Club Reports

President's Report

In assuming the role as president this season, I felt a combination of honour and apprehension, succeeding our cherished former president, Daniel Shortill. Daniel's exemplary leadership and passion for QRJCC served as a source of inspiration, and he has left an indelible legacy. I am deeply appreciative of his invaluable guidance and unwavering support as I navigated the responsibilities of my new role.

During his tenure as President, Daniel was devoted to ensuring the longevity of our club and finding us a place to call home. His efforts have not gone unnoticed and this coming season we anticipate the completion of our clubrooms at Halesworth. This is an exciting achievement for our club and we look forward to updating you on their progress in the upcoming season.

It has been a privilege to be part of our all-inclusive Cricket Blast program at Belhaven. Our goal this season was to create a welcoming atmosphere within our program, fostering a sense of community. To achieve this, we reintroduced the beloved tradition of the sausage sizzle and allocated dedicated family time at the conclusion of each session. This provided an opportunity for families to come together, share a meal, and allow the children to engage in unstructured play. We enhanced our program by inviting junior players to mentor our budding young cricketers each week. Witnessing their commitment and dedication has filled me with pride; they have done an exceptional job fostering relationships with our Blasters and nurturing their cricketing skills.

The introduction of our new pin achievements aims to inspire our players to challenge themselves further in stage 1, stage 2 and Year 6/7 Girls. This season, we have implemented bronze, silver and gold pins, alongside special pins awarded for outstanding performances, such as scoring 50 or more runs or taking 5 wickets in a single game. Congratulations are in order for those players who have already attained these new pin/s during the course of this season.

I wish to extend my personal gratitude to our coaches and managers for their invaluable dedication during a period when time is a precious commodity and demands seem unending. Your willingness to step forward and provide your expertise has not gone unnoticed. I appreciate your patience as we navigated the challenges and transitioned from MyCricket to PlayHQ. Your unwavering commitment to your teams and our club is truly commendable and without your steadfast support, it would not be possible

to facilitate the participation of our children on the cricket grounds. Thank you for your continued efforts and contributions to our community.

Next season will bring further changes as several members of our committee embark on new endeavors, creating opportunities for fresh perspectives and innovative ideas. We extend a warm invitation to all parents who are keen on contributing to the advancement and prosperity of our esteemed club. If you believe you can make a meaningful impact and have the capacity to spare some of your valuable time, we wholeheartedly encourage you to join us. There are a variety of roles available, each with varying time commitments, ensuring there is an opportunity suited to every individual.

Thank you all for a wonderful season, I am deeply grateful for all the encouragement and support I have received from the committee and QRJCC community. A special thank you to those committee members who graciously extended their role to help support me, it is deeply appreciated. Thank you to Ralph, our Vice President, I love the passion and enthusiasm you bring to our club and I am honoured to have you by my side to help bring our amazing club to new heights.

As my first year of going around the grounds, it has instilled me with a deepened appreciation for both our players and club officials. Witnessing the games at the outset of the season and observing the subsequent growth and accomplishments of our players has been a rewarding experience. Throughout the season, I have been privileged to witness remarkable skills and admirable displays of sportsmanship, which serve as a source of immense pride in my role as President of QRJCC.

We are excited and deeply proud to have five teams representing our club in finals this season which is a true testament to their dedication and hard work. We wish Year 7 White, Year 8 Black, Year 8 White, Year 8/9 Girls and Year 9 White the best of luck for finals and hope you enjoy the experience.

I look forward to seeing you all again in 2024/2025!

Director of Coaching's Report

It's that time of the year as we reflect over another season in our children's cricket journey and what a season 2023/24 has been!

Being a new face on the club's committee, it has been a real eye-opener seeing what's involved in running a community junior sports club.

From the onset, with the juggling and arrangement of teams, it was hectic right up to the first ball bowled of the season. A big thanks has to go out to our Registrar, Linsey and our girls and boys coordinators, Sophie and Kevan who've dedicated much of their time in order to achieve this.

Success and further development from our junior cricketers has seen a lot of talent, from within our club, culminating in a large representation playing Premier cricket. Congratulations to all our players that have played this season as well as our representative players. I hope everyone enjoyed themselves as a lot of cricket was played in good spirit. I look forward to you all continuing your cricket journey with us.

For the ones leaving the junior ranks, good luck on your cricketing future as you embark on your next stage in life.

To our volunteers, thank you for stepping forward and dedicating your time in either coaching or managing your child's team. Without you we wouldn't have teams taking the field and without teams the club wouldn't exist.

The season has brought both success and satisfaction albeit with some challenges along the way. Most of these challenges faced were effectively resolved with the support from committee members. With new challenges arising throughout the season, it has been one of understanding and learning which will put us in good shape for seasons to come.

Some of our teams required fill-ins from other teams on occasions. Most of the players, that were used to fill-in, came from lower grades and I'd like to thank you all for not only putting your hand up to assist but also doing an

admirable job when called upon.

I managed to visit some games during the season in between work commitments and having two sons playing on separate days. The vibe I received was one of enthusiasm and positivity which excited me knowing that we are heading down the right path as a club. This has been cultured over a period of time and I'm sure this will continue on well into the future. I'll endeavour to visit more games next season and hope to catch up with more teams and volunteers.

Good luck to all our players that will be playing finals this year. Keep playing in the good spirit you've done throughout the season and I'm sure you'll make the club proud.

Lastly, I'd like to make a special mention to our new President, Lisa. Her commitment and dedication to her new role has been second to none. The support and guidance she has afforded me and to the other members has been phenomenal. Her tireless efforts, at times has been overlooked. I believe we are in good hands moving forward and from me personally, I'd like to thank Lisa for all her guidance and assistance with my role. I look forward to working with her again next season as we continue to build a new chapter in our club.

Enjoy your break everyone and we'll see you all again for the 2024/25 season.

Ralph Lange

Girls Cricket

We took to the field with 3 teams this season. It was so wonderful to again have a Quinns Year 4/5 team. Seven little girls who are passionate about cricket have had a great season, with plenty of wins, great stats and newfound friendships. Our Year 6/7 team welcomed former Stinger Maddie as their manager, who worked alongside her Dad as coach. What a fabulous role model for our younger players. Our Year 8/9 team was our biggest with 11 players, a mix of new and experienced Stage 2 players.

The milestones and great opportunities for our female players have continued this season. There have been 50th games and more Quinns girls participating in the WA Cricket run Emerging Leaders Program. Aimed at players 14 years of age and over, the girls participated in a series of workshops that develop all aspects of leadership.

Premier cricket continues to flourish for female cricket. This season we had players represented at two premier clubs: Wanneroo Districts CC, as members of the Mike Hussey Cricket Academy U14 squad and U17 Youth League, and at Subiaco-Floreat CC in the U17 Youth League. Although the list of players is small there are many former Quinns girls at both clubs playing U17 Youth League and Seniors. Season 23/24 squads are being finalised for both, and we have girls trialling and selected at both clubs. Exciting news is that Joondalup will have their first ever female premier team next season with a U14 squad, which means more opportunities for aspiring Quinns cricketers.

Volunteering is what makes our club tick. A huge thank you to our new coaches this season Brendan and Hugh, and to Andrew who despite his crazy schedule keeps coming back. Thank you all for your dedication and for sharing your knowledge, passion, and time with our players. Again, thank you to our fabulous families who make cricket happen through their contributions as committee members, assistant coaches scorers, team managers, square leg umpires, equipment carriers, chauffeurs, and cheer squads.

On a slightly different note, this will be my last year as Girls Coordinator for Quinns. As many of you know, my daughter

Sasha, the reason for my volunteering, finished her community cricket journey last season. This season has been a change over time as I am now involved with the Junior Female program at Subiaco Floreat CC.

However, I have absolutely loved my time at Quinns. From watching young girls chase their cricket goals and dreams, to meeting and working with amazing people, many of whom are now lifelong friends. It has been a joy! Special mention goes to Stew O'Connor for dobbing me in as a Blasters coach 9 or so years ago, when I clearly ticked the general helper box. To Pete Byrne for his inspiration, guidance, and passion for progressing girl's cricket at both Community and Premier level. To Serena Spadaro, for showing me how amazing volunteering can be. And Jade McMillan, my IT guru and saviour. Thank you all.

I'd like to wish all our Quinns families and players all the best for the future. I will be following along on PlayHQ and who knows maybe I will see some of you at Subi?

Much love,

Sophie Gerrick

Junior Coordinator's Report

Hard to believe that another cricket season has finished (by the time you read this!) A huge thank you to all the coaches and managers who stepped up this year. It can be a tough gig at times and your commitment is greatly appreciated. Parents, I cannot stress enough how lucky we all are to have these fantastic individuals giving their time for us. It takes time to organise training, make team selections (trying to make sure we do not breach association rules on rotations), arriving early on match day, standing in the sun umpiring and dealing with opposition coaches and managers!

Thank you each and every one of you.

I would like to start off with a look back to September 2023 and the World Indoor Cricket Championships in Dubai. Cameron Houghton represented Australia in the U14's and Josh Redman in the U16's. What an accolade for both these boys to represent Australia and is a credit to each of them that they got there with a combination of skill, hard work, dedication and belief. Both boys walked away with World Championship medals.

I am (as is everyone else) incredibly proud of both of you. What an unbelievable achievement.

The season started well for the Year 9 White team who took out the Year 9 T20 comp thanks to 4 wins. They made it through to the CJCC cup and despite having a very strong Wembley team 6/98 they fell 8 runs short. The start of the 35 over comp for the year 9 white went in the same way with the boys smashing 255 runs from their allocated 35 overs. They scored 135 runs in the first 18 overs before they lost their first wicket. An incredible achievement from them. At the time of writing, the team are comfortably top of the ladder. Jayden Van Vuuren currently leading the way with 299 runs and an average of 42.

In the year 8 competition both the white and black teams are looking good, both unbeaten and top of the ladder, Tate Raynsford top of the batting for the black team with an impressive 304 runs and an average of 40.

In the white team Cameron Houghton is leading the way with

385 runs and an average of 65 on top of this he has 21 wickets at an average of 4! Incredible stuff.

Due to the heat on the weekend

for round 12 the fixtures were amended to T20 games. The year 8 white team bowled NBJCC out for 34 in just 11 overs. The boys then teed off, knocking over the score within 3 overs before going on to post 201 from their 20 overs, BBL stuff! The Year 7 White team got off to a slow start but started to find their feet and are in finals contention. Joshua Lange leading the way with 224 runs and an average of 37.

We had some tricky numbers to deal with across the teams especially in the Year 9 and both teams have relied on fill ins. For Year 9 Blue this was especially difficult as they also started the season without a coach. Thanks to Damien who took them for the first week before Mark stepped up and took on the job. It is greatly appreciated by all. Moksh, Cooper, Tate, Joe, Jayden and Ben have all helped out this year and I cannot thank each and everyone of them enough. Daniel Kulir has been the main man for Year 9 Blue with 334 runs and an average of 47.

Other notable performances this year was Kane Pearce with his first 50, hitting 71* off 48 balls, Kai Forbes 82 off 59, Joe Kulir hitting 50 off 46 balls and Kai Forbes hitting 53 off 34 rocks. Abhi Kaintura taking 5 poles for 5 runs off 2.4, Drushil Chauhan taking 4 for 2 runs off 3 overs and Will O'Hare getting a hat-trick with figures of 3 for 1 off 3 overs.

In the year 6 teams several boys have played up especially Cylus Haubner and Brodie Garmson who have equipped themselves well, playing up a year. Cylus, Brodie and Jaxon Sheriff also jumped up 2 years to help out by playing in the year 7 team. On a very wet morning the Year 6 White team played Joondalup and batted first in tricky conditions, they struggled to adjust and were rolled for 45. The opposition started well cruising to 20 without loss and the game seemed to be done and dusted, the boys never gave up, we got one 1/20, we got another 2/21,

Junior Coordinator's Report continued.

then 3/34, 5/34, 6/34, 7/35 before Kingi had the awareness to run rather than throw the ball and running their last batter out. They finished on 8/37. A remarkable performance that included a hat-trick for Will O'Hare.

In addition to this we had several boys that have also played for the QRCC seniors, Ashton Brown captained on a few occasions and took 5/33 (notable catch by Kevan O'Hare!) and Hendrix Moor taking 5/14 off just 3.4 overs.

Representative wise it has been another bumper year for us: Lucas Keyes and Joshua Steyn made their first steps on the district ladder by making the Joondalup development squad. In the Joondalup 13's we had Rishi Vigranam, Ripley Scaife, Joshua Lange, Aranbir Chahal, Rhys Kruger, Joe Kulir, Isaac Canzirri, Lachlan Giles and Josh O'Hare.

In the U14's we had Beau Rebeira, Cameron Houghton, Rutva Patel, Jaycee Williams, Shaan Darji, Cooper Shepperbottom, Jayden Riches, Dylan Edworthy, Archie Calverley and Dylan Steyn.

In the U15's we had Jayden Van Vuuren, Hope Rawson, Lachlan Johnson and Ashton Brown. From what I have seen we will be adding to that list next season as well!

We also have Beau Rebeira and Josh O'Hare who will be representing WA at U13's at the Indoor National Championships in Melbourne in July and Shaan Darji, Cameron Houghton and Lachlan Johnson all representing WA at U15's. Shaan Darji, Beau Rebeira and Cameron Houghton have all been successful in getting through to the WA U15 preliminary squad, the three boys also took part in the WA talent carnival at Lilac Hill just before Christmas. Shaan was successful in making it to the WA youth academy, a fantastic achievement, well done Shaan!

Cameron Houghton and Shaan Darji are also through to the last 16 of the U15 WA state schoolboys team.

Also, I know I have mentioned this before but Cameron Houghton represented his country, what an incredible honour.

Lastly, I hope each and every one of you enjoyed your season, whether you took your first wicket, hit your first boundary or retired not out for the first time, I hope that it drives you on. For the younger boys starting out in your journey, take inspiration from Cameron who has represented Australia, work hard, play fair and who knows you could be the next QRJCC boy to represent this fantastic country.

I hope I see you all next season, Go well.

Cricket Blast Report

This year we have seen some changes to the Blast Program including the program becoming more inclusive allowing more children to play the game and removing the segregation between the Blasters and Master's program. We relocated to Belhaven oval which is an excellent facility and we have been able to bring in some of our older junior players as team leaders. The Blasters have loved learning from their older peers and gives them an indication of how they can progress if they can continue to play.

The Blast program is designed to teach the basic skills of the game we love cricket in a fun and interactive way for the kids. Each week the Blasters did a number of activities to help improve all aspects of the game batting, bowling, fundamental movement skills and fielding.

It has been amazing to watch the kids improve not only their skills but their confidence in themselves. We have seen friendships grow and it has been an absolute Blast this year watching so many kids having fun learning the skills of cricket with their friends.

Another major positive coming back this year was the return of the Sausage Sizzle after the activities are finished. Its been great watching children hanging around after with their friends while having a feed (also great for parents who can avoid cooking for the night).

Of course no program runs smoothly without help from tireless volunteers who are the real heroes of the club. This has included our junior team leaders (Georgia, Rachael, Theo, Phoenix, Josh and Dylan), our coordinators (Luke and Matthew), our president (Lisa) and the numerous parents who helped out cooking the barbecues, helping the Blasters with their skills, ground set up and packing away. A big thank you goes to all of these volunteers!

This year we had over 60 Blasters enrolled in the Blast program which is wonderful to see. The Blast program is the future of the cricket club and we hope to see everybody back next year and to welcome some new families. We wish those of our Level Three Blasters that are able to move into our junior teams the best of luck next season.

A big thank you to everyone who makes the program run smoothly so all the children can enjoy themselves every week.

Thank You
Cricket Blast Coordinators

Luke and Matthew

YEAR 4 BLUE TEAM

QRJCC 2023/24 SEASON

Back row (L to R): Holly Lewis (Manager), Luke Fernando (Coach), Felicity Fernando (Manager)

Second row: James Markham, Declan Lewis, Tommy Page
Front row: Jesse Fernando, Moosa Taqi

I took on coaching Year 4 Blue without having coached before. Being from a Sri Lankan background, I have played lots of cricket and thought I would give it a go.

The nervousness on the first day of training was quickly eased once I met the players and their parents. I truly had one of the most amazing teams I could get. The kids have been an absolute pleasure to coach. The connection we have at the end of the season is something I thought I would never get from coaching a team. I am so glad I took the role on.

It has been challenging, as out of nine kids we only had one who had played a proper cricket season before. Being a very fresh team, I knew it was going to be hard but week after week I gave them challenges to take on and improve their game. From what they are now to what they were when they first started is unbelievable.

We came off with a few wins and a few losses but overall it has been an amazing journey with an amazing team. The friendships the kids have formed will no doubt last a lifetime. They are truly mates and have each other's backs.

It has been a fantastic season. Our bowling and fielding has been our strength and most outstanding. We have struggled to get runs on the board but are seeing great progress with the boys showing more confidence with their bat. It has been a challenge to get their technique right and I am sure next season we will come back bigger and better.

Thank you to the parents for assisting with training, scoring,

field set-up and pack-up, bringing fruits and treats and supporting our team. A big thanks to our photographer Elle Armitage for taking hundreds of amazing action shots each week. We all have memorable shots of our kids to look back on.

The biggest blessing and biggest thanks for this season, without fail, is for my two managers. They have done so much for this team. They have gone out of their way to make everyone feel welcome and be themselves. From organising the weekly player of the day gift bags, to organising a fantastic Christmas party. It was great to see all the parents participating in a game of cricket and the kids loved it. So thank you to Felicity and Holly, you are superstars.

Last but not least, RIP our gazebo. It had a terrible season.

Thanks to the QRJCC for their support and especially our President Lisa for putting up with our numerous queries.

I am excited to see these boys play again next year. It will be amazing to see their growth and smiling faces again and to see their passion for this beautiful game of cricket.

"I am Rahul Kalia. I pursued my cricket passion by playing for the seniors at Quinns Rocks Cricket Club. Now, it's my privilege to showcase my lifetime cricket experience as a coach, nurturing novice junior players at Quinns Rocks Junior Cricket Club Year 4 White".

This season at Quinns Rocks Junior Cricket Club Year 4 White was marked by the arrival of 9 enthusiastic novice cricket players (Joey, Samar, Lennox, Rivaan, Reef, Billy, Keane, Tobias, Zeth) aged between 8 to 10, eager to embrace Cricket for the first time. These young players arrived with no prior experience in bowling, batting and fielding, presenting a unique challenge and an exciting opportunity for growth. "As their coach, I initially referred to them as 'Raw Lemons.' However, after spending time with them in the nets during practice sessions and at matches, they have shown that they are 'Ripe Lemons' who are brave enough to face challenges and bring laurels to their team and club."

Despite their initial unfamiliarity with the game, these budding cricketers (Joey, Samar, Lennox, Rivaan, Reef, Billy, Keane, Tobias, Zeth) showed remarkable determination and a willingness to learn. Every Friday, they could be found honing their skills in the cricket nets. Over time, their efforts began to bear fruit as they steadily improved with each passing game showing tremendous development and progress.

Through consistent practice and unwavering commitment, these novices (Joey, Samar, Lennox, Rivaan, Reef, Billy, Keane, Tobias, Zeth) transformed into capable players. Their bowling became more accurate, their batting more

confident, and their fielding more agile. It was inspiring to witness their individual skill development, progress and the newfound passion they developed for cricket.

One of the most rewarding aspects of this season was watching these players (Joey, Samar, Lennox, Rivaan, Reef, Billy, Keane, Tobias, Zeth) come together as a team demonstrating teamwork and determination. Despite their individual challenges, they supported each other wholeheartedly, embodying the spirit of sportsmanship. Their determination to succeed, both individually and as a team, was truly commendable.

As the season progressed, these novices (Joey, Samar, Lennox, Rivaan, Reef, Billy, Keane, Tobias, Zeth) showcased their skills in various games. While victories were sweet, it was their resilience in the face of defeat that truly stood out. Every game was a learning experience, and they approached each challenge with a positive attitude, eager to improve, grow and perform in every game.

In nutshell, this season has been a journey of growth, learning, and friendship for our novice players (Joey, Samar, Lennox, Rivaan, Reef, Billy, Keane, Tobias, Zeth). They have shown that with hard work, dedication, and the right guidance, anything is possible. As their coach, I am incredibly proud of their individual achievements and look forward to seeing them continue to flourish in their cricketing journey and turned into Ripe Lemons to face real life challenges through this game of Cricket.

YEAR 4 BLACK TEAM

QRJCC 2023/24 SEASON

Back row (L to R): Brendan Nilson (Coach), Rachael Block (Manager), Tim Block (Assistant Coach)
Middle row: Nate Hutchinson, Kain Jones, Jaxon Canzirri, Taj Pinkerton, Jonathan Surry
Kneeling: Zachary Nilson, Tide Tomelty, James Block, Harry Brown

This is the first time Brendan and I have coached junior sport. Our team consisted of 7 experienced players and 2 first year players. Our first training session together was about getting to know each other and building up trust and respect with everyone. We were very fortunate enough to be gifted 3 boys from last year's Quinns Year 4 white and 3 from Quinns Year 4 black.

The Boys formed a strong connection with each other from the beginning and quickly established a team culture of commitment, respect, playing fair and hard and most importantly playing within the spirit of Cricket. A few games in we sat with the kids and created SMART individual goals for them to achieve. The boys loved having to work towards them each week and by end of season the boys had just about knocked them over.

We couldn't be more proud of the team and the success the lads have achieved on the field this year. After multiple significant wins for the first half of the year, the boys were shifted to Central Under 10s to take on other teams further away for the 2nd half of the year with great results.

We had some brilliant individual games from our boys throughout the season, but it was the consistency of all players to give it their best and improve each week. Our kids showed the hunger for success and to be ultra competitive against opposing teams. All the lads showed great sportsmanship and respect to everyone on and off the field.

We would like to thank Rachael for her role as team manager and to the volunteers who helped score and organise the fruit and lollies. Thank you to all the parents who got their kids to training sessions every week. A special mention to Jevita for her wonderful photography throughout the season. We now have ever lasting photos that we can all cherish forever.

As coaches we couldn't be more happier then to take part in this special group of cricket mad kids.

Thank you to everyone for an amazing year and hope all the kids continue to play cricket at a high level and give it their all.

Wow, what a start to the year...

Taking on a new challenge in a sport I've played for a long time.

Coaching Year 4/5 Girls.

7 Young girls with different personalities and skill level, a challenge I was willing to take on.

First training session and the girls are very new at the game, a couple of girls had played elsewhere but still new, very shy, quiet, short and feisty.

First game we lost 14 wickets and didn't score many runs, that's ok I said and something to work on at training, and that's when they started to knuckle down and listen and learn.

We went on to lose on average 4/5 wickets a match after that game and score more with the bat, after talking about protecting our wicket from being bowled.

We went on to score over 90 most games and take 5/6 wickets on average a game. The girls enjoyed it and started playing and having fun together.

Leane – Quiet, shy newcomer who improved out of sight. Prepared to listen and learn
Awesome job.

Yvette – Quiet and shy also, had some previous knowledge of the game, improved every week. Awesome job.

Emily – Our little feisty one, tried hard, willing to learn and improved out of sight. Scored 20 runs in 1 game late in the year and hit 2 fours in that same game. Awesome job.

Polly – Lovely girl, funny and always had a one liner for me out on the field, unfortunately broke her wrist late in the

season and missed the last 5 games. Improved every game and absolute joy to coach. Awesome job.

Paige – Great potential and only 8 years old. Small shy girl and always wanted to learn, bowling was her best attribute. Awesome job.

Olivia – Great potential and previous skill at the game, our best bowler and batter, pace bowler and who could hit the ball a long way. Awesome job.

Nova – Great potential. Our leader in the team who is always encouraging her teammates and opposition. Batted excellent and bowled well and scored 35 runs in one game. Awesome job.

Many thanks to the parents who helped myself and Clare setup, scoring, food, drinks etc.

And a big thanks to our water boy Whitey who brought the girls their own drink bottle and on hot days would run out on the field to hydrate the girls and the coach. Thanks so much.

Last but not least our team manager Clare Newman. She went over and above for the team, enjoyed herself so much and kept us all in line.

Couldn't have done this without her help.

Thanks so much.

I have had another amazing season being selected as coach and working with this fantastic group of boys! This time around we had a new group, and they were able to gel quickly and get to work. Over the first few games we saw the boys develop a great team spirit and work together and support each other.

I have seen the boys make excellent improvements each time they step out onto the field and have seen their growth and ambitiousness continue to shine through! It has been amazing to watch them take on each game, and how well they celebrate the wins! I can't wait to watch them all into the future and see how far they go. I am looking forward to hopefully seeing a few more 6's in the last couple of games!

A massive thank you to all of our parents and siblings for your continued support throughout the season. The boys and I are thankful for your help at training, on game days, and being there each weekend cheering them on!

Great Work Quinns Blue! See you next season!

Well another season of cricket down and what a great season it was, we had just about everything from a bit of a rivalry between us and North Beach White to sprinklers still being on right up to the start of play in a game. Anyway this is a bit of a write up of how the season went for the boys.

First round was unfortunately a loss to Warwick Greenwood followed by a bye in round 2. Therefore it took the 3rd round where we got things going with our first win of the season. Highlights of that game was Cylus smashing 27 off 17 balls and Mac getting 2/10 of 3 overs with the ball.

Round 4 saw the rivalry begin playing North Beach White at their ground. Having seen that North Beach was smashing every team we kind of knew what to expect (a tough game). Unable to get the job done, we certainly put up a fight only losing by 36 runs. One positive from the game was the opposition players saying we were definitely the hardest team they had come up against. Highlight of this game was Joe hitting the first six for the team this season.

After this round we managed to get 2 wins in a row. Round 6 Declan bowled 4/15 of 2 overs. Outstanding effort by Declan.

Round 7 we hosted North Beach White again. The boys were keen to get one back on them but it wasn't to be.

Highlight for this game was Brodie hitting a career high score of 30 runs from 15 balls including one huge six, and if I'm correct this was the rain delayed game due to the sprinklers coming on.

From round 8 to 13 we only lost one game. A couple of highlights was round 11 Jackson bowling 2/3 of 2 overs, round 13 Joe bowled 3/8 of 3 overs and Beau 2/9 of 3 overs. Round 13 was also the game where our not so big hitters Declan and Tatum got us over the line with some smart cricket and cool heads pushing the singles into the gaps and only losing one wicket between them (well done boys).

All up I couldn't be more proud of the boys and how they bonded together and became a strong formidable team to be reckoned with. At the time of writing our win loss record was 9 wins and 4 loses. Also a special mention to Dan and Aisha for assisting and managing the team and all the parents for being there to help set up, score etc. and to just cheer on the team.

Thankyou

Dear Team,

I hope this message finds you all well and in high spirits from the successful season. It's essential to reflect on our progress and achievements thus far. Each one of you has contributed significantly to our team's success, and I couldn't be prouder of the dedication and effort you've shown on and off the field.

Let's start with our batting prowess. Jordan, your ability to score runs quickly has been instrumental in setting formidable targets for our opponents. Your aggressive approach has often put us in commanding positions, and your consistency is commendable.

Cooper, your bowling has been nothing short of exceptional. Your pace and consistency have troubled even the best of batsmen, and your knack for taking wickets consistently has been invaluable to our team's success.

Riley and Lucas, the progress you've made in your batting is truly remarkable. Your dedication to perfecting the art of accumulating runs has not gone unnoticed. As twins, your synergy on the field has been outstanding, and it's been a joy to witness your growth throughout the season.

Chris, your versatility as an all-rounder has been a cornerstone of our team's performance. Your economical bowling has often tightened the screws on the opposition,

while your solid batting contributions have bailed us out of tough situations more than once.

Jabin, your prowess as a fast bowler coupled with your ability to bat and accumulate runs has added depth to our squad. Your relentless energy on the field has been infectious, inspiring the team to strive for greatness.

Oliver, your improvement in both batting and bowling has been remarkable. Your consistency with the bat and the strides you've made in your bowling have made you a vital asset to our team. Keep up the excellent work!

Harsh, your spin bowling has been improving leaps and bounds. Your ability to deceive batsmen with your variations has been a game-changer for us on numerous occasions. Your dedication to mastering your craft is truly commendable.

As we approach the final stages of the season, let's continue to support and push each other to reach greater heights. Our journey is far from over, and with our collective efforts and determination, I have no doubt that we will finish the season on a high note with many years for cricket to come!

Let's go out there and give it our all!

Best regards,
Coach Pieter

When the boys came together before the start of the season, some had played together before, some and played against each other, and a couple of new players to the club met everyone for the first time. The boys bonded quickly and build a great team spirit that was on display from Game 1 and grew throughout the season. It was our first time playing "when you're out, you're out" and it proved challenging early on. After a competitive Game 1, we came up against some strong teams. We struggled to bat our full 30 overs and gifted the opposition too many extra runs with wayward bowling and inconsistent fielding. Suffering a few big loses tested the boys' resilience and highlighted areas we needed to work on. To their credit they showed great character and worked hard to improve. At training we focused on our defensive batting, being switched on and backing up in the field, and bowling accurately. As we continued to work hard, we were becoming more competitive and getting closer to opposition teams each game. During this challenging period, the boys continued to support each other and demonstrate tremendous team spirit. All their hard work was finally rewarded in Game 8, when the boys secured our first win. They continued to play well leading into the holiday break, a tie (yes a tie!!) in Game 10 was a season highlight. The boys fought hard and played with great skill to claim 5 wickets in 4 overs and deny the opposition, who thought they had the game won.

We got back into training a few weeks before the first game back and looked to build on the improvements made in the first part of the season. Craig Hamilton was kind enough to provide some specialist coaching, helping the boys with their batting. We also worked on running between the wickets, bowling a good line and length, and all aspects of fielding. When the season re-started the boys were ready and raring to go. Before the first game we spoke about playing our best cricket and putting together a complete game without the lapses that had cost us earlier in the season. We played a competitive game first up but unfortunately we did have a lapse, giving away too many extras. As they did all year, the boys re-grouped and worked hard. They came back with our best cricket of the season, winning back-to-back games. It was so pleasing to see improvement from everyone in the team and the ability to play our best cricket as a team for the full game. It was the culmination of all the hard work throughout the season and truly showed what brilliant cricket we are capable of. Onwards and upwards from here boys, well done!! Special thanks to Francois Malherbe for doing a such great job as Manager. Thanks also to all the parent helpers and supporters, your assistance each week at training and at games was greatly appreciated.

Hope to see you all next season.

At the start of the season we talked about continually learning and improving, but most of all making sure we have fun along the way!

The season started off with a tough game against Whitfords JCC Yr6 Mixed Black who proved to be the strongest team in the competition. Although we put on a great fight in the field and only lost by 23 runs, it was good grounding for most of the boys who had moved up from U11's together and only lost one game over the past two years! The biggest hurdle for the boys to get over when moving up into U12's is the fact that now when you're out you are OUT! There are no second chances as a batsmen....this was tough but they all handled it very well (very few tears!). At the time of writing in Feb 2024, we have one game to go in the season. We have played a total of 14 games, won 10 of them, only lost 3 and drawn 1. What a fantastic effort from the boys!!

I am so proud of how the boys have gone about their cricket this season and the improvements each and every one of them has made. They've all worked hard and it's been a pleasure coaching and watching them grow and improve along the way.

Thank you to all the parents for all your support and assistance throughout the season!!

Front row: Indiana Brown, Olivia Pearce (sub) Jess Leahy

In what has been a rather shortened season of only 11 games we have a 50%-win rate with some closely contested losses. This year we continued to focus on developing the girl's leadership skills in addition to the game, we have encouraged the girls to critically evaluate partnerships that work, those that don't and why that might be – skills that will serve them well in life outside of cricket.

Whilst it is important to recognise those players with measurable successes, I would like to acknowledge those quieter achievers who helped set up the pressure on the batters, hustled in the field or stepped up to wicket keep and those still working on developing emerging skills. Alexa's consistency when bowling frustrated many a batter and led to poor shot selection in the following overs, Charlie's slog sweeps and ability to 'see the ball 'was a joy to watch – with risk sometimes comes catches but it's always fun. Elana has really developed this season and the results are starting to come for her with bat and ball– keep it up! Thea really shines in the field and has been involved in some great stumpings and catches.

Two girls have scored more than 100 runs for the season – well done Aailiah and Rachael. Indiana finished tantalisingly close on 99! I'm sure she's checking the books as we speak for a recount!

Top wicket scorer – including a phenomenal hattrick - goes to Rachael.

We can award rookie of the year to Jess – playing her first season she has developed into a fine cricketer with some great performances on the field.

I'd like to make mention of our official "super sub" who stepped in willingly and enthusiastically whenever we found ourselves short – thank you Olivia!!!

As ever, this wouldn't happen without the efforts of the team – thank you to JP and Nigel for stepping in to coach when I was unavailable, to Dean who once again took on scoring full time and to the whole roster of parents for providing support, encouragement, coffee, and cronuts (yes - you Jane!) all season.

Our manager this year was Maddie who at only 15 really stepped up to gain leadership experience and armed with her whistle took it on with gusto!

I'm looking forward to the challenges of Stage 2 next year with these amazing girls.

This year sees the 2nd year most of us are together as a team, with the exception of some fine extra talented boys that joined the Blues. This year is similar to last year, where we had a good mix of youth and experience, although I believe this year, the 'chemistry' was slightly better.

Our youngsters proved to be a formidable force, especially at their age. It wasn't all sunshine and roses, as most were very uncertain about playing with an older age group, but I have to say they stepped up their game and developed wonderfully throughout the seasons.

The more experienced players in the side showed their leadership skills in assisting the youngster. Thanks boys, you know who you are... When I look back to the start of the season, I am amazed at how much growth and development can be seen within this side. There are boys that absolutely became superstars overnight. From struggling to make good runs, to hitting fours and sixes and retiring with great scoring rates. Well done boys!

On the fielding side of things the same comes to mind when thinking of boys that could hardly catch 2 balls in a row, which absolutely improved to taking catches in games on the run, crunch time, under pressure!!!

Lastly the bowling. Amazing transformation when I look at a couple of the players. From December to February something just clicked, and they started bowling at a much higher level, bringing the extras column down significantly as well as our strike rate, taking wickets. On a weekly basis we gave ourselves goals and mostly we reached all of them. Well done guys and keep that up!

Overall, I have to end this by saying that it's been an absolute pleasure working with these kids and their parents. Thank you to all the parents that chipped in when needed and most of all thank you to Riaan our manager, for his much needed help throughout the season.

An excellent season was had by Year 7 White.

We took pride in our team and focused on having fun and trying to improve in every game.

We were excellent in the field and everyone on our team worked hard to make us very hard to score against. It took us a while to get our confidence in our batting but once we did we had an excellent run of 4 games unbeaten which really set up our season. When we did lose we were extremely competitive, with 3 of our losses coming by 2 runs or less.

The great thing about our team was that when one or two boys were struggling on field someone else on the team always stood up and all the boys got around each other off the field and picked each other up.

I am really proud of the team spirit and comradery the boys were able to build. Every time they got to go out together in the field they made it fun and inclusive.

At the time of writing this we have qualified for the finals and all the boys are looking forward to stepping up to the challenge that lays ahead.

Thanks to all the parents, we had a great crowd each week who bought good atmosphere and supported the boys. Everyone helped out and we had a great support network which was especially helpful in the couple of games I wasn't able to be there towards the end of the season.

A big special thank you to Michelle who stepped back into the team manager role and made every game run seamlessly and made my job so easy.

To the boys on the team, I hope you continue to grow your love of the game of cricket and that some of the teamwork on field lessons you learnt this year will help you grow and develop into great crickets and more importantly great men.

For the 2023-2024 season, we started with a win as the Year 7 Black Team. It was a challenge for me as a coach as no one was ready to be a coach. Becoming a coach was a decision that I made at the last moment and was not mentally prepared for, but is something I have tried my very best to do well at being.

Our team is very lucky to have Rachael Giles step up and volunteer. As manager to the team, she has made my job very easy and has done the job very well. Thank you Rachael for being manager of the team.

Credit to Danny and Hayden who have given up their time to the boys during training and game days.

I feel that if I name individual players' performances, I wouldn't be doing justice to those who haven't reached the milestones of their teammates this season. More importantly, the boys have played together as a team. Despite the season's ups and downs, they have played stress free, enjoying the game of cricket each week. They were a team full of encouragement for their teammates and celebrated their teams successes together. They enjoyed the game without worrying too much about wins or losses.

All of the boys have improved a lot and we had a few really great performances during this season. The boys have played fantastic cricket to date. Even if we did not win many games, all of the games we played were close and we were sure to give the good teams a run for their money.

Thank you to the team for such a great season and I wish you all good luck in the future.

Hello everyone,

Another season with some hot days and some great games played by the boys.

Again, the Mighty Blues had a season to learn from this year, with highs and lows for all the boys, but always playing with the old positive, can do attitude and always having fun in the forefront of their minds.

With a couple of new faces in the team, and a couple of teammates moving on to other things, the team bonded together and were able to be competitive in most of the games. As it was for last year, a little bit of luck for the side could have seen us bring home the chocolates on a few more.

Being a first-time coach this year, I learnt a lot from the boys and was proud to have them as a team throughout the season. The fact that the players took initiative and organised themselves for training sessions speaks volumes about their dedication and teamwork.

Acknowledging the contributions of the parents is crucial, as their support and involvement are instrumental in making the season successful. From transportation to games, to assisting with various tasks during match days, and even providing those much-appreciated snacks, their commitment ensures that the team can thrive both on and off the field.

Together, with the players, parents, and our manager working in harmony, the team can create an environment where everyone can learn, improve, and most importantly, have fun. It's a testament to the power of community and collaboration in sports. Here's to more seasons filled with growth, camaraderie, and enjoyment for all involved.

Wishing you and the Mighty Blues all the best for future seasons, may the spirit of cricket continue to shine through in everything you do.

Good Luck!

I have had the pleasure of coaching a group of boys that have a genuine passion and love for cricket. The boys came together with a mixture of new players to the club, boys that have been playing with Quinns since Cricket Blast and some younger boys playing up. The thing I have been really impressed with is their joy for other player's success, celebrating achievements and encouraging each other when things haven't been going as well as some players would like.

I have seen confidence build in each player and I believe this comes down to the supportive nature of all of the teammates. Training is a competitive environment where players challenge each other to get the best out of each other.

We have had a great season to date, we have had some close games where the boys dug deep to get over the line.

I would also like to thank the parent group and especially Kerry, our team manager for looking after everything.

With a new season and plenty of new faces, we were off and running with only 2 weeks to meet up, train, and get prepared for the summer ahead.

With no manager, no plans, no training ground, and no formal team locked in, I can honestly say I had some real doubts going into the first session.

Enter Ron, aka the people's manager. Truly amazing job, mate!! Your management has allowed me to focus solely on the boy's cricket and in turn has made my first full season of coaching one to remember. Managing a team and parents has countless duties behind the scenes, which have not been lost on myself, the boys or all the families. Thanks Ron!

Thanks to all the families for chipping in on game day too, we couldn't do it without you.

As I write this report, it's hard to believe we are one game out of the finals and undefeated on top of the table.

Early games were fought tough with a few clutch wins. Thinking we are surely due a loss soon, the boys have just grown stronger and stronger!

I've been blessed with a team full of great talent and the willingness to improve. They all train with great purpose and I have seen remarkable improvement from each and every one of them this year. I'm very proud of the boys and

will forever be invested in their cricket future.

I know it's cliché but a team is only as strong as its weakest link and we are so lucky to have had contributions from every single player throughout the season. Everyone involved should be very proud of what they have achieved, despite the outcome of finals. (Fingers Crossed!)

A special mention to our skipper, Tate, aka Potato! Initially the skipper duties were going to be split across a few of the boys to relieve some pressure. Potato has taken a massive step in his own development, leading the boys with a maturity well beyond his years. You have been a great help to me all year and a big part of our team's success.

I've enjoyed every bit of coaching such a great bunch, and I look forward to getting stuck into next season

Thanks again !!!!

It's been a pleasure to coach the 8/9 Girls this year alongside the assistant coach and right hand man Tim Parker.

It's been an honour to coach the girls this year. They have all shown commitment to their teammates and to the game.

The girls have improved so much this year learning some new skills and getting better at all they have put their mind to, including batting, fielding and bowling.

I want to make special mention to Lucia, our team manager too for the incredible effort that you put in each week, to the parents that help throw down balls etc and come support their kids each week. Without you all we couldn't make this possible.

They have come together nicely as a team, working well together and encouraging their teammates.

Fielding - there have been drastic improvements in the girl's fielding abilities. They have worked hard in backing up, field support and encouragement on the field. They should be proud of themselves.

I wish each and everyone of you all the best for the future in your cricket dreams. Thanks for the opportunity and for letting myself and Tim be your coaches. We hope you have learnt from us too.

Batting - Tim and I worked hard with the girls to try look for space and gaps in the field, taking quick runs between the wickets, backing up etc

All the best

Coach Hugh

They showed considerable improvement in this area during this season and they should be incredibly proud of that.

Bowling - the girls have had a fantastic season with bowling. Our main focus was to minimise extras. Each game they have played they have done that which is excellent to see.

Our season started off with new and returning players for Year 9 Blues and it didn't take long to see the great connection between all teammates, be it training or game day.

We showed great cricket early with some wins and losses which set us up for a very interesting season. The close games were often, and we didn't like letting a game go. The contest was always hot!

As we progressed the group really found their own as a side with personal performances from our boys on game day, shining from one to the other and sometimes over many which were the games where we shone. Our batting, bowling, fielding and chat on the field improved. Not one of us had a give up attitude, players, or parents which showed weekly with the passion to play and improve we did.

Our boys were on the wrong side of a few tight games but our captain Danny and our regular players in the group worked hard to keep spirits high. The support the boys gave each other was second to none which had too many nail-biting games all year and very few that weren't.

We had a great balance of players from all age groups that when together, displayed great sportsmanship, leadership, passion and determination. This was not only viewed by our parent group but also, many opposing sides which made being a part of our cricket year the most satisfying for me. Be it win, loss or training the boys always had the spirit.

It's been a pleasure coaching this year! Well done to all of the players throughout the season!

Thank you

Coach Mark

Back row (L to R): Cameron Houghton, Jaycee Williams, James parsons, Jonre Van Der Schyff, Jayden Van Vuuren, Ashton Brown
Front row: Bradley Rawson (Coach), Rudraksha Brahmbhatt, Lachlan Johnson Hope Rawson, Kai Forbes, Val Brown (Manager)
Absent: Shaan Darji, Beau Ribeira, Hendrix Moor, Dylan Edworthy

This year's side was made up of seven under 15 and five young aspiring under 14 boys playing a year above their year level.

My job as coach was made very easy with the great quality of players presented to me and with Hope Rawson and Lachlan Johnson doing an amazing job co-captaining the side. I really didn't do much this year. I am sure a few of the boys from this playing group will be names to watch out for in years to come.

As I am writing this, we are sitting top of the ladder, winning all games but two, only having dropped one and drawing another (due to having limited players to select from due to competing commitments of half of the playing group). We could only manage to field nine players on both occasions.

Special thanks to all the boys who filled in for us during the season, Kai Forbes, Theodore Britz, Josh O'Hare, Rhys Kruger, Aronbir Chahal & Rudi Brahmbhatt, we couldn't have achieved what we have without you.

A few noteworthy achievements for the year:-

- Jayden Van Vuuren – Two half-centuries
- Beau Rebeira – 44* off 20 balls (T20)
- Cam Houghton – 4/7
- Shaan Darji – 4/9
- Lachlan Johnson – 4 run outs in a single game

There are many other accomplishments, however, too many to name.

A special acknowledgement needs to go to Beau, Shaan, and Cam, all making squad selection for the under-15 state schoolboy

team touring Queensland later this year– good luck to all with the final selection, it's a huge achievement and you should be proud of yourselves.

I truly believe this group of boys will be mates for life, after all, that's why we all play cricket.

My proudest moments this year were after each game, shaking the hand of the opposition coach who would always commend the code and conduct in which our boys had played the game. We played each game to win, and we were always hard but always fair.

Last but not least, massive heartfelt thanks goes to our Team Manager, Val (Mrs Brown) who, week in and week out, went above and beyond the call of duty. Always going the extra mile, nothing was too much for her boys.

Until next season,

Coach Brad

Individual Awards

Brian O'Connor Award

This award is presented in memory of a young man who was tragically killed at the age of 12. Brian was a real trier who put everything into cricket and simply loved to play the game. Brian always showed great citizenship and was honest, polite and constantly trying to improve his skills.

This award recognises the efforts of a 12 year old player who displays these same attributes and sets examples for others.

The Coach of the U12/Year 6 team nominates a player who he or she considers best exemplifies the values that were displayed by Brian when he played.

Spirit of Cricket Award

The Spirit of Cricket Award is awarded to a male and female player based on the following criteria:

- Respect is central to the Spirit of Cricket.
- Respect your captain, team-mates, opponents and the authority of the umpires.
- Play hard and play fair.
- Create a positive atmosphere by your own conduct and encourage others to do likewise.
- Show self-discipline, even when things go against you.
- Congratulate the opposition on their success and enjoy those of your own team.
- Thank the officials and your opposition at the end of the match, whatever the result.

This award is kindly sponsored by Ainley Air Systems

Brian O'Connor Award

Kristian always demonstrates great care for his teammates and opposition players and is always honest and polite. Kristian also shows great determination and works hard to improve his skills, which we have seen with the tremendous improvement in his on-field performances.

Spirit of Cricket Award

Dylan has been an exceptional role model for other players. Quite often this season we had to provide fielders for the opposition, Dylan was the first to offer and giving 100% while doing so.

He was respectful to all teammates and myself, Dylan always put the team before his own game. Always clapping opposition off when they have retired, thanking officials and opposition after the game.

Dylan also helped out with the Cricket Blast program every Friday night. Many parents of the younger participants were singing his praises.

Life Members Cup

Year 5 Blue and Black took each other on for the Life Member's Cup. With the teams knowing each other well from playing together the previous year.... It was a tight match, both teams were struggling to accumulate runs with good bowling from both sides. In the end Black prevailed 130 to 101. The teams had lots of fun and it was a great match.

Well done Black and Blue!

Thank you to President Lisa and Life Member Danny Shortill for coming down to watch the boys battle it out.
