the cup with a huge win, and some huge scores with the bat. However, the outstanding performance of our Purple team must be mentioned. The team has many younger girls many of whom would have played in the Yr 4/5 completion had we enough players.

These girls played with gusto and big smiles, had a blast and the Spirit of Cricket was alive and well. I had the pleasure of presenting the cup on behalf of Toby Morrell, who was absent due to his role as Coach for the WA Blind team. Post-match the game was celebrated with a deliciously pink morning tea.

Again thank you everyone for supporting this amazing organisation.

Player Leadership Group

The Player Leadership Group (PLG) continued to provide QRJCC's Players with a forum for discussing their ideas, with each team from Under 13's up nominating a player representative to be a part of this group.

The PLG members have provided valuable feedback and new initiatives to improve the cricket experience for all players. They have consistently given up their time to attend meetings, discuss ideas with their teammates and to assist with club projects.

This season the PLG were invited to join Club President Daniel Shortill in selecting the trophy styles for our club awards. It was great to see the selections made from a player's perspective - they even introduced a new award with a new trophy into the mix.

In addition to giving up their time for meetings, this season the PLG and other amazing volunteers assisted with our Cricket

Blast Program. Every Friday evening throughout the season they coached, encouraged and inspired our littlest cricketers.

We would like to thank Steph Potgieter, Steph Spadaro,

Sophie Byrne, Sasha Gerrick, Jacob Cowap, Polly Phillips, Zoe McMillan and Adi Philips for being such fantastic role models and ambassadors for QRJCC.

As we continue this program into next season, now is a good time to talk to your child about whether they would like to nominate to be a part of this group when it reconvenes next season. Nominations will be called for by Coaches in the early part of the season.

Entry Level Programs

What an exciting and successful year it was.

The Blasters moved to Halesworth Park in Butler where Rosie's den (The pink container) was our trademark. Our sessions were held on a Friday night, and the kids were having a blast!!!

The Christmas session was one to remember,... with our Santa handing out gifts, cool drinks and icy poles!!!

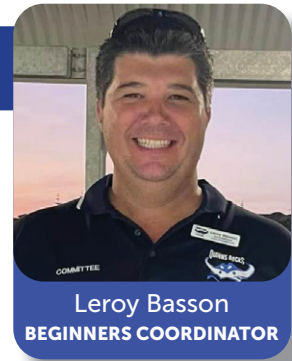

We also had our special Star Blasters program running this year, and that was a huge success with the new Star Blasters Kit.

Due to weather (wind) and the clubhouse not being ready, we have decided to move back to Belhaven Park on Friday evenings.

It was such a pleasure spending this season with your beautiful children and getting to meet all the committed parents.

The Beginners program is the starting point for most players, but it is also the future of the club.

Thank you to each and every one that helped make this a successful season and investing in your child's love for cricket and in the future of QRJCC.

Girls Cricket

It has been another awesome season for our girls at Quinns. We have just finished six years of all girl competitions and took to the field with 4 teams. While the number of players may appear smaller, our Stage 2 and 3 teams require 9 a side. Of our two Year 6/7 teams, one was an experienced group of players in their 2nd year of this division – they will all move up next season. The other consisted of new players and of our youngest girls, who bravely played up, as there were not enough girls to create a Year 4/5 team. This group of girls bonded beautifully, developed their skills and had an absolute blast. Our Year 8/9 team welcomed our first female coach with original Stinger Renae Bugg taking on the role. What an inspiration for our players! Congratulations also to this team for making it to the finals. And, for the first time ever we had a team in the Year 10-12 competition. It was a competition of 12 teams and the girls enjoyed the diversity of playing against clubs from far and wide.

Our reputation as friendly, respectful, positive and inclusive players on and off the field continues. The support and encouragement our girls continue to offer each other, as well as the opposition is fantastic. Thank you also to all our teams and coaches who regularly stepped up to offer fielders to other clubs that were struggling with numbers.

The milestones and great opportunities for our female players have been plentiful. Many girls played their 50th game this season, with a large number from our Yr 6/7 team. Run totals continue to increase but we are still chasing the elusive 50. However, the ball has been knocked out of the park many times with the number of girls hitting a 6 going up dramatically! Quinns' girls again participated in the WAC run Emerging Leaders Workshops. Aimed at players 14 years of age and over, the girls participated in a series of workshops that develop all aspects of leadership. To be selected applicants addressed criteria and many of our girls have since been able to put their leadership skills into practice by becoming members of the Player Leadership Group. PLG girls also assisted at Blasters on Friday nights, by running small group activities. A group of girls (and boys) were invited to participate in the Club March

at Optus Stadium in January. Held just before a Scorchers game the players thoroughly enjoyed the experience, especially being interviewed and meeting Scorchers favs.

Premier cricket continues to flourish for female cricket and for even more of our Quinns players. This season we had players represented at two premier clubs; Wanneroo Districts CC, as members of the Mike Hussey Cricket Academy U14 squad and U17 Youth League, and at Subiaco-Floreat CC in the U17 Youth League. Both Wanneroo and Subi-Floreat made it to the T20 finals. Season 23/24 squads are being finalised for both, and we have girls trialling and selected at both clubs. Wanneroo has also expanded their programme to include a female futures squad, as well as entering an A –grade team for the first time. This means both clubs have full pathways for our elite female cricketers which is fabulous.

As I say each year, to our AMAZING COACHES and ASSISTANT COACHES thank you for continuing to share your knowledge, passion, time and dedication with our players. Most of our coaching teams have been actively involved with girls' cricket at Quinns for many years and have played a major role in the success of our female programme. It is a joy working with you all and I thank you for your guidance and support along the way.

Thank you also to our FABULOUS FAMILIES who make cricket happen through their contributions as committee members, scorers, team managers, equipment carriers, chauffeurs and cheer squads.

Have a fabulous break and enjoy whatever winter brings for you.

Cheers

Sophie Gerrick

Boys Cricket

It is hard to believe that another cricket season has ended (nearly ended as I write this!!)

A quick word on the end of the 2021/ 2022 season which saw QRJCC win their first ever flags with both the u14 white and u14 blue winning. An excellent achievement. Well done to all the boys who played their part.

As I write it looks like Year 7 white, Year 8 white and Year 9 white are all strong possibilities of playing finals this year. Here's hoping that we can bring in some more flags!

We had a few issues at the start of the season losing a coach early on in Year 9 blue was a set-back, however, a huge thank you to Graham and Kim for taking over. With the loss of a coach we also lost a couple of players so a massive thank you to all the boys from the Year 7 that have filled in.

One of the great things about our club is the willingness of players (and parents!!!) in filling in for other teams. Kingston, Josh, Lucas, Jaxon, Manav, Laksh and Fenil have all helped from the Year 5's in Years 6 and 7. Will, Corban and Tim have all played Year 7 this year and Bailey has played in year 5 to help out. On a couple of occasions, we would have had to forfeit without the children stepping up, so once again thank you boys.

We have also once again had a good number of boys representing our club at district and state level. First up was Beau Rebeira who made the WA school squad for the Australia wide tournament in a rather chilly Ballarat. WA reached the final losing narrowly and Beau was named WA player of the tournament. Well done Beau, a fantastic achievement that you should be proud of.

District wise we had Josh Redman captain the Wanneroo u15 side, Liam Mayo Hopkins played u14 for Wanneroo and Josh O'Hare played for the development squad.

At Joondalup we had strong representation, Joondalup representatives were Isaac Canzirri and Joe Kulir in the development squad. Beau Rebeira, Shaan Darji, Jaycee Williams, Cameron Houghton and Dylan Steyn in the u13s, Jacob Cowap and Hope Rawson in the u14's and in the u15's we had Jesse Sanders and Krish Darji. They will be joined next year by Josh Steyn, Lucas Keyes, Ben Parsons and Lachy Giles in the development squad. Josh Lange, Ripley Scaife, Rishi Vigranam and Josh O'Hare will all play u13's and Archie Calverley 14s and Jayden Van Vuuren in the 15s. Well done boys.

A huge thank you to all the coaches and volunteers who have been involved this season. I am eternally grateful for your dedication and passion. We could not run without you.

Lastly, I wanted to especially thank Glen Willis of Year 7 blue, unfortunately for us Glen's son Will ruptured his ACL playing footy (no idea why anyone thinks playing footy is a good idea!!), having coached the team the last few years, Glen had no hesitation in stepping up again and coaching. Thanks Glen.

I hope you all enjoy the off season and we see you all again later this year.

What our Star Blasters have to say about their cricket season.

Sean

"My favourite part of cricket is playing with my friends."

"I like hitting the ball."

Austin

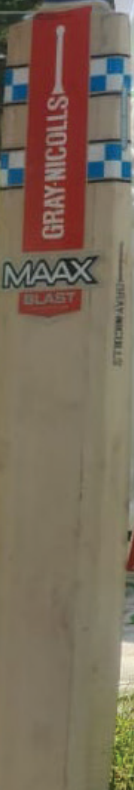

"I love to bowl the ball at the wickets."

"My favourite thing this season was getting my medal."

Sarah (Sean's mum)

Sean has really enjoyed participating in the Star Blasters cricket program. It has been fantastic to see the progress he has made over the season, both in terms of his skills and coordination, as well as working with others. We are looking forward to next season!

YEAR 4 BLUE TEAM

QRJCC 2022/23 SEASON

Back row (L to R): Ralph Lange (Coach), Luca Britz, Luca Gore, Lachlan Van Vuuren, Alexander Ebertsohn, Malakai Osborne, Marsha Lange (Manager)
Front row: Cooper Martin, Ian Pestell, Jordan Lange

As a first time coach for my eldest son's team last season, it was only fitting that it was now my youngest one's turn as it's his 1st season of club cricket.

Coaching junior cricket allows me to pass on all the experience and knowledge I've gained through my own cricket journey. It brings enjoyment and fulfilment watching boys develop into potential top class players. Nurturing and refining their raw talent enables them to be the best they can be.

This season saw me take that responsibility with the Y4 Blue team. We had a few 1st time players in Cooper, Jordan, Malakai, and Ian join Luca B, Luca G, Lachlan and Alex having played the previous season or come up through the Blasters program.

Watching the boys evolve and develop a special bond saw them competitive in all games and achieve some good results, which gave me immense pride in their accomplishments.

Throughout the season there were some individual performances of amazement and brilliance which will be long remembered. In batting we were treated to Jordan's astonishing innings of 38 off 15 balls (8 boundaries and a strike rate of 253!) being a standout; Lachlan's power hitting innings of 22 off 15 balls (5 boundaries); Luca G being the 1st one in the team to hit a 6 as well as consistent performances from Ian, Luca B, Malakai and Alex.

In bowling we were in awe of Cooper's amazing spell of pace bowling taking 6/6 of 3 overs (including a hat trick which he obtained from the first 3 balls of his opening over!) being a standout; Lachlan, Jordan and Luca B all taking 3

wickets in a game at various stages.

Out in the field we saw Ian take 3 catches; Lachlan and Alex with 2 each; Luca B, Malakai, Luca G and Jordan all taking 1.

Some brilliant fielding throughout the season saw us produce 27 runouts to date! Jordan leading the way with 7 followed closely by Ian with 5; both Lachlan and Alex had 4 a piece; Luca B with 3; Luca G with 2 and one each to Cooper and Malakai. Contributions from everyone resulting in an all-round team performance.

Well done on your achievements boys! It was a delight to watch. It was extremely pleasing to watch you all individually and as a group.

A special thanks to my wife Marsha for stepping into the Managers role. The enthusiasm and support you brought to the team made it such an enjoyable and memorable season for all. Also a big thanks and appreciation to Aleesha for scoring most of our matches along with assistance from Nathaniel and Nolan; Luke for assisting me on match days and at training along with Jett. Last but not least, I'd like to thank the parents for their help throughout and in supporting their sons on their cricket journey as this is what makes community sport exist.

Finally to my group of young cricketers, congratulations on a wonderful season and I wish you all the best for the future. May your passion for the game stay with you for many years.

Back row (L to R): Daniel Sherriff (Manager), Daniel Haubner (Coach)
Front row: Jaxon Sherriff, Tatum Haubner, Mac Osborne, Harry Brown, Taj Pinkerton, Kade van Staden, Ryan Johnston, Jaxon Canzirri

It was an absolutely amazing year for our boys.

As a coach I couldn't be prouder of the team this year. It was the first year of playing team cricket and first year together as a group. Each player showed strong sportsmanship and did an amazing job as a team. We had some tough games throughout the year where the boys learned a lot and came back stronger. The highlights for me were the hard fought games, which were close, and the boys managed to pull together and get the win, which was super impressive.

Another highlight for me was a lot of the opposing teams were very impressed by the way the boys conducted themselves, on and off the field with great sportsmanship. This is the way cricket should be played- so hats off to the boys.

I would also like to thank my right hand man, and good friend, Dan Sherriff for his amazing support throughout the year- whether it be coaching or managing. I definitely couldn't

have done it without him and couldn't have asked for a better manager. Well done, mate and thanks for all your help.

I would also like to thank all the parents and their extended families for coming to the games. Also, not to mention all of the training drop offs, scoring, fruit and lolly organising. Everyone played their part. There has been amazing support for the kids, there were some close games where the support and encouragement from the sidelines was what got the boys over the line.

As a coach I couldn't have been with a better bunch of kids and parents as a whole. So, thank you to everyone for an amazing year. I hope all the kids continue to play cricket as they have all shown some amazing talent.

I have had the most amazing experience being selected to coach this wonderful group for a 2nd time! I was fortunate to retain 3 of my group from last season (my senior players) who have shown fantastic leadership and built excellent camaraderie with our new boys to the team.

What progress the boys have made this season! At our first session I asked the boys what they enjoyed, and where they wanted to improve, and haven't they just improved out of sight!!! We have had so many highlights and spectacular efforts, it is so pleasing to be part of it!

I have loved the fact the boys have developed and shown such amazing teamwork, spirit and sportsmanship as the season has gone on. Each week, each training session, every game day they are encouraging each other's success and improvement!

This team could not do what they do without the support of their parents and relatives, and I could not do what I do without the wonderful efforts of everyone assisting me at training and on game day! This is a shout out to all of you, thank you so much for giving up your Wednesday afternoons and bright, early Sunday mornings and getting these characters playing the game we all love!

Boys, who are we?!

Lets go!!

Coach Jayden

YEAR 5 BLUE TEAM

QRJCC 2022/23 SEASON

Back row (L to R): Bonnie Finiki (Manager), Zaine Beckwith, Rhys Rixom, Jaxon Searle, Manav Rawat, Paul Searle (Coach)

Front row: Neelay Wadhvani, Fenil Shah, Akshat Rana, Jayden Evans

We came together at the start of the season and made a commitment to work at being better than we were the week before.

We had a tough start to the season with a 78 run loss, losing 15 wickets in the process. The boys, to their credit, worked hard at training to improve their defensive batting and running between the wickets. The next game we had a win and even more pleasingly, only lost 2 wickets.

We went on to win many more games by maintaining this approach throughout season. Each week after the game we would talk about what we did well and what we could improve, then at training we put in the work, having fun along the way.

I'm extremely proud of the boys for always giving their personal best and looking out for each other. They played every game in the spirit of cricket, enjoying the team's success and learning from the times when things didn't go our way. This produced consistent improvement throughout the season.

Akshat joined the us after the start of the season and quickly settled in to be a fantastic team player. Always keen to learn, he worked hard showing great improvement in his application and skills throughout the season.

Fenil emerged as a strike bowler with tremendous potential. A consistent wicket-taker with fast and accurate swing bowling, he challenged all opposition batsmen. With his dynamic bowling, solid batting and fielding, he competed strongly all season.

Jayden missed part of the season with a broken finger but came back strong. With improved pace in his bowling, safe hands in the field, and effective batting, we were a stronger team with him in the line-up.

Jaxon was Mister Consistency. Always in the game, he led by example. Taking wickets with accurate swing bowling, scoring runs with sound batting technique, and getting it done in the field. He played every game with great determination.

Manav demonstrated outstanding leadership and sportsmanship, always encouraging his teammates. With express pace bowling, hard hitting batting and terrific energy in the field, he consistently set the standard for his teammates to follow.

Maurice was only with us for a short time but settled well with the team. With safe hands in the field and always keen to try his best with bat and ball, it was great having him in the team.

Neelay, our "Little Master", emerged as a batsman with great potential. Displaying an exciting array of shots all around the ground and an improving defence, he scored lots of runs and did it in style.

Rhys always gave 100 percent. An outstanding team player, he worked hard to improve his skills and had fun doing it. His determination and leadership were an important part of our team's overall improvement and success.

Zaine showed tremendous potential and improvement in his first season of cricket. Always encouraging his teammates, he contributed strongly throughout the season with his left arm medium pace, big hitting, and athletic fielding.

A massive thanks to all the parents who helped out during the season, we wouldn't have a team without your assistance. I hope to see you all next season

YEAR 5 WHITE TEAM

QRJCC 2022/23 SEASON

Back row (L to R): Samantha Moor (Manager), Aubrey Steyn Coach
Middle row: Cylus Haubner, Kingston Moor, Joshua Steyn, Lucas Keyes
Front row: David Riekert, Laksh Parikh, James Knoesen, Drushil Chauhan

Cylus – Has been improving all season and it’s been great to watch. He’s a deceptively fast bowler who’s been getting more and more accurate as the season progresses. With a little refinement to his approach and action he’s definitely going to be a difficult bowler to face in the coming years. When it comes to batting, Cylus is potentially the most powerful batsman in the team. He really listens during training and is someone that’s looking to constantly improve. Well done on an excellent season Cylus!

David – This was David’s first full season playing outdoor cricket. It’s been so great watching David’s progression this year, he’s always happy to come to training and really listens to advice. He’s worked hard on both his batting and bowling and is often the loudest voice on the field, always encouraging and keeping the boys motivated. David is also by far the best ‘one handed’ catcher in the team! Well done David, keep up the great work!

Drushil – This was Drushil’s first year playing for Quinns. Having seen him bowling last year (and at indoor cricket), I knew we had a dynamite player joining the team. Drushil has one of the smoothest, fluent and natural bowling actions in the team and can genuinely swing the ball both ways. He’s still a year younger than most on the team but bowls with a maturity beyond his age. He’s a great technical batsman as well. It’s been great coaching someone with such a passion for the game (and someone who’s always looking cool on the field with his wide brim hat and a cool pair of sunglasses). Drushil, you are brimming with talent and It’s been great watching you play - I look forward to seeing you get faster and faster in the coming years!

James – A great year with both bat and ball....as for fielding.... James was our very own “Jonty” in the field, his ability to get to the ball and then throw down the stumps was a pleasure to watch. James’ batting was technically one of the best in the team with a great stance, good balance and a high elbow when playing the cover drive. He was also the only spinner in the team and it’s been great to see him get better and better, he’s slowly developed more and more control, landing more balls in the right areas and extracting great ‘turn’. Well done James, love your work!

Josh – An outstanding season with both bat and ball and a genuine allrounder that keeps going from strength to strength. I’ve enjoyed watching you improve and loved every minute of

being there to coach and watch you play. Your outswingers have been a pleasure to watch and I bet you can’t wait till you’re able to get LBW’s! A huge highlight would have to be you stepping up to play in an U12’s game and hitting 49* not out, including a massive 6. Keep learning and improving.....I’m sure there are many more runs and wickets coming your way!!

Kingston – Kingi has had a great year and keeps going from strength to strength. I’ve watched Kingi play through U10’s and now U11’s and it’s been wonderful to see him improve. Kingi has been consistent in his bowling and almost always has a ‘W’ against his name in the wickets column. He’s alert and always backing up in the field. His batting has probably shown the most improvement over the past season, learning to pick the right balls to hit and playing straight has opened up multiple scoring zones for him. He has a natural eye for the ball that I’m sure will put him in good stead for playing in U12’s. A pleasure to coach....well done Kingi!!

Laksh – Always has a smile on his face and looks like he’s enjoying his cricket. Laksh has the ability to bowl great leg-cutters and consistently takes wickets in every game. He has great timing and is deceptively powerful with the bat, often coming in and hitting quick runs when needed (with some of the best calling between the wickets). He listens, takes on advice and is always wanting to improve which is a great attribute to have. I distinctly remember working on his bowling approach and seeing him consciously practicing the following week. Well done this season Laksh!

Lucas – Probably the most improved junior player the club has had over the past 12 or more months. For someone who only started playing cricket a year ago, you’ve turned yourself into a bowling super star!! Seeing the improvement and gains you’ve managed to achieve has been a pleasure to be a part of. With over 20 wickets in the season (including x 2 - 5wkt hauls) you’ve shown what practice and determination can do. I can’t wait to see where your cricket takes you in the future – keep bowling those in swinging Yorkers!!

Thank you to all the parents for all your support and assistance throughout the season!!

Time for my final write up for the season. What a year it's been, it started with me receiving an email saying the team had no coach. No coach no team meant I automatically put my hand up and what a privilege it's been for my first year as coach. Anyway enough about me and onto how the season went.

The season started with a lot of unknowns as I had never coached before and three of our players had never played in club level cricket before. The first game was although a loss it was definitely not a bad loss, having only managed to get two wickets and getting out ourselves eleven times we quickly realised the importance of saving your wicket and getting wickets as well.

As the season progressed the team started to bond together and skills started to develop more and more. It was round 5 that saw our first win of the season and the dedication at training and perseverance at the games had finally paid off.

During the season the team had come up against some strong opposition but what I love about the team is whether it's a win or loss they are out there having fun and enjoying the game.

A highlight of the season was playing for the trophy in

round 6 against the other Quinn's team, we didn't win that game but the atmosphere on the day was electric with a narrow loss.

A few more wins for the remainder of the games was a great confidence booster for the kids, especially round 12 when we came up against Balajurra Landsdale (which was the team we played in round 1) and what a game it was with a great all round performance, we managed to just get over the line by 8 runs with some cool heads from Zac and Reyansh to get the job done.

I would just like to give a special mention to Taryn (team manager) Thankyou so much for jumping into that roll as being pregnant with twins and managing a team can be a bit challenging, also Mitch as assistant coach, Craig for helping at training as fielding coach and all the other parents for helping out with scoring snacks and field setup.

Overall it's been an absolute honour and privilege to coach such an amazing bunch of kids and hopefully there's many more years of coaching the same bunch of children.

It's the time of the year to reflect...

Starting out as a new coach (Fresh off the boat from South Africa), it has been an honour to be given the opportunity to assist these awesome young athletes in developing their skills. From the start, it was easy to pick up that most of the guys played together before, and that they are a tight group of friends already. This made it easy to get going, along with the awesome help from Gopi Vigranam, our esteemed manager. I am sure everyone agrees that you did a remarkable job of communicating, organising and being there to support the team in any way possible, as well as a little bit of fielding and bowling every now and then. Thank you for all your efforts Gopi!

Looking back on our season, we have had ups and downs. Some great wins, as well as some near losses that could have ended differently, but I can say for sure, that the journey presented many great learning experiences for these future superstars! The rate that this Blues team improved throughout the season was remarkable, and a joy for me personally, to see every individual develop their skills.

Training twice a week and playing on Saturdays is quite a packed schedule along with starting in high school half

way through the season, which brings me to the parents. Thank you for your time and effort, week in and week out. Thinking of the nice fruit on game day, assisting with taking photos, scoring, setting up the field, supporting the team, and the list goes on. Thank you. Special mention has to go to the unofficial 'assistant coaches'. Luke and Ralph, thank very much for pitching in and helping throughout the season.

For the boys: As your journey continues, know that you will always have ups and downs, but the way you handle both is what will define you over time. I would like to leave you with these 2 quotes from one of the best sportsman in the world - "The harder you work, the luckier you get" as well as "A strong mind is one of the key components that separates the great from the good".

Most of the boys returned for our 3rd season together at QRJCC. After some brilliant performances at the end of last season, we were promoted to the Central division this year and welcomed two excellent additions to the team in Josh and Neel.

It took us a while to adapt to some of the rule changes going up to the U12 level. Namely protecting our wicket as we soon found out that when you are out you are now out!

To the boy's credit though they worked hard at training mastering the fundamentals of defensive batting and improved each and every week at all the fundamentals of cricket.

The great thing about our team is the camaraderie that the boys have shown with each other. They genuinely seem to enjoy each other's company and playing together. There is plenty of chatter and encouragement in the field and this is a big reason why fielding has been our real strength for the last 3 years. I feel like they all

enjoyed playing cricket this year even when the results weren't going our way.

Thanks to all the parents. They turned up to every game to help out with scoring, setup and pack up but more importantly were there to cheer on and celebrate the boys. Special thanks to Tracey and Buster who shared the manager duties. Also thanks to Arun who was our square leg umpire.

Hopefully all the boys continue to love the game of cricket and keep looking to grow and develop every time they go out to train and play. I have enjoyed watching the boys grow over the last 3 years and have loved being a part of their journey.

Cheers,

Coach Luke

It was my pleasure to don the Quinn's coaching shorts and t-shirt once again for season 22/23. This was a big step for me moving from u10's cricket to hardball cricket. With all the boys playing their first season of hardball cricket and not knowing some of the boys at all, I did wonder if I was making the right decision! We had 2 boys playing up from u10 in Will and Ben. We also had Lachy and Bailey who could still have played u11 cricket. On top of this Declan and Kane were playing their first ever season of cricket.

Meeting the boys and training them dispelled any notion that I was not doing the right thing. I have been immensely proud of each and every one of them throughout the season.

The team consisted of Will, Ben, Lachy, Bailey, Jack, Amitoj, Corban, Declan, Tim, Kane and Samar. Throughout the season I have also called on some of the younger boys from u11's Kingi, Josh, Lucas and Laksh, thank you so much for helping out when we needed it.

One of the high points of the year was beating the unbeaten Ocean Ridge Team, it was a hard-fought victory, we didn't know it at the time but this was to be Samar's last match for us before moving to the foreign lands SOR! Josh filled in for us that day and hit a great unbeaten 49 – it would have been his maiden 50 if not for some overzealous time keeping by the opposition coach who stopped the innings before the last over as they were 3 minutes behind play.

Another high came on the back of a tight loss, being bowled out for 46 is never good, however, the bowling and fielding that day nearly got us over the line with Will being the star with a catch, a run out and two wickets.

Personal highlights for me would be Declan getting his first not out and his first wicket, his improvement throughout the year is testament to his desire to continually improve.

Kane hitting 21 in his first game and also taking a catch and snaring a wicket with the ball.

Ben hitting 45 for his blue cap, Bailey and Lachy getting theirs in the same game, Lachy for a 3fa and Bailey for 3 catches.

Kingi hitting 31 and getting his blue cap, batting with Will in a derby when we were under real pressure at 4/35.

Will's remarkable 4 wickets for 0 runs from 4 overs.

Corban and Tim's consistent bowling and batting. It is hard to believe they haven't got a blue cap yet, something that I expect will have changed by the end of the season (when this is read!)

Amitoj running himself into the ground against Kingsley, coming off close to throwing up in an effort to push our score on, he was unbeaten on 22 and this was pivotal in a game we won by 3 runs!

Jack, overcoming his fear of opening the batting and consistently putting in solid displays with the bat, his leg spin has been great to see and I have no doubt that wickets and runs will come regularly for him throughout his QRJCC career.

I must also thank Corban, Tim, Will and Bailey who have also helped out other teams throughout the season.

Lastly thank you to all the parents for all their support this season. Liesl and Jacques as my team managers / photographers! Danny for his help with drills before and during games. Hayden and Shane for the hours they have put in scoring for us most weeks.

I will be staying in the u12's next year and I wish all the boys moving on the very best success and I hope they all continue to enjoy and play cricket.

Front row: Indiana Brown, Thea Sherlock, Olivia Pearce, Polly White, Alexa Johnston

What a difference a year makes, on reflection of last year's entry I see we fielded a team of only 5 for most of the season whereas this year we have grown to an impressive 9 players!

Combining our Under 11's with our younger Under 13's has given us a larger team and the season has been one focused on development and growth. Our girls have set about the season with grit and determination, facing girls much more experienced, older, and taller than them! Our coach, Andrew, has been focused on leadership development as well as cricket technique and our captains this year have been asked to formulate the batting/bowling orders and select wicket keepers, this is a new skill and has challenged them to critically analyse player pairings and evaluate strengths and weaknesses. We can now begin to see the beginnings of players settling into areas of strength and emerging as recognised batters, bowlers, all-rounders.

This year has not brought us much in the way of tangible success in match wins but has been focused on sharpening skills in the experienced girls and developing the skills of the 4 girls coming to us brand new to the sport. I am proud to say however, that two of our team achieved their blue caps this season - well done Indiana and Alexa - each achieving this through their bowling.

Alexa finished top of the ladder for our team for wickets taken and is developing some pace and accuracy. Aaliah has achieved 100+ runs in her first ever season - she is simply amazing and quite lethal with that bat!

Charlie has finished second in the team for her batting - for the second year running - great job Char, you are shaping into a wonderful batter!

Polly's determination to improve her cricket skills is beginning to show and we are sure the statistics will reflect this next year; she is our team baker, and those innings break treats are legendary!

Thea is a wonderful fielder and second in the team for her bowling, keep up the good work Thea!

In the words of our coach "Elana has improved out of sight!", she will be another one to watch next season, keep it up Elana!

One of our youngest players Liv is becoming a phenomenal wicket keeper and is fantastic in the field - great work Olivia.

Mia has had a noticeable improvement with the bat over the season, is a great fielder and is working hard to develop her bowling, in her first ever season she has worked extremely hard, well-done Mia.

A special mention to Indiana who has made the districts team after only 1 full season in the sport - this is a reflection of how hard she works - good luck Indy!

Community cricket runs on the spirit of the team and I feel like this year the parent participation has taken on new levels - we have parents dropping off to multiple matches for the club, driving all the way from Chittering to play and there is never a shortage of hands to help. Some notable mentions:

Dean has once again taken on the position of team scorer - when he hasn't been off playing cricket himself - and for this we are incredibly grateful! Heather graciously steps in when he is away, while the rest of us hide behind gazebos - thank you Heather!

Our self-appointed water boy keeps on top of hydration and rotations on and off the field - thanks Whitey!

JP has taken on coaching when Andrew is working - thanks JP!

Jane has taken on the manager role in my absence - thanks Jane!

We are looking forward to continuing into next year as a team and hope to see some more success after the hard work of this season.

What a season for this team of young ladies. At the beginning of the season, we set personal and team goals to achieve over the year and the ladies have achieved these and so much more.

Batting performance has seen every player displaying a strong improvement with all batters exceeding last year's runs for the season with still two games to go. They've not gone about hitting big runs but more about placement, great shot selections and most important was their running between the wickets to turn an easy 1 into a hard 2 or a 2 into a great 3. This is how these young ladies have achieved a building of their totals. With this we have already doubled last year's total runs and we still have two games.

Bowling has always been a strong point of their game with four young ladies awarded their blue caps along with 15 pins awarded across 6 players. We have doubled our wickets this season which has been one of the teams highlights and made it very hard for the opposition to score runs against us. Another major part of their improvement is the reduction in extras on the scorecard with 'no balls', 'wides', and 'byes' all decreasing this year.

Fielding has seen a lot of improvement over the year with the ladies really putting in a solid performance every game. Their ability to understand their own limits with relay throws, or fielding the ball on the boundary and a quick underarm to the other fielder who may have had a stronger arm has seen a lot

of wise and quick-thinking decision making in the field. These actions you rarely see in adult cricket let alone at a junior level and it shows that these ladies are focused on helping each other.

Thank you to my assistant coach Tim Parker for his support and efforts at training and game days. To Andrew Leitch for his help at training, and Glenn Britten for assisting umpiring. Then we have all our scorers Claire, Steph, Andrew, Glenn and Lara - Thank you for your time, efforts and focus to make game day a great experience for all. To the team manager who made the day to day running of the team and game days run so smoothly, Lara you have been amazing help for me and keeping me centered.

My final thank you goes to 7 amazing young ladies Olivia, Rachael, Adilene, Victoria, Georgia, Mya & Poppy. I am so very proud of you all for the effort you have put in this year. Your hard work at both training and the games has resulted in your best season of cricket individually and as a team in your modest but rapidly developing cricketing careers. Maintain this effort throughout life and you will be able to achieve anything you set your mind to. I have not really needed to coach these ladies intensely, I have been lucky enough to be able to facilitate and guide their existing knowledge and love for the wonderful game of cricket that we all enjoy!

Hello everyone, another summer of cricket has passed us by!

The mighty blues had a struggling season this year, but the boys kept on going with a positive attitude. We were more than competitive in a majority of games, and a bit of luck could have seen us win a few more games.

We continued to improve as a team as the season went on and the boys were always trying to improve their skills, which is all we can ask for.

You are a cheeky and lively bunch of kids but appeared to have fun and enjoy each other's company, which is the making of a great team!

I hope you all enjoyed the season as much as I.

Finally a shout out to the parents who helped out during the year and here's to hopefully all seeing you again next year.

What a great season it's been. To see the team learn and grow together has been great to watch.

Most pleasing for both Haydn and I has been the way the guys have become self-motivating at both training and in games. Together they work hard but have a great time doing it together celebrating each other's success and lifting each other up when things didn't quite go to plan.

Of course to make this happen you need a great parent team too and we're fortunate to have a parent group who not only care for their son but care for the rest of the team too, making Haydn's and I job as coaches much easier.

Every player has made a great impact on the team, everyone has contributed throughout the year with both bat and ball too.

All the boys have made great strides this year in improving their cricket, it's been a pleasure watching them learn and grow into terrific young men and I hope they can stay together for years to come.

The 2022/23 season not only brought a change in playing personnel to the Year 7 Black team, but to the coaching and management team as well.

I gave up the role of team manager to share the coaching duties with Rob Fairchild.

Carl Stevenson stepped in and volunteered to manage the team.

Credit to both Rob and Carl who have given up their personal time for the boys, and even Roly Van Winden has been challenging to hit in the nets with his left arm orthodox on a weekly basis.

I feel by naming individual players and personal honours doesn't do justice to those that haven't reached the milestones of their team mates this season.

More importantly is the fact that the team have played just as that.....a team.

They have played with smiles on their faces, enjoying their cricket every week.

They are a team full of encouragement for their mates, celebrating the team's success together.

Thank you team for such a great season.

At the start of the year if anyone had told me that with two rounds to go, we would be sitting in 3rd position with a very strong chance of playing finals, I would have said that they were lying.

Jeez we have been on a journey together this year! There have been a few speed bumps, however the maturity everyone has displayed when taking onboard both advice and criticism has been admirable. This year our team motto has been 'Attitude over Ability' with the right attitude, ability and success will follow. I am so proud to call myself their coach and am utterly blown away with the 'attitude' and level of respect the boys have demonstrated throughout the year both individually and as a team.

We started off this year notching up four wins in a row. They were all extremely nail biting affairs that came down to the last over, even the last ball on one occasion. This not only set us up a solid foundation for the year, more importantly it gave insight and revealed the character of each individual I had to work with in order to build a solid team. I had a group of young men that were up for a fight and all had a never say die attitude!!! What else could I have asked for?

Throughout the year we found ourselves in many game situations where we were looking down the barrel of a heavy defeat and out of nowhere someone would stand up! Sheer determination and resolve would get us across the line time and time again. It was beautiful to watch and seriously something special to be part of.

The competition this year has been extraordinarily competitive with only a single win separating top spot from 6th. With only two games left in the season it is still possible for us to finish in 6th position or with two wins we'll be minor premiers and sitting on top of the ladder.

Right now I can't predict where we will finish but as history will have it, we will all know by now! Hopefully you are reading this as the Under 14's Central Champions. What I can predict is that win, lose or draw, we all gave it our best and fought till the end.

YEAR 8/9 GIRLS PURPLE TEAM

QRJCC 2022/23 SEASON

Back row (L to R): Stewart O'Connor (Coach), Alycia Williams, Alri Moller, Caylee Inverarity, Delilah Haggas, Mia Chapman, Matilda Bellu, Renae Bugg (Coach)
Front row: Eliza O'Connor, Bentia Griessel, Zoe McMillan, Summer Warren, Sarah Haggas (Manager)

This season is my first-year coaching, it has been a pleasure to be able to have the opportunity to coach these young ladies. It is impressive to see the girls cricket grow within QRJCC and for me to be involved. It was great to have the experience of Alycia, Matilda, and Summer to our under 13's from last year to play under 15 girl's cricket this season and to welcome Alri Muller and her family to QRJCC family.

I have been very proud of how all the girls have played and continue to improve throughout the year and to witness their achievements, including getting their blue caps, badges, reaching their highest batting scoring, best bowling figures and even completing 50 games with the club.

The captain this year voted by the girls was Eliza. I would like to thank Eliza for taking on the responsibility to lead the girls in each game by encouraging and supporting them throughout the year. She has tried her best with the bat and is continuing to learn the art of fast bowling. Eliza's best batting performance was getting 18 runs off 18 balls in round 10. She plays district cricket with Wanneroo.

Zoe (Gary) is one of our team's co vice-captains. This is my 2nd year being involved with Zoe's cricket journey and she has improved so much, and I am excited to see how she goes in the future. Zoe's best figure for the season so far was 2/8 off 3 in round 11.

Tilly is our team's other co vice-captain and this is my first year with Tilly. She has shown determination from coming back from an injury, I encourage Tilly to keep playing because she has so much potential with the bat and ball. Tilly's best bowling fixtures were 2/6 off 2 in round 9.

Benita has had an outstanding season with the bat and ball. She has stepped up many times with the bat, reaching retirement on numerous occasions and taking wickets on a regular basis. Benita's best batting performance was hitting 46 off 44 balls in round 10 and in round 12 picking 3 wickets for 6 runs to get herself two badges for these amazing performances. She plays district with Wanneroo.

Mia has continued her development with bat and ball this season and she has been batting positively whilst also protecting her wicket. She has been working hard on her bowling and is not afraid to make changes in order to get wickets. Mia's best bowling fixtures were 2/8 off 2 overs.

Delilah (DJ) has continued to learn the art of left arm express bowling; she has shown on many occasions to have the control and accuracy to become a dangerous bowler. She has been working on her batting and her fielding has come a long way. Delilah's best bowling fixtures were 1/3 off 2 overs.

This is Alycia's first year in our team, she has had an amazing year with the bat and WOW Alycia can hit a six or two. It has been entertaining to watch Alycia batting this season, but I love the way Alycia is always encouraging and supporting her teammates. Alycia took her first wicket of the year 1/17 off 2 overs and Alycia received herself a blue cap for hitting an amazing 41 off 31 balls.

Alri is a new member to our club this year and she has been a pleasure to coach because of her willingness to learn and listen. From the start of the season Alri is always trying to the best of her ability and as result has shown resilience with both bat and ball. Alri on debut took her first wicket for the club, her best fixtures were 1/8 off 2 overs.

With Summer it has been great to reunite with her as I played alongside her with the first girls' team for the club in 2017/18. She has shown with her experience to be one of our most reliable all-rounder players of the team and looked great behind the stumps with the gloves. Summer's best bowling fixtures was 1/12 off 3 overs.

Caylee has had an injury plagued season and would only play a couple of games for us. She was sorely missed as wicketkeeper and showed us all what she is capable of by hitting 10 off 6 and taking 2/3 in her first game of the season.

I would like to say thank you to Stewart for all your assistance and guidance in coaching the girls this season. I have learned a lot and I appreciate everything you do for me and the girls. I also want to thank Sarah for being our manager and organising the parent's roster and thank you so much for scoring each game. Lastly, I want to thank all the parents and family who have come along to support all the girls this season. It has been wonderful to witness this.

This years U/15 Blue team finished the season looking very different from last years premiership squad.

The boys who came into our team all brought with them a passion that was obvious to everyone who watched them play.

Coach Graham

Unfortunately we lost too many close ones to make the finals but the competitiveness and sportsmanship was second to none.

"Being challenged is inevitable. Being defeated is optional!"
@CoachKurtHines.

A new year saw lots of challenges for our team. 6 new or returning players, broken bones, sliced digits and illness made for a much different experience to previous years. It was so good to see the camaraderie develop so quickly in such a diverse bunch of kids.

We celebrated our wins, learned from our mistakes and had a smile and a great attitude either way.

A lot of the boys were taken out of their comfort zone, often against bigger, stronger, more experienced opposition. Others were put in unfamiliar circumstances where they had to worry about more than just their own game.

I'm really pleased to say the boys never chose defeat regardless of the situation they encountered.

I also know that each of the boys could pick out an individual highlight for the year where they faced adversity, took it on, and that their game has developed because of it.

Many of the boys got a chance to play senior cricket which was a great experience for them, I loved the way they took the challenge and showed the old boys what they could do.

I'd like to thank all the boys who stepped up from the younger age groups, you excelled and have given us another chance to play finals.

Congratulations to Krish who stepped up mid season to captain the side when Skeet went down with a busted shoulder. You've done a fantastic job.

Congratulations also to all the team on their accomplishments throughout the season. It's been a pleasure to coach you and I hope that you continue on your cricketering career, you ALL make a side better.

Finally thanks to Amarish for doing a great job managing and making my job easier and to the parents for stepping up, taking photos, umpiring, scoring, setting up the field. A great team effort.

Coach Dave

YEAR 10/11/12 GIRLS PURPLE TEAM

QRJCC 2022/23 SEASON

Back row (L to R): Pete Byrne (Coach), Stephanie Potgieter, Stephanie Spadaro, Chelsea Bakker (Vice-Captain), Jorji Parker, Erryn Mayo-Hopkins, Tim Parker (Assistant), Troy Harvey (Assistant)

Front row: Mia Ingram, Sophie Byrne (Captain), Sasha Gerrick, Polly Phillips

Insert: Simone Bakker (Team Manager), Ava Harvey

Thank you to the girls in the team for a fantastic year of cricket. Being the inaugural Under 18 Female team at Quinn's Rocks is something of which you can be very proud.

Thanks to Simone who has done lots of work behind the scenes to make sure that our team is well prepared on game day.

As a younger team in an older-aged competition, it has been great to see you work hard to improve on all aspects of the game, and I think it's awesome that you have enjoyed your training sessions and game days.

Thanks also to our awesome scorer, Craig, who has scored every single game for the season.

Coach Pete

I would really like to thank the parents that have helped provide support and guidance to the team. Special thanks to Tim and Troy, as our Assistant Coaches, who have been at every training and every game.

Individual Awards

Brian O'Connor Award

Declan Bryden is in his first year of cricket having never played before. Declan has risen to every challenge I have set him, he is enthusiastic about training and always gives his all. At training he will work on his bowling in another net whilst waiting his turn to bowl. His improvement this year has been brilliant. At a beach session during the hot weather he noticed that one of the boys was staying in the shallow water and not venturing deeper like the rest of the boys. Declan spent the remainder of the session with this boy. He taught him how to surf the waves and he brought a real smile to the other boys face.

Spirit of Cricket Award

Week after week his energy and enthusiasm that he brings to the team is infectious. He has shown great respect towards me which has transitioned onto the field not only to his own players but also the opposition. He has never questioned a decision which may have been dubious but instead has used it as motivation to improve himself and support his team mates. The improvement he's shown in his 1st season is testament to the hard work he's put in and played the game in an honest and fair fashion. His display of appreciation is always evident after the game to both officials and players regardless of the result. To have a whole side of "Malakai's" would be overkill, but to have just him in The Y4 Blue team was something special.

Life Members Cup

Life Members' Cup 2022 Year 5 Blue vs Black

A special day and a fantastic game of cricket with Year 5 Blue and Black going head to head in the Derby. We had the great privilege of having 3 Life Members and legends of our club watching on.

A massive THANK YOU to Jim Buckingham, Gordon Watson and Toby Morrell. It was so good to see the new generation listening intently to the amazing people that built our club. Thanks David Garmson and Year 5 Black, you fought hard right to the end and made it an exciting game.

Thanks also to Daniel Shortill, Kevan O'Hare, and all the helpers and supporters for being there and making it such a great day.
